plane as the two strangers give in to one night of reckless passion with no strings attached, and no contact information exchanged. Back home at St. Albans, the college rocks Grace's world when it announces the appointment of a new president, the first woman in its 165-year history. Cue Abbie—and cue Grace's collision course with a neurotic dog named Grendel, a fractious rival for tenure, and a woman called Ochre, in what very well might be Grace's last real shot at happiness. This full-length novel reimagines and expands on the short story, “Falling From Grace,” which was originally published in the award-winning story collection, Sidecar by Ann McMan.
