George Orwell was a much-respected English novelist, who wrote some of the finest pieces in literary criticism, It got published in August 1945. His work is animal farm The fiction based on Farm animals, the author has named them too. Such as Major (a majestic-looking pig), 3-dogs (Bluebell, Jessie, and Pincher), many hens, pigeons, ducklings, sheeps and cows. Two horses, Boxer and Clover. Amongst them, Major is their leader. He wanted to speak on the nature of life on this earth and How any animal is now living. Animals complain that despite their hard labour, why then do they continue in the miserable condition They also complain about human beings that they use to steal nearly the whole of their produce. Their main enemy is - Man. The book narrates about the agony of ill-treated farm animals. 1984 George Orwell is the pen name of the author, Eric Arthur Blair. He was an English essayist, novelist, journalist and critic. His writings are based on social criticism, anti-Fascism, anarchism. The story behind its title is also very interesting, when Orwell finished this novel in 1948, this title was chosen simply as the inversion of this year. So, at last, in the story, there is a celebration of massive victory of Okeanias over Eurasian armies in Africa. Also, Winston accepted that he loves Big Brother. How this happened What were the circumstances Winston refused to love Julia How this political storm took place For all, the story reveals step by step in an interesting manner. A mind-blowing novel of that time and forever.

Nine-year-old Eli raises his first bull calf and looks forward to showing it at the county fair.

By the big red barn In the great green field, There was a pink pig Who was learning to squeal. There were horses and sheep and goats and geese--and a jaunty old scarecrow leaning on his hoe. And they all lived together by the big red barn. In joyous and exuberant Pictures, Felicia Bond lovingly evokes Margaret Wise Brown's simple, rhythmic text about the cycle of a day on a farm, where a family of animals peacefully plays and sleeps. In the barnyard there are roosters and cows, horses and goats, and a pink piglet who is learning to squeal. Margaret Wise Brown's lulling story about a day in the life of a barnyard is now available as a sturdy board book. Felicia Bond's atmospheric illustrations add to the tranquil simplicity of this story.

The most famous by far of all twentieth-century political allegories, Animal Farm is the account of a group of barnyard animals who revolt against their vicious human master, only to submit to a tyranny erected by their own kind, can fairly be said to have become a universal drama. Orwell is one of the very few modern satirists comparable to Jonathan Swift in power, artistry, and moral authority; in animal farm his spare prose and the logic of his dark comedy brilliantly highlight his stark message. Taking as his starting point the betrayed promise of the Russian Revolution, Orwell lays out a vision that, in its bitter wisdom, gives us the

clearest understanding we possess of the possible consequences of our social and political acts.

NEW YORK TIMES bestselling author James Swanson delivers a riveting account of the chase for Abraham Lincoln's assassin. Based on rare archival material, obscure trial manuscripts, and interviews with relatives of the conspirators and the manhunters, CHASING LINCOLN'S KILLER is a fast-paced thriller about the pursuit and capture of John Wilkes Booth: a wild twelve-day chase through the streets of Washington, D.C., across the swamps of Maryland, and into the forests of Virginia.

A beautiful graphic adaptation of George Orwell's timeless and timely allegorical novel. "All animals are equal, but some animals are more equal than others." In 1945, George Orwell, called "the conscience of his generation," created an enduring, devastating story of new tyranny replacing old, and power corrupting even the noblest of causes. Today it is all too clear that Orwell's masterpiece is still fiercely relevant wherever cults of personality thrive, truths are twisted by those in power, and freedom is under attack. Now, in this fully authorized edition, the artist Odyr translates the world and message of Animal Farm into a gorgeously imagined graphic novel. Old Major, Napoleon, Squealer, Snowball, Boxer, and all the animals of Animal Farm come to life in this newly envisaged classic. From his individual brushstrokes to the freedom of his page design, Odyr's adaptation seamlessly moves between satire and fable and will appeal to all ages, just as Orwell intended.

Based on his experiences as a policeman in Burma, George Orwell's first novel is set during the end days of British colonialism, when Burma is ruled from Delhi as part of British India.

The new dragon on Old MacDonald's farm puts all the other animals, and the farmer, in peril.

