It doesn't seem to make sense: Jesus tells his disciples to take a lesson from Satan himself. A scandalous idea? Yes. Essential to the Christian life? Definitely. Drawing on Jesus's parable of the shrewd manager in Luke 16, Rick Lawrence explores Jesus's shocking mandate to be as shrewd as Satan and as innocent as the Holy Spirit. In fact, Jesus implies, if we are going to be any good for the Kingdom of God, we've got to be a lot shrewder than we are now. Shrewd shows us how Jesus was naturally shrewd in every encounter he had, using leverage such as laughter, generosity, and bluntness to influence a situation for good. God calls us to be shrewd without evil intent, just as Jesus was. Because the truth is that we have no salvation outside of the holy shrewdness of a loving God. And that's a scandalous story worth telling.

Retired financial institution executive Reahal has penned his debut book--an autobiography centering on an intense flurry of spirit activity over the three-year period that followed a life-changing car accident.

How can an ancient book make a difference in the life of a modern teenager? It Will Stand is a new approach to teenage Bible studies that focuses on the root literature of Christianity, the Bible. Many teenagers know parts of the Bible but do not realize that it tells one story from cover to cover. They might also ask how the Bible can be understood and applied to their own lives. It Will Stand addresses these questions: where did the Bible come from, and how do we know it is real? The second half of the book shows today's teen how to apply biblical truths to everyday living. Upon completing this study, teenagers will have a greater depth, understanding, and application skills of the greatest book ever written.

(Book). An exciting low-voice collection from the biggest names in CCM music. Includes: Above All (Michael W. Smith) \* Here I Am to Worship (Tim Hughes) \* I Can Only Imagine (MercyMe) \* Moment Made for Worshipping (Steven Curtis Chapman) \* and more.

By forbidding the music they don't like, they alienate the young. Ed Christian argues that music should be judged not by personal tastes, but by its spiritual fruits. God approves of music that leads people closer to Him, whether we like it or not. When it comes to music for the worship service, however, unity is important. Appropriate church music doesn't

alienate or offend, but brings people together and lifts them up to God. The author examines the arguments of those who reject contemporary Christian music in favor of traditional classics, and show how God can use the new music to bless churches and change lives.

Making a unique intervention in an incipient but powerful resurgence of academic interest in character-based approaches to Shakespeare, this book brings scholars and theatre practitioners together to rethink why and how character continues to matter. Contributors seek in particular to expand our notions of what Shakespearean character is, and to extend the range of critical vocabularies in which character criticism can work. The return to character thus involves incorporating as well as contesting postmodern ideas that have radically revised our conceptions of subjectivity and selfhood. At the same time, by engaging theatre practitioners, this book promotes the kind of comprehensive dialogue that is necessary for the common endeavor of sustaining the vitality of Shakespeare's characters.

Are you sitting on the mountaintop with Jesus or down groveling in the mud puddles? Words of Worth travels both places. Sandra Meyer's spiritual journey through life resembles that of many others, and she writes from her familiarity of both the good and hard times. Practical ideas to help you grow come from ordinary activities, nature, and experience. Often Christians march forward, only to take a slow ride downhill, unaware until we've already lost ground. Biblical people experienced the same frustrating situations, showing us through their examples how to get up and advance again. Sharing her defeats as well as victories, Sandra has e-mailed her meditations for several years and has responses like those below. Some topics discussed in Words of Worth include trials, trouble, and temptations; discipline; contentment; and intimacy with God. Wow! Karen Davis suggested the title Words of Worth "because when I read Sandra Meyer's meditations, I usually say 'Wow!' and they are worth so much to me." Melvin Gordy says, "When I had to have an operation ... I found that by reading articles like the ones Sandra Meyer writes I got relief. That is the real reason I wanted to see Words of Worth published." Rhonda Baronne tells, "I am in a nursing home ministry. We have shared the meditations with the residents, and they were truly blessed. Sandra Meyer's writings are very uplifting and encouraging. Just the right word at the right time." See why Sandra's meditations earn such enthusiastic endorsements, and learn how you can enhance your faith as you read Words of Worth.

During the summer of 2001, Dove and Grammy(r) Award-winning singer-songwriter Michael W. Smith presented a live concert of praise and worship music. The outcome of that wonderful evening was his best Contemporary Christian Music (CCM) album to date, Worship. This matching folio includes songs from that memorable night that are every bit consistent with Smith's well-loved style. This folio is upbeat, pop-oriented, and includes his trademark piano talents. Complete with photos throughout. Titles are: Forever The Heart of Worship Draw Me Close Turn Your Eyes Upon Jesus Open the Eyes of My Heart Above all Breathe Let It Rain Awesome God More Love, More Power Purified.

I started these notes which turned into a blog which helped me process my grief from the loss of both parents, and my husband...plus loss in other areas of life. We are comforted by God and in turn we have the opportunity to comfort others along their paths as well....

Take positive control of your life with the power of understanding! Whether you are trying to get a promotion in the workplace, repair a broken relationship with a friend or loved one that was once before strong, being able to use the power and wisdom that comes from understanding can better help your chances of success. In this book all aspects of interpersonal relationships are discussed as well as practical steps of application of each one. Marriages, Divorce, family and friend conflict resolution, and first impressions are covered inside to give you a greater understanding of people, and the world we live in. Take a look inside I am sure you will learn something that will help enrich your life for the better. In this book, Kazeem Olalekan uses the universal language of poetry to describe a life journey. He draws inspiration from great poetic works to illuminate his journey and in his words: '...help another traveler somewhere and in another place to make sense of what is a voyage we must all make'. Lamentations draws on the oral traditions of the Yoruba language

and infuse it with the best of the world's poetic outputs to produce a book set to take readers on a journey of passion, exhilaration, sadness and reflection - all set within a musical framework. This book has had a cathartic effect on the author and reflects on the complexity of perception and of the power of God.

