

Book Of Revelation Chapter 13

The key to understanding the book of Revelation is enclosed in its title. It is a revelation! It reveals things that were unknown, makes them plain and understandable. Consequently, it is not to be regarded as a mystery that needs to be solved, a book with a hidden meaning, that requires experienced scholars to unravel it. Quite the opposite! It presents itself as the solution to the riddle, revealing how all the major prophecies of the Bible will find their fulfilment, while documenting what happens to our world in its transition to the next stage in human history. It contains exactly what Jesus Christ wants to reveal to us, on a 'need to know' basis. Is he capable of revealing something? Does he require other people to explain to us what he actually meant? Of course not! So let us do something very unusual and try to understand the book of Revelation just as it is! We are all students of the word, not teachers. Jesus is our teacher in this case. Everything we pretend to know might hold us back from discovering something really new to us.

1. The Revelation of John exerts an almost irresistible attraction to those who are intrigued by its intricate and complex structure (JPR, p. vi). 2. Despite its name, appears to cancel as much as it reveals, disclosing its mysteries only to those patient enough to pore diligently over its every word, its every peculiar turn of phrase (JPR, p. vi) 3. The Book of Revelation is written now, in our own history and in our own city, in our own lives and in the lives of our children and our descendants in the pervasive emotional shadow of our failed responsibility and in the dependency of the evil acting on our behalf. The time for the Book of Revelation is "always"; the site for it is "everywhere"; the understanding of it is "impossible"; the feelings are overwhelming (Introduction). 4. A conflicted world of realities and an allegorical world of mental fantasies, like a popular TV reality show, are offering a kaleidoscopic framework of paradoxes: Chaos and order, helplessness and hope, destruction and justice, war and peace, insane devilish actions and healthy, spiritual goodness, unbalanced lives of people with mental and physical disabilities and their care providers, and the expression and context of the devil and the good- all these are the text and context of the Book of Revelation, the Apocalypse (Introduction) 5. The Book of Revelation, more than a strategy and form of communication, is a paradigm: It attends not only logical needs of comprehension but also structural human needs that are essential for interactions within a social and human context (p. 4). 6. The negative forces of the spirit fight against the positive forces within the same human individual in the struggle of eternal life. In fact, the earthly proximity of good and evil reverses the reality and frequently darkens the conscience and moral understanding. The essence of good is absurdly assaulted by the unscrupulous immoral acts of evil, an assault that leads our mind to the apocalyptic abyss of absolute failure and profound sickness, reflected in the confrontational experience of spiritual brightness versus material darkness, rational versus absurd behaviors, a natural saintly rapture of living versus a vulgarly immoral rupture of life, the functional beauty of sex versus the psychopathic abuse of lust. No religious institution and no sacred name is free of the human behaviors frequently possessed by the beast, such as within the Legionaries of Christ and the Holy See when both were profaned by the universal plague... pointing to... (the) spiritual massacre of many children through continual sexual abuse (p.14). 7. Evil reverses the world of reality, without reason and justice. Evil establishes an imaginary court with its own judgment and summary punishment in a realm of an obscure frame of racism and discrimination (p. 14) 8. The Apocalypse appears to be the framework of the paradoxical struggle between death and life, chaos and order, suffering and love, helplessness and hope. The transformative struggle is clearly illustrated in political history (15). 9. The consequences of this convoluted Johannine world... extends into the future (p.16). 10. The book is an attempt to connect in many trials humanity with God within a context of social, political, and cultural events in a history tinted with suffering and oppression. The scenes and motives complete the final step of the redemptive covenant and assure a human future that rewards the faithful worshippers of God with His heavenly presence (p.27).

Ray Pennington, a country preacher and pastor, spent many years studying the Word of God, spending many hours reading the writings of different authors of books about the Revelation of Jesus Christ. In 2005 God put a desire in Ray to simply read this great Revelation of Jesus Christ, the Son of God. It was during this year and in a very short period of time that God illuminated Ray's mind concerning this Great Revelation of Jesus Christ and he preached thirty-one sermons as the Holy Spirit inspired him. Through this experience of illumination given by the Holy Spirit Ray realized that we have been given a Teacher that is far above the commentaries of men. This book was not written as a commentary but God given illumination concerning The Revelation of Jesus Christ. Ray and his wife Dolly now reside in Staffordsville, Kentucky.

