In this follow-up to *The Opal Deception*, teenage criminal mastermind Artemis Fowl is approached by the fairy council to predict when a demon from the Eighth Family colony will materialize on Earth. Because if humans find out about the demons, then all fairies will be exposed.

For use in schools and libraries only. In his second adventure, Artemis is at boarding school in Ireland, when he suddenly receives an urgent video e-mail from Russia. In it is a plea from a man who has been kidnapped by the Russian mafia, a man Artemis had thought he would see never again, his beloved father.

After being held prisoner for years, Artemis Fowl's father has finally come home. He is a new man—an honest man, much to Artemis's horror. He makes his son promise to give up his life of crime, and Artemis has to go along with it. But not until he has completed one last scheme. Artemis has constructed a super-computer from stolen fairy technology. Called the "C Cube," it will render all existing human technology obsolete. He arranges a meeting with a powerful Chicago businessman, Jon Spiro, to broker a deal for the C Cube. But Spiro springs a trap—he steals the C Cube and mortally injures Butler. Artemis knows his only hope of saving his loyal bodyguard is to employ fairy magic; so once again he must contact his old rival, Captain Holly Short of the LEPrecon fairy police. It is going to take a miracle to save Butler, and Artemis's luck may have just run out.

Artemis Fowl: The Lost Colony There's only one human who can help the fairies and protect the world from the demons beginning to materialize on Earth--Artemis Fowl. Or is he? It seems someone else has unlocked the secrets to the fairy world. And she is just twelve years old...

Artemis Fowl's memories of the fairy race have been wiped, and his one fairy ally, Captain Holly Short, is on the run. He needs his memory back--and fast--because a power-crazed pixie is out for revenge, scheming to overthrow the Lower Elements Police. With Holly gone, Artemis is depending on a flatulent dwarf. Things are about to explode. . .

After his last run-in with the fairies, Artemis Fowl's mind was wiped of memories of the world belowground and any goodness grudgingly learned is now gone, with the young genius reverting to his criminal lifestyle.

Artemis Fowl's greatest enemy, the evil pixie Opal Koboi, has escaped—and she's out for revenge. Her plan to start a war between the humans and fairies is nearing completion and once again Artemis is caught in the crosshairs. Only this time he has no memory at all of his fairy friend, Captain Holly Short, or her world deep underground. To survive Opal's master plan, Artemis will have to reconnect with Holly and with his own memories. But will even Artemis's keen intellect be enough to outsmart this pixie villain, or has the boy genius finally met his match?

"Highly recommended" by Choice While crossover books such as Rowling's Harry Potter series have enjoyed enormous sales and media attention, critical analysis of crossover fiction has not kept pace with the growing popularity of this new category of writing and reading. Falconer remedies this lack with close readings of six major British works of crossover fiction, and a wide-ranging analysis of the social and cultural implications of the global crossover phenomenon. A uniquely in-depth study of the crossover novel, Falconer engages with a ground-breaking range of sources, from primary texts, to child and adult reader responses, to cultural and critical theory.