Dag Norberg's analysis and interpretation of Medieval Latin versification, which was published in French in 1958 and remains the standard work on the subject, appears here for the first time in English with a detailed, scholarly introduction by Jan Ziolkowski that reviews the developments of the past fifty years.

This songbook is filled with the best praise and worship songs made popular by top contemporary Christian artists like MercyMe, Rebecca St. James, Michael W. Smith, Third Day and others. With titles like "God of Wonders," "I Can Only Imagine," and "Song of Love," vocalists will love the arrangements designed for medium voice range. As an added bonus, all of the arrangements can be easily adapted for mixed duets. Other songs include: Above All \* Adore \* Breathe \* Come, Now Is the Time to Worship \* I Could Sing of Your Love Forever \* Open the Eyes of My Heart \* Satisfied \* and more.

Through the Lens By: Vicki Fish Through the Lens is about how the author can look at ordinary things and draw a Christian perspective out of it. It takes readers through her walk with God. The author hopes this book will bring encouragement to readers and may give them ideas on a sermon, talk or speech. No two pages have the same photo or same text from the bible. The verses may duplicate but they come from a different part of the bible. It is written in a devotional format by the author so that readers can read a page each day. The photos were taken in Kenya, Egypt, Nicaragua, Guatemala and throughout the United States.

As the most populous province in Canada, Ontario is a microcosm of the animal welfare issues which beset Western civilization. The authors of this book, chairman and vice-chairman, respectively, of the Ontario Society for the Prevention of Cruelty to Animals, find themselves constantly being made aware of the atrocities committed in the Society's jurisdiction. They have been, in turn, puzzled, exasperated and horrified at humanity's cruelty to our fellow sentient beings. The issues discussed in this book are the most contentious in animal welfare disputes — animal experimentation, fur-farming and trapping, the use of animals for human entertainment and the conditions under which animals are raised for human consumption. They are complex issues and should be thought about fairly and seriously. The authors, standing squarely on the side of the animals, suggest "community" and "belonging" as concepts through which to understand our relationships to other species. They ground their ideas in Wordsworth's "primal sympathy" and Jung's "unconscious identity" with the animal realm. The philosophy developed in this book embraces common sense and compromise as the surest paths to the goal of animal welfare. It requires respect and consideration for other species while acknowledging our primary obligations to our fellow humans.

In Quantum Faith (Faith), Dr. Strickland argued that Science and Scripture are not at odds and Faith has substance. In Quantum Hope, he argued that Hope is tangible. In Quantum Love, he argues that Love is measurable. However, we cannot choose one of these in favor of the other. Certainly Love is the greatest, but a relationship exist between Faith, Hope, and Love, which requires all three working together. Quantum Love argues from the base of Scripture that Love is not some abstract concept and that real love is only possible with the presence of the Holy Spirit. Although the Bible is the basis, Dr. Strickland injects frequent episodes of "What I Learned at the Movies." Often, Hollywood gets it wrong, but there is an occasional nugget.

Creationism versus evolution. As persistent as it is tiring, this war has torn families and even nations apart. The passions driving these camps to battle have been violent, virulent, and sadly, completely wasted. Scientists have examined this world for evidence to assert their theory, while creationists have believed the Bible speaks of this same world. This is an error that caused a war that needn't have ever been. The account of Noah speaks to another world in another time. Basked in the sh

The author of "The Ragamuffin Gospel" now expounds on the lyrics of a #1 DoveAward-winning song--"Above All" performed by Michael W. Smith.

In Devotions from the Heart, Carmen Entzel opens her heart to the reader, sharing personal everyday life experiences to illustrate God's love for His people. Those experiences came alive again on the written page as she wrote each devotion. Writing about them brought laughter, sadness, tears, and joy all over again. Her hope is that the reader will experience the same emotions, and realize anew how much God loves His children as He walks with them through their life's journey

Promotion of democracy in post-war and post-conflict societies became a topic during the 1990s. The book deals with the legality, legitimacy and effectiveness of military interventions where the international community of states not only felt impelled to engage in military humanitarian or peace-building missions but also in long-term state- and democracy-building. External actors particularly engaged in four modes, namely enforcing democratization by enduring post-war occupation (mode 1); restoring an elected government by military intervention (mode 2); intervening in on-going massacres and civil war with military forces ('humanitarian intervention') and thereby curbing the national sovereignty of those countries (mode 3) and forcing democracy on rogue states by 'democratic intervention', in other words democracy through war (mode 4). The contributions link juridical and philosophical reflections on just war ad bellum with empirical evidence post bellum in Afghanistan, Georgia, Serbia, Croatia, Cambodia and East Timor. All empirical analyses stress the complexity and difficulties to establish

democracy in post-conflict societies driven or monitored by external actors. Such an endeavour implies a comprehensive agenda of political, social, and economic methods of peace-building. However, if external actors withdraw before the roots of democracy are deep enough and before democratic institutions are strong enough to stand alone, then the entire endeavour may fail. This book was originally published as a special issue of Democratization.