There is a development between expectation for the rebuilding of the New Jerusalem/Temple in the Old Testament and the coming of the New Jerusalem/Temple in Revelation. In Revelation, there is a dynamic relation between the New Jerusalem and the Heavenly Jerusalem: the New Jerusalem is the descent of the Heavenly Jerusalem. Moreover, there is no Temple building which was expected as the eschatological promise in the Old Testament but rather God and the Lamb is the Temple. How can this shift be explained? Pilchan Lee examines the exegetical tradition which existed between the Old Testament and Revelation. He assumes that as the exegetical tradition, the early Jewish (apocalyptic) literature functions as a key element for forming the idea of the New Jerusalem in Revelation. John's main argument is that the church (which is symbolized by several images) is placed in heaven now (chapters 4-20) and the church (which is symbolized by the New Jerusalem) will descend to the earth from heaven in the future (21-22).

Will Israel and the U.S. be destroyed or partially destroyed in 2012-2019 or 2026-2030 and beyond and Muslims, Catholics and communism take over most of the world? Were there strange things going around the sun, the moon changing degrees and phases, stars that aren't where there suppose to be and the magnetic poles changing mostly reported secretly in 2001-2011? Did NASA or scientists and astronomers brush the pictures of them away so not to scare people? Did the Bible Code predict strange behavior of the moon in 2011? Will a great tidal wave hit the U.S. East Coast in 2012-2019 and Yellowstone Park super volcano erupt or a comet or asteroid hits the earth or Ocean in 2026-2030 and utterly destroy the entire United States if it still around after the war of 2012-2019? Will the Muslims, communism and Catholics persecute Christians, Americans and Jews all over the world bringing them before Kings and have them sent to prisons and torture and killed if they don't deny Christ and convert to Islam? Will Muslims and people all over the world begin to mock and scoff at Christians and the Bible because Israel and the U.S. are destroyed and no Rapture or end or Second Coming of Christ happened? Several of the Bible prophecies predict God will not make a full end of the U.S., Israel and the world at this time and pockets of people and nations may or may not survive. God may save the U.S., Israel and the world if the people repent and turn from their sins and begin to humble themselves and heed the harbingers. But if they don't then these events may start to happen. This book was written by June 12, 2012.

The New Testament contains these diverse statements: 1) God is Spirit. 2) God is Love. 3) Love is a 'Fruit of the Holy Spirit', amongst many others. 4) The Spirit of God (the Holy Spirit) is Seven Spirits or a Sevenfold Spirit. Simon Lee has spent the last twenty years pondering these issues and the following resulting questions, which this book tries to answer in full: - 1) Love then is a Spirit, and according to Shakespeare a 'many-splendoured thing'. Can we attempt to summarise Love so rich in artistic descriptions by thousands of poets, singers, writers and playwrights and other Spirits, in simple terms? 2) What are the other Six Spirits? Can we decide what they are? 3) The Bible often describes The Spirit as resembling a Tree or Fountain. How do the Seven Spirits co-exist in this apparently perfectly scientific description of their structure? Can we describe this structure, especially visualise it? 4) Modern Science, especially physics, claims to be close to a scientific Theory of Everything. There are certain holes in this theory. Science ignores the spiritual and artistic in life. Do the latter in fact need to be called upon to 'fill the scientific holes'? scientific camps', the ' NUMBERS of things' involved must precisely match, i.e. the quantities of 'spiritual essences used to fill holes in science' must be precisely correct. Are they? 6) Do other Holy Books in other Faiths back up these notions about a Set of Holy Spirits going together to make up the Spirit of God? 7) Clearly the Spirit of God has enemies trying to supplant or replace spiritual with secular 'things'. Is the rising main enemy of the Holy Spirit today, Information Technology? Twenty years of thinking and research goes into Simon Lee's claim that this book provides a resounding, convincingly argued answer of 'YES ' to all seven of these questions. It is therefore an 'analysis of Spirit' i.e. of God as a Spirit Being

