unique biochemistry. Internationally known authors Joseph Pizzorno and Michael Murray include detailed pharmacologic information on herbs and supplements, plus evidence-based coverage of diseases and conditions to help you make accurate diagnoses and provide effective therapy.

Comprehensive, unique coverage makes this book the gold standard in natural medicine. A scientific presentation includes the science behind concepts and treatments, and discusses Western medical treatments and how they can work with natural medicine in a comprehensive treatment plan; if natural medicine is not effective, this book recommends the Western treatment. Coverage of pharmacology of natural medicines includes the uses and potential dangers of nearly 80 herbal medicines, special nutrients, and other natural agents, addressing topics such as general information, chemical composition, history, pharmacology, clinical applications dosage, and toxicology. In-depth, evidence-based coverage of 73 diseases and conditions includes key diagnostic criteria, pathophysiology of diseases, and therapeutic rationales. Coverage of potential interactions between drugs, herbs, and supplements ensures the safest possible use for each of 79 herbs and supplements. Diagnostic procedures include practical, easy-to-follow descriptions of evidence-based techniques plus discussions of clinical

application of diet analysis, food allergy testing, immune function assessment, fatty acid profiling, hair mineral analysis, and other diagnostic approaches. Common therapeutic modalities are described and reviewed, including botanical medicine, nutritional therapy, therapeutic fasting, exercise therapy, hydrotherapy, counseling, acupuncture, homeopathy, and soft tissue manipulation. Coverage of syndromes and therapies helps in understanding the underlying causes of diseases by discussing topics such as food reactions, functional toxicology, sports nutrition, stress management, and breathing pattern disorders. Coverage of the philosophy of natural medicine includes its history and background, with discussions of toxicity, detoxification, and scientific documentation of the healing actions of nature and natural substances. Internationally known authors Joseph Pizzorno and Michael Murray and more than 90 expert contributors provide material that is up to date, accurate, and informed. More than 10,000 research literature citations show that the content is based on science rather than opinions or anecdotes. 13 useful appendices offer quick lookup of frequently used charts, handouts, and information. New chapters are included on hot topics such as female infertility, medicinal mushrooms, natural products and quality control, pregnancy health and primary prevention, and Vitamin K; new appendices include

you couldn't possibly be harboring any toxins in your body--think again. In today's world, there are poisons and pathogens that threaten our health starting before we're even born, and they continue to hold us back as we encounter them in our everyday life. Cleansing is a vital tool for fighting against these burdens--as long as you go about it the right way. That's why you need this book. Anthony William, the Medical Medium, has placed a vast wealth of insight and information into a one-stop resource for cleansing of all kinds, starting with his acclaimed nine-day 3:6:9 Cleanse and expanding into life-saving protocols for specific health needs--including an anti-bug cleanse, a morning cleanse, and a heavy metal detox. You'll discover:

- How to choose the cleanse that's right for you
- A deep dive into the causes of your symptoms and conditions
- Critical cleanse dos and don'ts, including modifications and substitutions
- The truth about trendy topics such as intermittent fasting and the microbiome
- A guide to supplements you may choose to add to your cleanse
- The physical reasons why cleansing can be an emotional experience
- More than 75 recipes and sample menus to get you through your Medical Medium cleanse
- Spiritual and soul support to remind you that healing is possible

"The cleanses in this book speak to what's truly going wrong inside of our bodies that no trendy lifestyle approach can ever address," Anthony writes. "Have compassion for yourself and know that your suffering is not your fault. Your struggles are not your fault. You're accomplishing great things every single hour and day as you work on your healing process with the powerful tools in this book. I believe you can heal."
