The Heider family huddles together in the basement, wondering if this is the last day they will be together, if this is the last day of their lives. Its Munich, Germany, in 1945, the day American tanks are rolling in. Annelieses father finds a white sheet, ready to hang it from the attic window, hoping he times it right. Too early, and German SS forces could open fire. Too late, and the Allied forces could shoot. Thank god, its not the Russians. And so begins the memoir of Anneliese Heider Tisdale, who grew up in Germany during World War II. Hers is a universal and timeless tale of war and death, of fear and deprivation, of the inventiveness of children who want to dance and wear new clothes but instead have childhoods filled with bandages and bombs, who return to school one fall to find the crucifix in their classroom replaced with a picture of the Fhrer.

This ambitious and vivid study in six volumes explores the journey of a single, electrifying story, from its first incarnation in a medieval French poem through its prolific rebirth in the nineteenth and twentieth centuries. The Juggler of Notre Dame tells how an entertainer abandons the world to join a monastery, but is suspected of blasphemy after dancing his devotion before a statue of the Madonna in the crypt; he is saved when the statue, delighted by his skill, miraculously comes to life. Jan Ziolkowski tracks the poem from its medieval roots to its rediscovery in late nineteenth-century Paris, before its translation into English in Britain and the United States. The visual influence of the tale on Gothic revivalism and vice versa in America is carefully documented with lavish and inventive illustrations, and Ziolkowski concludes with an examination of the explosion of interest in The Juggler of Notre Dame in the twentieth century and its place in mass culture today. In this volume Jan Ziolkowski follows the juggler of Notre

Dame as he cavorts through new media, including radio, television, and film, becoming closely associated with Christmas and embedded in children's literature. Presented with great clarity and simplicity, Ziolkowski's work is accessible to the general reader, while its many new discoveries will be valuable to academics in such fields and disciplines as medieval studies, medievalism, philology, literary history, art history, folklore, performance studies, and reception studies.

These Bear Shifter country music stars are about to meet the women they never knew they needed! Contains the following novels: Matthew: Melinda Darling has always dreamed of being at the center of the Nashville country music scene. She thought getting her Master's Degree in Music Business would be her ticket to the top, but it turns out managers are a dime a dozen in Music City. With no other prospects and student loan repayments on the horizon, she takes an internship position under the devious Kitty Konstantine. The job was simple: find talent, introduce talent to Konstantine Talent Agency, and keep it all professional. When she finds The 4 Saints, she can see the men ooze with talent, their stage presence commanding rapt attention. When she lays eyes on Matt Saint, she knows she has no hope of keeping it professional... Matthew Saint has a lot on his shoulders, and he's got the scars to prove it. As guitarist for The 4 Saints, he and his brothers have to live in two worlds. On the one hand, they're up and coming country music stars just trying to make it in Nashville. On the other hand, they're a clan of Bear Shifters that have to be careful who they let get close. Trouble is never far off, and since meeting Mel Darlin', he thinks maybe he's due for a little more trouble in his life. Mark: Adelaide- Spencer has always had a natural talent for songwriting. She find herself humming a tune, then running around the house like a chicken with it's head cut off looking for a pen and scrap of paper. Receipts, index cards and magazines: nothing was safe from her scribbles. But these were songs she wrote for herself, not for anyone else. So when her Grandma sent her song to the Konstantine Talent Agency without her knowledge, Addison flipped her lid. Would these strangers even accept her, given her family secret? Mark Saint knows talent when he sees it. His Grandfather used to say "There ain't no fakin' talent,". On stage he plays the same bass fiddle his grandfather did and is always looking for the best songs for he and his brothers to record. So he drove across the state to the dilapidated house in the middle of nowhere to meet the woman who wrote this special song. When he first laid eyes on her, he knew she'd be his mate. Luke: Candace Chance was having the worst night of her life. Of course, with a name like that, did she ever have a shot? Yet another thing she could thank her mother for, but at this point she had other things on her mind. Like the freezing cold rain, the soggy cardboard that separated her from the alley asphalt. Oh, and the gangsters who are out hunting her, because she's someone else's property. Thanks again, Mom. Luke Saint knows how to move among people. As drummer in The Four Saints, he isn't quite in the spotlight that his brother Matthew is. Sometimes that can be annoying, but sometimes being unseen has it's advantages. Coming up on these thugs beating this poor helpless woman was one of those times. He tasted sour copper in his mouth and let out a roar as he charged the men. Then their world got turned upside down. John: Meg Baker wanted for nothing growing up. The best schools: she attended them. The best instructors: she learned from them. The best talents as a violinist: she was born with them. A pampered life of chauffeurs and private jets. So why was she now on the run, trying to hide herself in the one place she knew her father would never look for her? John might have the last name of Saint, but his family swears he made a deal with the Devil. Not one person from Ozarks to the Appalachias could strum a mandolin like him. And while he loved the harmonies he helped his family achieve on stage, he always felt something was missing inside. Until that night she came into The Fiddler's Cave, and for the first time in his life he thought there might be someone who felt like he did.

Bartholomew: Kitty Konstantine is used to being called names. Cut throat. Demon. Bitch. But the title that always trips her up is "daughter." No matter what she achieved, her father was always ready to cut her down. Even now that she's signed The Four Saints, it's still not good enough. Now, if she can't get them signed under a tighter contract, she'll lose everything. Bart Saint was pure swagger. He had that level of arrogance that couldn't be earned, so only the very few could pull it off. Tall? Sure. Handsome? Oh yeah. But it was something else that made heads turn when he walked into a room. He knew exactly who he was, and that made him invincible. He was manager to his nephews, and he'd be damned if he let Kitty Konstantine put the squeeze to them. Let the battle of wills begin. May the most stubborn negotiator win. For nearly two decades, St. Monica prayed for her wayward son. Years and years of prayers, seemingly unanswered. Countless tears shed with no relief. Yet she would not give up. That very act of persistent prayer blessed the entire Church, for we have all benefited from the conversion of her son, Augustine, who became one of the most revered saints of all time. Parents of any age or at any stage can cultivate the same virtues in prayer that St. Monica discovered during her long wait for God's answer for her child. This devotion includes eighteen contemporary reflections, meditations taken from the writings of St. Augustine, and prayers adapted from the liturgy and other ancient sources. Don't give up. Persistence in prayer can change everything - for you, your children, and maybe even the world. St. Monica and the
