Fly! is an imprint of Abdo Zoom, a division of ABDO.

"It's game on for even the youngest gamers who love Super Mario when they meet Mario, Luigi, Princess Peach, and all their friends from the Mushroom Kingdom"--Publisher marketing. From one of China's most acclaimed and decorated writers comes a powerful first-person account of life in Wuhan during the COVID-19 outbreak. On January 25, 2020, after the central government imposed a lockdown in Wuhan, acclaimed Chinese writer Fang Fang began publishing an online diary. In the days and weeks that followed, Fang Fang's nightly postings gave voice to the fears, frustrations, anger, and hope of millions of her fellow citizens, reflecting on the psychological impact of forced isolation, the role of the internet as both community lifeline and source of misinformation, and most tragically, the lives of neighbors and friends taken by the deadly virus. A fascinating eyewitness account of events as they unfold, Wuhan Diary captures the challenges of daily life and the changing moods and emotions of being quarantined without reliable information. Fang Fang finds solace in small domestic comforts and is inspired by the courage of friends, health professionals and volunteers, as well as the resilience and perseverance of Wuhan's nine million residents. But, by claiming the writer's duty to record she also speaks out against social injustice, abuse of power, and other problems which impeded the response to the epidemic and gets herself embroiled in online controversies because of it. As Fang Fang documents the beginning of the global health crisis in real time, we are able to identify patterns and mistakes that many of the countries dealing with the novel coronavirus have later repeated. She reminds us that, in the face of the new virus, the plight of the citizens of Wuhan is also that of citizens everywhere. As Fang Fang writes: "The virus is the common enemy of humankind; that is a lesson for all humanity. The only way we can conquer this virus and free ourselves from its grip is for all members of humankind to work together." Blending the intimate and the epic, the profound and the quotidian, Wuhan Diary is a remarkable record of an extraordinary time.

The game is on! Get your hands on this book about one of the most influential companies in the video game industry. Founded in 1889, Nintendo started out as a small playing card company in Japan. Though the cards sold well, Nintendo really became popular when it began creating toys in the 1960s, and then became internationally renowned after developing video games and consoles in the 1970s and '80s. After introducing the world to some of the best-known and top-selling video game franchises of all-time, such as Super Mario Bros., The Legend of Zelda, Animal Crossing, and Pokémon, it's clear to see why Nintendo is beloved by parents as a company that creates nonviolent, family-friendly entertainment for kids. With fun black-and-white illustrations and an engaging 16-page photo insert, readers will be excited to read this latest addition to Who HQ!

Diary Of A Wimpy Luigi is a definite must-read for any Mario or Nintendo fan

The definitive story of the rise of Nintendo. In 1981, Nintendo of America was a one-year-old business already on the brink of failure. Its president, Mino Arakawa, was stuck with two thousand unsold arcade cabinets for a dud of a game (Radar Scope). So he hatched a plan. Back in Japan, a boyish, shaggy-haired staff artist named Shigeru Miyamoto designed a new game for the unsold cabinets featuring an angry gorilla and a small jumping man. Donkey Kong brought in \$180 million in its first year alone and launched the career of a short, chubby plumber named Mario. Since then, Mario has starred in over two hundred games, generating profits in the billions. He is more recognizable than Mickey Mouse, yet he's little more than a mustache in bib overalls. How did a mere smear of pixels gain such huge popularity? Super Mario tells the story behind the Nintendo games millions of us grew up with, explaining how a Japanese trading card company rose to dominate the fiercely competitive video-game industry.

The Complete Book of Mario celebrates Nintendo's greatest star from Super Mario Bros to Super Mario Odyssey and every aspect of the popular character.
