A captivating debut fantasy inspired by the legend of the Chinese moon goddess, Chang'e, in which a young woman's quest to free her mother pits her against the most powerful immortal in the realm and sets her on a dangerous path--where choices come with deadly consequences, and she risks losing more than her heart. Growing up on the moon, Xingyin is accustomed to solitude, unaware that she is being hidden from the powerful Celestial Emperor who exiled her mother for stealing his elixir of immortality. But when Xingyin's magic flares and her existence is discovered, she is forced to flee her home, leaving her mother behind. Alone, untrained, and afraid, she makes her way to the Celestial Kingdom, a land of wonder and secrets. Disguising her identity, she seizes an opportunity to learn alongside the Crown Prince, mastering archery and magic, even as passion flames between her and the emperor's son. To save her mother, Xingyin embarks on a perilous quest, confronting legendary creatures and vicious enemies across the earth and skies. When treachery looms and forbidden magic threatens the kingdom, however, she must challenge the ruthless Celestial Emperor for her dream--striking a dangerous bargain in which she is torn between losing all she loves or plunging the realm into chaos. Daughter of the Moon Goddess begins an enchanting, romantic duology which weaves ancient Chinese mythology into a sweeping adventure of immortals and magic, of loss and sacrifice--where love vies with honor, dreams are fraught with betrayal, and hope emerges triumphant.

not be missed. Celeste has spent the last four years building a life outside of angelic guilds-parties, check-pursuing human ambitions instead of celestial ones-college, check-and shedding feathers across Parisian cobblestones and more recently New York sidewalks-speaking her mind, always check. She swore off angels, but the death of the woman who took her in the night Leigh died brings them soaring back into her life . . . and not just any angel but the most detestable one, the one complicit in Leigh's death-Seraph Asher. Although Celeste tells the archangel to feather off, the unreasonably pretty and obstinate man doesn't leave her alone. He returns and insists she complete her wings. When she asks him for one good reason to do so, he gives her an unbeatable one: what he did with Leigh's soul. Asher never meant to share his damning secret, but he knows it's the only way to save Celeste-the rebellious Fletching he can't get out of his head . . . or heart.

Kay and Ada achieved the impossible and defeated the StoneKing, but only they know about the terrible dangers beyond the Alliance's borders — and within them. All Kay wanted was to escape the shadow of his father, Lawrence Walker, the former council member responsible for dooming Ada's homeworld to destruction. Now Walker is back, his plans more ruthless than ever, and the world he left behind might be the final catalyst for a cross-world war. Kay and Ada race against the clock to stop Walker and save a world from the deadly trap that cost Kay's mother her life. With the Alliance turning on itself and Ada's homeworld threatening war, Kay and Ada must overcome their most dangerous adversary yet before it tears the Multiverse apart.

of the gravitational pull of secrets" (The New York Times Book Review). In the village of al-Awafi in Oman, we encounter three sisters: Mayya, who marries after a heartbreak; Asma, who marries from a sense of duty; and Khawla, who chooses to refuse all offers and await a reunion with the man she loves, who has emigrated to Canada. These three women and their families, their losses and loves, unspool beautifully against a backdrop of a rapidly changing Oman, a country evolving from a traditional, slave-owning society into its complex present. Through the sisters, we glimpse a society in all its degrees, from the very poorest of the local slave families to those making money through the advent of new wealth. The first novel originally written in Arabic to ever win the Man Booker International Prize, and the first book by a female Omani author to be translated into English, *Celestial Bodies* marks the arrival in the United States of a major international writer.

This book presents twenty chapters by experts in their fields, providing a thorough and interdisciplinary overview of the theory and practice of magic in the West. Its chronological scope extends from the Ancient Near East to twenty-first-century North America; its objects of analysis range from Persian curse tablets to US neo-paganism. For comparative purposes, the volume includes chapters on developments in the Jewish and Muslim worlds, evaluated not simply for what they contributed at various points to European notions of magic, but also as models of alternative development in ancient Mediterranean legacy. Similarly, the volume highlights the transformative and challenging encounters of Europeans with non-Europeans, regarding the practice of magic in both early modern colonization and more recent decolonization.