Prophecy Phenomena Hope: The Real Meaning of 2012 by Robert Powell, explores what 2012 really means, updating the research presented in his timely and ground-breaking book Christ and the Maya Calendar: 2012 and the Coming of the Antichrist (coauthored with Kevin Dann). In this new book, Powell focuses on two important and significant prophecies by Rudolf Steiner. The first (from 1909) concerns the Second Coming of Christ, his appearance to humanity as the Etheric Christ. The second prophecy (from 1919) represents the shadow side of Christ's Second Coming. It concerns the incarnation in human form of the being known as Ahriman (ancient Persian tradition) or Satan (Judeo-Christian tradition). In this connection, the Christian tradition also speaks of the coming of the Antichrist (as clarified in the book, the term Antichrist, as used by Steiner, has a specific meaning and does not signify the incarnation of Ahriman). Powell points to the steady, multifaceted encroachment of ahrimanic forces today, especially through modern technology, which is harmful to the etheric body, causing illness and other serious problems. After looking into Steiner's prophetic remarks in relation to the Book of Revelation, Powell looks into the prophecies of the Russian poet/mystic Daniel Andreev (1906-1959) and examines the prophecy of the American clairvoyant Jeane Dixon (1904-1997) concerning the human birth of the Antichrist. He also includes spiritual research by Judith von Halle (b.1972) regarding an earlier incarnation of Joseph Stalin, as well as Andreev's indications relating to Stalin's earlier incarnations, which may be seen as preparation of this individuality for his role as "Mr. X," the human vessel for the incarnation of Ahriman. Powell's research--applying the astrological rules of reincarnation--supports Jeane Dixon's prophecy, that Mr. X was born in 1962, a finding whose accuracy was also confirmed by Willi Sucher, Powell's mentor in Astrosophy, or star wisdom. This finding, seen in relation to various contemporary phenomena, speaks an unmistakable language that confirms the accuracy of Rudolf Steiner's prophetic statement that the incarnation of Ahriman into his human vessel would take place shortly after the year 2000. Simultaneously, great hope for humankind is offered by the return of Christ in the etheric realm, an event to which human beings can connect, finding inner strength, support, and guidance as

humanity and the Earth pass through the great trials associated with 2012. Download and read "Willi Sucher and Jeane Dixon's Prophecy" (PDF). Download and read "The Arising of a Revolutionary Mood in 2010/2011" (PDF).

Many are aware of perilous times we are facing, have a conceptual understanding of "end time signs" and are experiencing various degrees of a deep gut-wrenching fear due to pending unknowns. However, due to our human nature it is much easier to live in denial (i.e. "sleepwalking") than to take a good hard look at what's going on and prepare for the One that will come in the twinkling of an eye. Our continually worsening global economy, political ineptitudes, social decline and technological advancements are a prelude to (and preparation for) the prophetic entrance of the beast and the fulfillment of his mark – as stated in Revelations. Written almost 2,000 years ago, in the last book in the Bible, Revelation chapter 13 versus 16 & 17 warns us of a decisive event of great consequences that will occur during the last days. Simply stated, the mark's benefits and consequences will cause each person to make an eternal decision. The mark of the beast will occur. It's an absolute. God's word states it. Therefore, questions that remain are when, how and why? The book Mark of the Beast: • Will explain why the aforementioned is occurring. • Will illuminate and expand your understanding of past and present social, economic, technological and political changes that are providing the foundation for the fulfillment of the prophetic mark of the beast as stated in Revelation 13:16-17. • Will provide you with valuable and insightful information so that you can make informed decisions. • Is short, concise and easy-to-read. • Will possibly change your life for eternity.

This book explains in great detail and exceptional clarity the issues related to the Rapture of the Church, the government of the Antichrist, the "Great Tribulation," and all the apocalyptic judgments that God will pour out upon the world in the latter days. The Rapture of the Church will bring about the global collapse of the economic, political, and religious institutions around the world. Humanity will look for a leader who can put the world back together, offer them peace and security. So by popular acclamation, the world will host a false prince of peace the Bible calls the Antichrist. He will elate the masses by telling them what they want to hear. The Antichrist will push humanity to the deepest levels of degradation, vice, immorality, crime, war, violence, and rebellion against God. He will corrupt the social and moral order, and as a result, billions of people will die. He will plunge the world into spiritual darkness and lead humanity astray. We cannot begin to imagine the horror and the endless suffering humanity will experience through the chaos wrought by the Antichrist. The Bible says that the Antichrist's empire "shall devour the whole earth, trample it and break it in pieces" (Daniel 7:23). In reference to this dreadful period of human suffering, the Lord Jesus said, "For then there will be great tribulation, such as has not been since the beginning of the world until this time, no, nor ever shall" (Matthew 24:21). This will be a period characterized by widespread wars, which will bring death to billions of people. During this period, 25 and 33 percent of the world population will die in two major wars. If these two conflicts were to take place in our time, 3.56 billion of the world population would die.