For an entire generation, the Spanish Civil War was the ultimate test of commitment and courage as Communism and Fascism faced each other across Europe. Nobody wrote more vividly or more painfully about this than Orwell (1903-1950), as he came face to face with the reality of the civil war in Catalonia. Great Journeys allows readers to travel both around the planet and back through the centuries - but also back into ideas and worlds frightening, ruthless and cruel in different ways from our own. Few reading experiences can begin to match that of engaging with writers who saw astounding things: Great civilisations, walls of ice, violent and implacable jungles, deserts and mountains, multitudes of birds and flowers new to science. Reading these books is to see the world afresh, to rediscover a time when many cultures were quite strange to each other, where legends and stories were treated as facts and in which so much was still to be discovered.

Discusses the use of leveled texts in kindergarten through eighth-grade classrooms, examines the "text base" needed for effective language literacy instruction, provides guidelines for creating a high-quality leveled book collection and matching books to readers, and explains how to analyze and level books.

George Orwell set out 'to make political writing into an art', and to a wide extent this aim shaped the future of English literature – his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While 1984 and Animal Farm are amongst the most popular classic novels in the English language, this new series of Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In Politics and the English

Language, the second in the Orwell's Essays series, Orwell takes aim at the language used in politics, which, he says, 'is designed to make lies sound truthful and murder respectable, and to give an appearance of solidity to pure wind'. In an age where the language used in politics is constantly under the microscope, Orwell's Politics and the English Language is just as relevant today, and gives the reader a vital understanding of the tactics at play. 'A writer who can – and must – be rediscovered with every age.' — Irish Times

Through text and illustrations of children reveling in nature, explores the various ways we as human beings are strong, creative, and connected to others.

The Road to Wigan Pier is Orwell's 1937 study of poverty and working-class life in northern England.

Set at the beginning of the Second World War, Coming Up for Air describes suburban insurance agent George Bowling's return to his birthplace, a sedate Oxfordshire village. This new edition of one of George Orwell's early pre-war works explores the historical and political context of the novel.

Animal Farm is a satirical allegorical novella by George Orwell, first published in England on 17 August 1945. The book tells the story of a group of farm animals who rebel against their human farmer, hoping to create a society where the animals can be equal, free, and happy. Ultimately, the rebellion is betrayed, and the farm ends up in a state as bad as it was before, under the dictatorship of a pig named Napoleon. According to Orwell, the fable reflects events leading up to the Russian Revolution of 1917 and then on into the Stalinist era of the Soviet Union. Orwell, a democratic socialist, was a critic of Joseph Stalin and hostile to Moscow-directed Stalinism, an attitude that was critically shaped by his experiences during the May Days conflicts between the POUM and Stalinist forces during the Spanish Civil War. The Soviet Union had become a totalitarian autocracy built upon a cult of personality while engaging in the practice of mass incarcerations and secret summary trials and executions. In a letter to Yvonne Davet, Orwell described Animal Farm as a satirical tale against Stalin ("un conte satirique contre Staline"), and in his essay "Why I Write" (1946), wrote that Animal Farm was the first book in which he tried, with full consciousness of what he was doing, "to fuse political purpose and artistic purpose into one whole". The original title was Animal Farm: A Fairy Story, but U.S. publishers dropped the subtitle when it was published in 1946, and only one of the translations during Orwell's lifetime kept it. Other titular variations include subtitles like "A Satire" and "A Contemporary Satire". Orwell suggested the title Union des républiques socialistes animales for the French translation, which abbreviates to URSA, the Latin word for "bear", a symbol of Russia. It also played on the French name of the Soviet Union, Union des républiques socialistes soviétiques.

"Money is what God used to be. Good and evil have no meaning any longer except failure and success." Disgusted by society's materialism, Gordon Comstock leaves his job in advertising to pursue an ill-fated career as a poet. In his race to

the bottom, only Rosemary, his long-suffering girlfriend, challenges Gordon's self-destructive course. The novel contains the most sustained reflections on the role of the author and the artistic imagination anywhere in Orwell's fiction, as the book's protagonist struggles (and ultimately fails) to reconcile his romantic-aestheticist sensibilities with the pressures of the literary marketplace and with social expectations. Completed while Orwell travelled north to work on The Road to Wigan Pier, this novel is a key transitional text in his career. Offering a powerful portrayal of the emotional toll of precarity and the desire to break with capitalism, *Keep the Aspidistra Flying* is a significant work of mid-century British fiction but it also speaks to our own time. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

Mandy and James are determined to save twin foals born on Drysdale Farm as their owner, Nick Summers, must focus all his attention on making the farm a success, or else it will have to be sold.