I'm Ivy Lane, and if I never see another faerie again, it'll be too soon. Twenty years after the faeries came and destroyed the world as we knew it, I use my specialist skills to keep rogue faeries in line and ensure humans and their magically gifted neighbours can coexist (relatively) peacefully. Nobody knows those skills came from the darkest corner of Faerie itself. When a human child disappears, replaced with a faerie changeling, I have to choose between taking the safe road or exposing my own history with the faeries to the seductively dangerous head of the Mage Lords. He's the exact kind of distraction I don't need, but it's work with him or lose my chance to save the victims. It'll take all my skills to catch the kidnapers and stop Faerie's dark denizens overrunning the city - but if the faerie lords find out about the magic I stole last time I went into their realm, running won't save me this time... Ada is gone, taken by a group of magic-resistant warriors with a grudge against the Alliance. Kay is stranded on Earth, with no way to reach her. But he won't accept that Ada is lost. Ada refuses to resign herself to her fate as a weapon of the Stoneskins. Tapping into her own magic might be her key to

escape, but now she's in an unknown world, far beyond the reach of the Alliance. And the terrifying StoneKing has his eye on her -- and her magic -- for reasons she never could have seen coming. Kay puts his job, and his life, on the line to get to Ada. But with powers shifting inside and outside the Alliance and an old enemy waiting in the shadows, the countdown to war has begun... and Ada is right at the centre. Some problems can't be solved with the roll of a die...After a major betrayal shook up my life, I'm attempting to lie low. Naturally, that's when the King of the Dead decides to show up on my doorstep again. Seems His Deathly Highness needs a new Elemental Soldier, and he wants to hire me as his security guard to stop anyone from sabotaging the contest. Since the Order has been ghosting me ever since I accidentally blew up a vampire's house, I could use the cash -- even if it involves dealing with hot-tempered fire mages. Problem is, everyone in the Court of the Dead has their own agenda. And with an upcoming school reunion threatening to drag up dangerous memories of my lessons in spirit magic, I find myself at a crossroads in my life, in more ways than one. In the Parallel, not everything stays buried for long, and if I'm not careful, the Court of the Dead's many secrets will spell my own end.

The end is here for Devi Lawson... Devi may have killed the arch-demon Lythocrax, but in the process, something much worse has been unleashed. The Divine Agents, rogue angels, have given Devi an ultimatum: join them, or watch Earth crumble to ashes. Preparing for war would be difficult enough without the nether realms getting involved, but two demonic overlords would like a piece of Devi, too. Meanwhile, her warlock partner Nikolas fights a battle of his own, for leadership over Earth's warlocks. And in the background, an old enemy might not be as dead as Devi thinks. The celestials want her as their saviour. The demons want her dead. The

rebel angels want the worlds to burn. And to save the ones she loves, Devi must make an impossible choice...

The netherworld is far from done with Devi Lawson... Now the celestials are set on eradicating anyone who carries the demonic virus, Devi finds herself a fugitive. Joining with the demons is the easy way out, but that would mean giving up her home to the denizens of the infernal realms. With everyone in the netherworld queuing to stake a claim on her, she's not all that keen on handing Earth over to them, too. But now her demon mark is taking on a life of its own, she might not have a choice in the matter. The shadow of war descends, and Devi must find a way to protect the people she loves, without losing her humanity in the process...

A reckoning is coming for Devi Lawson... Settling into her new role as the first celestial with demon magic, Devi faces an unwelcome surprise when the shadow arch-demon abruptly returns to the nether realms. The forces of hell are moving, and they don't want a human running around with their power. The problem is, it's getting a bit much for Devi, too. When dead warlocks start showing up with the celestials' mark on their bodies, tensions between the celestials and demons reach a tipping point. Devi's relationship with the arch-demon's son, Nikolas, is just fuel on the fire. The arch-demons are gearing up for an epic showdown. And this time, humanity might not survive it...

After pissing off the head of the supernatural lab, failing at befriending my fellow inmates, and pitching a temper tantrum in the underground cafeteria, it was only a matter of time before I had to do something about this whole captivity thing. For me, Cassandra Thorn, being born as a human, raised by an elite group of supernaturals, and struggling to reach my twentieth birthday was far more fun than this. Then again, anything would be. In this case, "this" refers to being taken against my will--kidnapped--and trapped in an underground lab for supernatural shifters. Pretty ridiculous, considering I was a mere mortal. Or so I was told. Turns out there are a lot of things I was told, not all of them true. Now a family secret has been revealed and destiny is just waiting for me to fulfill it...but I was stuck in Prison Boringville with a bunch of not-so-friendly detainees. Being a supernatural inmate isn't my style, so with the very new powers bestowed upon me, I was getting my booty out of this hellhole. Unless Adonis the sexy incubus, Dominick the deadly fae master, Otis the death-seeking vampire, and Tristan the sly shapeshifter bust me out first. *Supernatural Inmate* is the first book in the *Supernatural Captivity* series, a Paranormal Prison Romance.