This Book is aimed at the people who will occupy the earth after people like me are raptured out of the earth into the presence of the Living God, Jesus Christ. You have left here with the Antichrist and his false prophet and the devil, who was kicked out of second heaven at the time we went up to meet our maker. Also the Holy Spirit was taken of the earth with us, that leaves you at the mercy of the Antichrist, who is raised back from the dead after being shot in the head. You will be forced to worship an image of the Antichrist or die. Who wants to worship a cartoon? There is still time while you are physically alive to accept the Lord Jesus Christ as your Savior (from your sins) and as your Lord God. You must understand that you are a sinner and need the forgiveness of God in order to have a relationship with him. In a way, you have more physical evidence that there is a God than the people that have been taken off the earth. You have seen him come for his church of believers at the rapture of the church of believers. You have seen him. You know he is real; that's more than the people that have been taken off the earth had. They had to believe in him by faith, but faith in God is what you did not have. That's why you were left where you are. The reason you did not have any faith in God is that you have pride in the false religion that you could not be moved from by the people that have preached Jesus Christ to you. Read on. Now you must believe in the Lord Jesus Christ with your whole being because you are going to have to die for him--better to die for Jesus Christ than to live for the devil.

Our journey doesn't end in this world. It begins in this world, and this world is fast coming to an end. The journey to the end of time is what this book aims at revealing, according to the book of Revelation.

This book unravels a lot about the last days till the very last day of man on the present earth. It demystifies the mysteries of the book of Revelation and carefully explains all that seem to have been written in codes and parables. Very importantly, it uncovers the plans and devices with which the enemy intends to deceive many in these last days and the silent orchestrations by the agents of the enemy here on earth, to prepare for the fight against God and against the saints. Through this book, we will be able to tell who mystery Babylon is, who and what will give rise to the beast, and where the beast would come from. It is not a regular book as everything was written by the inspiration of the Holy Spirit and through dreams and visions from Him.

The Apostle Paul branded him the "man of lawlessness." The Prophet Daniel marked him as a "little horn," and a king. John, the author of Revelation, stamped him as a "scarlet beast." The Apostle John labeled him "Antichrist." Many left behind after the Rapture will be amazed and terrified at his mysterious, yet miraculous reappearance. Who is this troublesome figure that will pervert all that is good and decent and right? Is it possible to solve the number of the Antichrist before he appears? Does the Bible promote or even permit identification of this man of sin who will personify and epitomize the Mystery of Iniquity? Both believers and non-believers have been perplexed and intrigued with these questions for centuries! This book will propel you on an unforgettable voyage to the ancient Roman world, to the very origin and lair of the beast, to the 1st century Church, to the Abyss and back again, to the preemptive death and eternal destruction of Antichrist, to the mesmerizing visions of John, Daniel, and Zechariah, and to high level heavenly counsels. Out of the Abyss will expose and declassify that which has been concealed and classified. To wit: the secret of the beast presumed to be confidential until the body of Christ is taken from this earth. You may not agree with where the journey takes you, i.e. with the conclusions reached. But with all his heart and utmost conviction, the author believes you will enjoy the trip. He proposes that, at the very least, you will be fascinated with the relevance and application of Scripture to some of the most astounding events in human history, both past and future. You will take part in and be enthralled with a partial refitting of the prophetic puzzle.

This contribution to The New International Commentary on the New Testament is a revision of Robert Mounce's original entry on the book of Revelation and reflects more than twenty additional years of mature thought and the latest in scholarship.

No longer do I want you to be afraid of Revelation as I was but rather embrace the inevitable future that God has planned for us. This book is a passport to the future of humanity and will explain the end-times in simple ways, for the most part, based on Biblical interpretation and not on widely accepted views or mine. Most of the prevalent views on Revelation that you have learnt or learning are incorrect. Not knowing the future with respect to God's plan could jeopardize the timing of your salvation which could put one in the receiving end of God's plagues. Revelation was written for us today in the end-times and not for the Jews and ancient Romans 2000 years ago. This book will prove this to be true beyond a shadow of a doubt. Revelation cannot be interpreted without key scriptures in books in the Old Testament thus proving that there is divine intervention in the Bible as a whole. It is impossible for different human authors to write so many different books with hundreds to thousands of years in between and have the same conclusions and interpretations. IMPOSSIBLE. We are presently near the end of the Great Tribulation with the Day of our Lord fast approaching. Already five of the seven seals have been opened with the sixth approaching rapidly. The beast of Revelation chapter 13 is alive and well and the mark of the beast is already in use. A limited nuclear war is on the horizon and world domination by the Son of Satan by means of a 200 million-man army would follow. There is good news though. Read this book.

