I died of violence, and I was born of violence...It's a strange thing to live again. My memories of before are nothing but shadows, like me. And yet, I've done what no Shade before me has done, I've severed my bond to the Underworld. As Cerberus told me to do. She said it was the only way I would be free. She didn't tell me what to do with my freedom. They say I'm a monster. Meant to obey. Meant to bow down to Hades. But when a coven of vampires gives me a purpose, I finally feel less lost. Yet when they take a handsome gargoyle prisoner and give him to me as a gift, my life becomes more complicated. Four handsome gargoyles need my help to survive against the vampires. But should I believe their honeyed kisses and soft touches? Or does everyone in this new world simply seek to use me for my gifts? The Underworld was filled with danger, but earth has secrets, secrets that just might get me killed. SHADE'S SECRET is a steamy reverse harem romance. It involves one lucky woman and three sexy gargoyles. It's also a #whychoose romance, meaning the heroine doesn't have to choose between her love interests

When The World Ended The world outside the cities went to hell a long time ago. When pollution got so bad it burned away the ozone layer, humans built protective domes in order to survive. Now, between the radiated air and the fighting among dragons and phoenixes, it's not safe to go outside. I'm a transporter. Self employed in a dangerous world, delivering valuable goods from client to recipient. But I never take on the more lucrative dome to dome jobs. When someone breaks into my apartment looking to hire me, I refuse flat out. One, I don't like being forced. Two, the job requires leaving the dome. Three, the package is a sun-sick kid. Half-human, half-phoenix and I'm supposed to take him back to his phoenix family. Oh hell no! But the client reveals he knows my secret, blackmailing me into a job I don't want with stakes that grow higher each day. I have to take the kid straight through the Dragon Lord's territory.

Everyone knows that's suicide. Coming face to face with the dominant, sexy Dragon Lord reveals the truth about my heritage and puts me in more danger than I knew existed. My strange life as a scientific researcher is ripped apart the day blood-thirsty pirates attack our space ship. In the confusion, the ship is thrown off course. We crash land on a planet that can barely support life. Yeah...things are going swell. I've escaped the pirates, at least. But when Ladon, a powerful Zmaj warrior, rescues me from the scorching desert wasteland, I soon learn I have bigger problems. This planet is home to a dragon-alien...and he has eyes set on me. Ladon takes me to his lair, where it soon becomes clear I'm not just a prisoner. I'm his mate. In love with my curves and my soft, human form, he declares he intends to keep me and claim me in every way. And the moment he touches my trembling body, he leaves no doubt... This fierce, protective dragon owns me. Fans of Ruby Dixon and Calista Skye will love Dragon's Baby by USA Today Bestselling Author Miranda Martin, a full length, standalone science fiction romance with a happily ever after, plenty of steam, bloody battles, and alien-human intrigue. Join Callie and her fireman in the explosive and magical complete Firehouse Feline series.

When Callie moves to a new town in pursuit of the truth about the supernatural, the last thing she expected was to find herself entwined with a plot to take over the local coven or to fall for the handsome firemen next door. Even with new allies, bitter enemies, and her faithful cat by her side, does Callie have what it takes to stop the King's evil plot? The Firehouse Feline Complete Series includes Feline The Heat, Feline The Flames, Feline The Burn, and Feline The Pressure. It is an urban fantasy romance filled with witches, magic, a whychoose romantic sub-plot, and an unpredictable feline.

NOW FREE! Lies aren't her only weapons against the fae... In the Halow system, one of Earth's three sister star systems, tek and magic—humans and fae—are at war. Kesh Lasota is a ghost in the machine. Invisible to tek, she's hired by the criminal underworld to carry illegal messages through the Halow system. But when one of those messages kills its recipient, Kesh

finds herself on the run with a bounty on her head and a quick-witted marshal on her tail. Proving her innocence should be straightforward. Until a warfae steals the evidence she needs. The fae haven't been seen in Halow in over a thousand years. And this one—a brutally efficient killer able to wield tek—should not exist. But neither should Kesh. As Kesh's carefully crafted lie of a life crumbles around her, she knows being invisible is no longer an option. To hunt the warfae, to stop him from destroying a thousand-year fragile peace, she must resurrect the horrors of her past. Kesh Lasota was a ghost. Now she's back, and there's only one thing she knows for certain: Nobody shoots the messenger and gets away with it. The lands to the South are full of depraved women driven mad by forbidden sorcery. Now that sounds like fun for a barbarian from the Black Wolf Clan. The barbarians of the frozen north live to fight, drink, hunt, and screw, and Ymir is a true son of the Ax Tundra, until a demon curses him with magic. Orphaned by battle and banished by his tribe, Ymir heads south to Old Ironbound, a university where the rich and well-connected learn to master magic. Will Ymir's traditions and pride lead him to failure? Or will the centuries of knowledge-and the lusty human, elven, orcish, and dwarven noblewomen-give him limitless power? Either way, while his days are all about studying and scheming, his nights are filled with wild sex in the beds of beautiful women. Because in the lands of the South, there are few men, and those Southern women have needs. Disclaimer: Barbarian Outcast is a steamy slice-of-life harem adventure in a magic university on another world. The sex scenes are explicit but don't get in the way of the story as it slowly unfolds. Enter a brand-new world from Aaron Crash, the bestselling author of the American Dragon series.