- Three hardcover volumes in slipcase
- Corrects the many mistranslations, copyist mistakes, and errors introduced from other editions, drawing on new research and access to Agrippa's source texts
- Restores all of Agrippa's original illustrations
- Presents a nearly complete bibliography of Agrippa's primary sources

One of the most important texts in the Western magical tradition for nearly 500 years, Heinrich Cornelius Agrippa's 1533 work *Three Books of Occult Philosophy* collates a multitude of sources from the Classical, Medieval, and Renaissance periods and organizes them into a coherent explanation of the magical world. Divided into three parts--the natural world, the celestial world, and the divine world--the book systematically explains the philosophy, logic, and methods of magic and astrology and how they work. The basis for 19th-century magical orders such as the Golden Dawn and a primary source for countless books on magical uses of stones, herbs, incense, and astrology, Agrippa's many lists and diagrams have proven invaluable to magicians since the 16th century. Yet, until now, all English editions of Agrippa's *Three Books* were based on the same flawed 1651 translation from the mysterious "J.F." In this new translation from the original 1533 Latin edition, Eric Purdue corrects the many mistranslations, copyist mistakes, and errors introduced from other editions as well as restores all of Agrippa's original illustrations. Purdue notates every correction and offers commentary, drawing on major developments in the research of older magical and astrological texts. He also presents a nearly complete bibliography of Agrippa's primary sources,

revealing Agrippa as a mainstream scholar of his day. Presenting the first new English translation of Three Books of Occult Philosophy in more than 350 years, this three-volume hardcover boxed set repairs the gaps in knowledge pervasive in the original translation and restores the magical spirit of Agrippa's masterpiece, allowing us to hear Agrippa speak again.

The stakes are higher than ever for Devi Lawson. Former celestial soldier Devi Lawson is now working for the warlocks, but the fragile peace between the celestials and the preternaturally gifted rests on a knife's edge. When a mysterious demonic virus sweeps across the city, turning vampires and celestials alike into bloodthirsty killers, it's up to Devi to work with the enigmatic and dangerous warlock Nikolas to discover the cause before the city is overrun. But with power forces shifting in the demonic realms and the shadows of old enemies pursuing them, it becomes clear that everyone is keeping secrets, none more so than Nikolas himself. To survive and protect those she cares about, Devi must embrace her terrifying new demonic powers, at the risk of losing her soul to the netherworld...

celebration and renewal, but this year it coincides with a solar eclipse, a rare celestial even proscribed by the Sun Priest as an unbalancing of the world. Meanwhile, a ship launches from a distant city bound for Tova and set to arrive on the solstice. The captain of the ship, Xiala, is a disgraced Teek whose song can calm the waters around her as easily as it can warp a man's mind. Her ship carries one passenger. Described as harmless, the passenger, Serapio is a young man, blind, scarred, and cloaked in destiny. As Xiala well knows, when a man is described as harmless, he usually ends up being a villain. Crafted with unforgettable characters, Rebecca Roanhorse has created a "brilliant world that shows the full panoply of human grace and depravity" (Ken Liu, award-winning author of *The Grace of Kings*). Brielle Atwater isn't sure of much, but she knows a few things: 1. Having black wings is not normal. 2. Selling her soul to the demons was a mistake. 3. Lincoln Grey is the biggest jerk she's ever met ... but not falling in love with him might prove impossible. When angels fell from the sky to war with the demons that ravaged Earth, their combined powers infected humanity. Now, the humans are assigned one of two fates, being either demon gifted or angel blessed. After wings sprout from Brielle's back at her awakening ceremony, she's sure she's an angel blessed celestial. It's not until she sees black wings that she realizes something is terribly wrong. Having sold her contract at a young age to save her father's life means she should be bound for Tainted Academy. That is, until a fallen angel unexpectedly fights for her to be accepted into Fallen Academy, the elite school for those that inhabit Angel City. She's immediately matched with her impossibly handsome celestial teacher, Lincoln Grey. Laying eyes on him, her first thought is that her time at the academy might actually be fun, but this theory quickly fades when she and Lincoln clash on day one. To further prove her admission into Fallen Academy is cursed, the entire school is thrown into chaos when an Abrus demon reveals that he knows Brielle's secret.

With the sexy and arrogant Mage Lord pressuring me to join his team and a dark movement in the magical underworld threatening to ignite a war between the half-faeries and other supernaturals, I have my work cut out. Especially when a serum that's deadly to half-faeries finds its way onto the market, luring in its victims with the promise of immortality. To find the source of the lies, I have to go undercover to a dangerous magical contest where half-faeries compete for glory. Problem is, to get in, I have to pretend to be one of them. Navigating my way between half-faeries who want my head on a platter and the Mage Lord who wants, well, me, is tricky enough. But then I learn something about my own magic that changes the playing field. If I don't come out on top, a second faerie apocalypse is on the horizon.