The Formula for the Illuminati's New World Order of 2012 The word "Awakening" also means "Enlightened" which refers to the Illuminati in Latin. It is the code name for a secret shadowy government through present day corporations that has been setup by the 1st Antichrist to control the world affairs. In order to achieve his goal he has to overthrow our capitalist government, and replace it with his secret agenda of a "Satanic New World Order" under Socialism. Why did Jesus have to step in to protect the Independent Candidate for United States House of Congress in 2006? An Awakening Spiritual Journey into Dirty Politic after Election 2008 will capture the Spiritual Holocaust that went beyond the moral fiber of one's imagination and comprehension of evil by the superhuman power of the 1st Biblical Antichrist. This nonfiction riveting book is an awakening of how our taxpaying dollars have been orchestrated by him on the Federal level of the American Government with its partners in crime, the Democratic Party, some Senatorial and Congressional Republicans and Independents secretly embedded in the Democratic Party, and the Liberal Media. Four main ingredients are fueling it: greed, corruption, revenge,

and power, which spell the Illuminati! As my epic journey begins inside the spoon of dirty politics in January 2003, I will unknowingly walk directly inside the spiritual warfare of the principality of evil by the inner circle of the Illuminati. With the Living God standing by me, I have survived my journey. God wants the rest of the world to be prepared for what lies ahead. Evil and dirty politics can be defeated. That is why I have been chosen by God to expose my story to the world of what I personally witnessed.

This book is about the Lord Jesus Christ and who He really is. When we read the Bible, we should remember the principle: "The last revelation carries the greater weight." The final revelation of the Lord Jesus Christ to the last living of His disciples, the apostle John, a short time before the apostle John was also to expire, was a final word to His beloved disciple, containing the most important things for the life of the Christian church. And since the last revelation carries the greater weight, we should embrace these last messages of the Lord with great care and believe these words, even if they would upset well-established doctrines in the churches. Only the Lord Jesus Christ is worthy to be praised, and He is the only one who deserves the attention of this book.

Chapter 13 of the book of Revelation reveals a world unity unlike any other, a world where peace, security and prosperity are the order of the day. In our times, the news media bombards us with reports of controversy and chaos, terrorism and piracy on the global scale, yet chapter 13 heralds, And all the world wondered after the beast...and they worshiped the beast...and power was given him over all kindreds, and tongues, and nations...and all that dwell upon the earth shall worship him...and deceiveth them that dwell on the earth. Finally, it seems the world has a leadership they can trust, admire, even worship. How Satan and his cohorts accomplish this feat of deception, and how far his preparations have progressed is the theme of this book, Revelation 13: Satan's Last Victory.

What is the Mark of the Beast? In this book, New Testament scholar and pastor Canaan Harris considers the meaning of the Mark of the Beast as described in Revelation chapter 13 and its implications for today. As Christians we are expected to watch and wait for the signs of the times in every generation as we anticipate Christ's return. Because The Book of Revelation is God's foretelling of future events we must read and interpret the book, paying close attention to what it tells us about what we are to do when we observe the signs that the book describes. "Actualizing" the text is a method of interpretation that both honors the original meaning of the text and asks what it means for us today.

God has revealed Himself in the Word of God as well as in the world around us. And that is what makes the book of Revelation so amazing; that God has revealed the plan for the end of an age, a plan that spells out what will happen to mankind when we refuse to accept the wonderful gift of salvation that God has offered through the death and resurrection of His Son Christ Jesus. The book of Revelation is the only book that gives a blessing to those that read it, and so it was with this purpose that I set out to illuminate what God has already revealed. And in so doing I tried not to be too technical, but at the same time provide enough information for the reader to grasp what is at stake for their eternal state. Rev. Kelvin McKisic (B.Th.
