Prentice Hall Mathematics offers comprehensive math content coverage, introduces basic mathematics concepts and skills, and provides numerous opportunities to access basic skills along with abundant remediation and intervention activities.

Scientifically research-based program supports state standards in literacy, science, mathematics, social studies, art and music to prepare children for Kindergarten. Teacher's Guides help build and assess children's cognitive skills, alphabet knowledge, and social-emotional development. Interactive charts with songs and activities inspire class discussion and build oral vocabulary. Big Books, Trade Books, and Little Books provide shared reading experiences and develop children's concepts of print.

Common Core Science 4 Today: Daily Skill Practice provides the perfect standards-based activities for each day of the week. Reinforce science topics and the math and language arts Common Core State Standards all year long in only 10 minutes a day! Weeks are separated by science topic so they may be completed in the order that best complements your science curriculum. Review essential skills during a four-day period and assess on the fifth day for easy progress monitoring. Common Core Science 4 Today series for kindergarten through fifth grade covers 40 weeks of science topics with engaging, cross-curricular activities. Common Core Science 4 Today includes a Common Core Standards Alignment Matrix, and shows the standards covered on the assessment for the week for easy planning and documentation. Common Core Science 4 Today will make integrating science practice into daily classroom instruction a breeze!