A deadly alien arena isn't the place to fall in love... For the last three years, Special Agent Aria Taylor's nights have been filled with images of battling alien beings in a foreign land with purple skies and two suns. She thought they were just strange nightmares, but when a therapist suggests lucid dreaming, she wakes to find herself trapped in an alien arena, forced to fight in gruesome tournaments as one of their gladiators. She needs to escape that place, but if she's going to have any chance of success, she needs help. Hazy memories push her to find two males. She doesn't know their names, or where they're from, but she recognizes them the moment she sees them, and her heart tells her they are hers just as much as she is theirs. Together Aria, Tirox, and Kix fight to free the beings enslaved with them and take down the Overlord, all while trying to understand the soul-deep bond they share. A deadly alien arena isn't the place to fall in love, but Aria isn't sure she can help herself. Aria's Awakening is a full-length SFR novel that was previously published as Taken. It kicks off a brand new series set in the universe of the Chosen Series by Stacy Jones.

Resonance. It's a given on the ice planet, forced upon you by the parasitic symbiont called the 'khui'. With resonance, a guy and a girl are paired up because they'll make great babies. It's a survival mechanism necessary for this sparsely-populated world we're stranded on...and romantic, in a weird, alien way. Everyone expects resonance to happen when twenty newcomers are dropped onto the frosty world. I doubt anyone expects the gorgeous, golden god named Ashtar to resonate to someone like me, though. He's fierce. Flirty. Powerful. Disgustingly handsome. I'm...not any of those things. I'm bland. Boring. Clumsy. But resonance seems to think we'd be great together. And Ashtar does, too...\_\_\_\_\_ The Icehome series features

all of the adventure, humor and community you've come to expect in the Ice Planet Barbarians series, but it stands on its own. You do not need to read the other series (or be caught up) in order to read VERONICA'S DRAGON. I do recommend reading LAUREN'S BARBARIAN to get the full experience. Enjoy!

Battle Mage or Magical Engineer? Easy choice, right? Engineer. Obviously. I'm Charisma Carter, tech genius and nerd extraordinaire. I actually used to be Charisma Silverstorm, member of one of the six elite Arcane Families, until my family shunned me when I turned 18 because my magic wasn't strong enough. However, where I lack in magic I more than make up for with the tech I develop, if I do say so myself. Apparently, I'm not the only one. From the minute I received my diploma as a magical engineer, it seems like my world has turned upside down. Now members of all six families are competing to get me to work for them. They're willing to use anything, from bribes to charm. It's not enough that the heirs to Arcane are walking sex gods, they also have a lot of money and exceptional magical skills. As our paths intertwine, I have to try to stay true to who I am, who I've always been, and not succumb to their charms. But how can a girl resist when the future she always dreamed of is right at her fingertips?

Callie's Check List: 1. Tell the hot firefighters I'm their cat. 2. Stop shifting at the worst possible moments. 3. Survive against the angry witches. 4. Discover the truth about my family. 5. Stay alive Oh, and next time you wake up naked in a fireman's bed, do something about it! Things are heating up, and it's not from the flames. - Feline the Flames is book two of the Firehouse Witches Series, a paranormal reverse harem with a side of laughter and plenty of heat (and it's not just coming from the fire!)

Luke's been kicked in the teeth by fate enough to know: nice guys finish last. He's done being nice and waiting for his due. Finding Bethony, another potential Mate, was supposed to be his chance at a true Mate. However, she's young and afraid and needs time to get to know him first. Bethony has different plans. She's willing to Claim Luke but only to stop her terrifying dreams; she's not interested in love or romance. The closer the pair get to the Compound, the deeper the danger becomes. Luke isn't the only wolf looking for Bethi. He must choose between Bethi's safety and peace of mind or his dream of finding a true Mate.