A unique board book that's actually five books in one! Spot each animal's favorite good-night book in each double-page spread, then slide the tab out to reveal a cleverly hidden mini picture book so you can read along.

A classic Canadian story of the bravery and ingenuity of three animals who find their way home. First published in 1961, *The Incredible Journey* tells the story of three pets: a young Labrador retriever, an old bull terrier, and a Siamese cat.

While their owners are away in England, they are being cared for by a family friend at his home in the country. But a miscommunication occurs between the friend and his housekeeper when he goes on a hunting trip, and the animals are left alone for a several hours, with a gnawing instinct that something has gone wrong. They soon set off on a journey to find home, which instinct tells them is to the west. They travel 400 kilometres across the Northern Ontario wilderness, facing many obstacles along the way: swift-flowing rivers and the rugged landscape; wild animals and unsympathetic humans; starvation, injuries and sheer exhaustion. Separately they would not have survived, but together this disparate group prevails, and they find their way home to the family they love.

George Orwell set out 'to make political writing into an art', and to a wide extent this aim shaped the future of English literature – his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While *1984* and *Animal Farm* are amongst the most popular classic novels in the English language, this new series of Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In *Why I Write*, the first in the *Orwell's Essays* series, Orwell describes his journey to becoming a writer, and his movement from writing poems to short stories to the essays, fiction and non-fiction we remember him for. He also discusses what he sees as the 'four great motives for writing'

– ‘sheer egoism’, ‘aesthetic enthusiasm’, ‘historical impulse’ and ‘political purpose’ – and considers the importance of keeping these in balance. *Why I Write* is a unique opportunity to look into Orwell’s mind, and it grants the reader an entirely different vantage point from which to consider the rest of the great writer’s oeuvre. ‘A writer who can – and must – be rediscovered with every age.’ — Irish Times

Animal Farm is regarded in the literary field as one of the most famous satirical allegories of Soviet totalitarianism. Orwell based the book on events up to and during Joseph Stalin's regime. Orwell, a democratic socialist, and a member of the Independent Labour Party for many years, was a critic of Stalin, and was suspicious of Moscow-directed Stalinism after his experiences in the Spanish Civil War. The plot is an allegory in which the pigs in a farm play the role of the Bolshevik revolutionaries and overthrow and oust the human owners of the farm, setting it up as a commune in which, at first, all animals are equal. The other characters have their parallels in the real world, but care should be taken with these comparisons as they do not always match history exactly and often simply represent generalised concepts. The novel was chosen by TIME Magazine as one of the 100 best English-language novels from 1923 to the present.

Animal Farm Manjul Publishing

Avi charts the turning points in seven young lives in this extraordinary collection of short stories. In the overlapping years when childhood and adolescence blend and shift like waves and sand, nothing is certain and everything is changing. Now award-winning author Avi creates seven astonishing portraits of life in the middle-school years. In these stories you will meet, among others, William, of "What Do Fish Have to Do with Anything?" who wonders why he shouldn't ask questions that have no answers. Is it because he might discover the truth? A minister's son, the baddest of the bad, is dared to be good in "The Goodness of Matt Kaizer." And in the chilling tale, "Pets," Eve is haunted by the ghosts of her cats. Always with a surprise built in, an angle unseen, these are stories that step just beyond the edge of the everyday.

George Orwell’s celebrated novella, *Animal Farm*, is a biting, allegorical, political satire on totalitarianism in general and Stalinism in particular. One of the most famous works in modern English literature, it is a telling comment on Soviet Russia under Stalin’s brutal dictatorship based on a cult of personality which was enforced through a reign of terror. The book tells a seemingly simple story of farm animals who rebel against their master in the hope of stopping their exploitation at the hand of humans and creating a society where animals would be equal, free and happy. Ultimately, however, the rebellion is betrayed and the farm ends up in a state as bad as it was before. The novel thus demonstrates how easily good intentions can be subverted into tyranny. Orwell has himself said that it was the first book in which he had tried, with full consciousness of what he was doing, ‘to fuse political purpose and artistic purpose into one whole.’ The book was first published in England in 1945, and has since then remained a favourite with readers all over the world, and has consistently been included in all prestigious bestseller lists for the past many years.

The original CliffsNotes study guides offer expert commentary on major themes, plots, characters, literary devices, and historical background. The latest generation of titles in this series also features glossaries and visual elements that complement the classic,

familiar format. The animals in CliffsNotes on *The Animal Farm* reflect different kinds of humans and their struggles for freedom and power. Orwell felt that a farm where "All Animals Are Equal" would solve many social and economic problems—but he also knew that such a system would be difficult to maintain. Find out what happens on the farm when some of the animals act on the principle that "Some Are More Equal Than Others." You'll also gain insight into the life and political views of the author, George Orwell. Other features that help you study include Character analyses of major players A character map that graphically illustrates the relationships among the characters Critical essays A review section that tests your knowledge A Resource Center full of books, articles, films, and Internet sites Classic literature or modern-day treasure—you'll understand it all with expert information and insight from CliffsNotes study guides.

This beloved book by E. B. White, author of *Stuart Little* and *The Trumpet of the Swan*, is a classic of children's literature that is "just about perfect." Illustrations in this ebook appear in vibrant full color on a full-color device and in rich black-and-white on all other devices. Some Pig. Humble. Radiant. These are the words in Charlotte's Web, high up in Zuckerman's barn. Charlotte's spiderweb tells of her feelings for a little pig named Wilbur, who simply wants a friend. They also express the love of a girl named Fern, who saved Wilbur's life when he was born the runt of his litter. E. B. White's Newbery Honor Book is a tender novel of friendship, love, life, and death that will continue to be enjoyed by generations to come. It contains illustrations by Garth Williams, the acclaimed illustrator of E. B. White's *Stuart Little* and Laura Ingalls Wilder's *Little House* series, among many other books. In this allegory, the author's reaction to the Holocaust, the animals of the forest are carried away, one type after another, by the Terrible Things, not realizing that if perhaps they would all stick together and not look the other way, such terrible things might not happen.

Simple, rhyming text describes the characteristics of different farm animals.

Reprint. Originally published: New York: Harper & Brothers, 1933.

A biography of self-taught (outsider) artist Bill Traylor, a former slave who at the age of eighty-five began to draw pictures based on his memories and observations of rural and urban life in Alabama.

From the New York Times bestselling creators of *Click, Clack, Moo*, comes an entertaining introduction to politics. My fellow Americans: It is our pleasure, our honor, our duty as citizens to present to you Duck for President. Here is a duck who began in a humble pond. Who worked his way to farmer. To governor. And now, perhaps, to the highest office in the land. Some say, if he walks like a duck and talks like a duck, he is a duck. We say, if he walks like a duck and talks like a duck, he will be the next president of the United States of America. Thank you for your vote.

Esperanza Rising joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus content! Esperanza thought she'd always live a privileged life on her family's ranch in Mexico. She'd always have fancy dresses, a beautiful home filled with servants, and Mama, Papa, and Abuelita to care for her. But a sudden tragedy forces Esperanza and Mama to flee to California and settle in a Mexican farm labor camp. Esperanza isn't ready for the hard work, financial struggles brought on by the Great Depression, or lack of acceptance she now faces. When Mama gets sick and a strike for better working conditions threatens to uproot their new life, Esperanza must find a way to rise above her difficult circumstances—because Mama's life, and her own, depend on it.

"Should appeal to all rugged individualists who dream of escape to the forest."—The New York Times Book Review Sam Gribley is terribly unhappy living in New York City with his family, so he runs away to the Catskill Mountains to live in the woods—all by himself. With only a penknife, a ball of cord, forty dollars, and some flint and steel, he intends to survive on his own. Sam learns about courage, danger, and independence during his year in the wilderness, a year that changes his life forever. "An extraordinary book . . . It will be read year after year." —The Horn Book