It was the end of the world as we knew it. The Third Trumpet of the Revelation sounded and the world was ruled by the Shadow. Monsters, demons, undead and worse. Humans have retreated into underground bunkers to survive the Apocalypse. I don't belong anywhere. I've always been the odd girl out. Weird shit has happened around me all my life. You'd think with the world literally gone to hell I'd fit in better but no such luck. I'm still me, still an outcast, and still all alone. Kicked out of the only home I've ever known, the first thing I do is run into four gorgeous men who call themselves mages. Remember the weird shit always happening? It's a fleeting encounter but I just can't stop thinking about them when I get to my new home in the bunker. When Fate doesn't just knock on my door but bursts it open with undead monstrosities, I'm saved by Efram, Rafe, and Nathaniel. A Necroseer, a Demon, and an Angel. Yep, told you shit was weird. They help me escape the fall of the Bunker, and vow themselves as my protectors. I've got a destiny to fulfill. I'm special. More special than I ever thought. So they say. It's hard going from being solitary to having so many people in my life, people I might care about, but then I meet Tynan too. He's dominating. Controlling. Arrogant. Powerful. Attractive, sexy, brooding, an alpha bad boy that makes my heart race. And a

Horseman of the Apocalypse fully under the control of the Shadow. That sucks. They say I'm the one to save the world. That's great, but how? Apocalypse: The Beginning is a slow burn fantasy romance with magic, dragons, demons, angels and one headstrong heroine who has to not only save the world but navigate her way through multiple relationships. It is Book One of The Power of Twelve, a five-book series. Previously unavailable in Kindle Unlimited and published as Divine Gift.

There are two ways of getting home; and one of them is to stay there. The other is to walk round the whole world till we come back to the same place; and I tried to trace such a journey in a story I once wrote. It is, however, a relief to turn from that topic to another story that I never wrote.

Librarian turned Gladiatrix. That's what a female gladiator is called, not a term for a dominatrix in gladiator gear. Bummer right? I wish. I'm Octavia Alexander. A few days ago, I was hiding out under a facade of normalcy, hiding my magic by being as mundane as possible. Every card I touch comes to life between my fingers, a simple deck of playing cards could be a deadly weapon in my hands. Today, I've been recruited to a supernatural tournament of dragons in Ancient Rome, the dragon population is so low they have to recruit other sorts of magical creatures from other realms and times. Now I need to survive eleven battles to the death to earn my freedom against the biggest and baddest monsters from history and mythology. Thankfully, the most dangerous dragons aren't in the arena, they're in my bed. I thought I knew all of their secrets but I was so wrong, their secrets might just get us all killed. \*Do you like edge-of-your-seat action? Heart pounding sexual tension? Inappropriate humor? My husband killed me. Then he screwed his way through the city, the only problem? I didn't stay dead. It seems killing me woke something deep inside, something so dark and buried so deep I never knew it was there. I don't know what I am, I don't really care. All I can think about is revenge, even as the monsters in the dark start to surround me. Their horns and black eyes, mouths filled with fangs claiming I am theirs. My monsters will have to wait, he will regret the day he crossed me. Are you scared of the dark? You should be.\*18+ Reverse Harem Romance. Some call me Djinn. Some call me Genie. Some call me Demon. I only ever get to call them one thing -- Master. Only, this time, it's not one master, it's three. Three beautifully haunted and damaged men, fleeing from the satanic cult that raised them. The apocalypse is coming, horsemen and all. If they don't stop it, their bodies will become nothing more than meat-suits to demons. Princes of Hell that are already seeping into their beings, battling for control. Can I help them? Well, that depends on how nicely they treat me. You see, I'm not a very good genie. I don't like following orders, I'm partial to twisting up my owner's emotions for kicks, and I'm running from my own apocalyptic fate -- an eternity in purgatory for the crime of murdering a previous owner. Oops. They're about to learn that summoning me brings a whole lot of fresh hell with it. If any of us survive this mess, it'll be a miracle. Twisted Ginni is a full-length standalone Why-Choose romance. It contains some dark and graphic content only suitable for mature readers.

Callie's Check List 1. Turn yourself over to a tyrant. 2. Freak out because everyone is mad. 3. Try not to lose your cat. 4. Make the hot firemen yours. 5. Work out how to do magic. I've found everything I searched for. I know the truth—And it is a doozy. Now that my uncle has helped me unlock my powers, I have to officially abdicate my claim to the throne. Except, everyone is so mad at me. They think I should double cross him before he betrays me. All I want to do is keep my cat, keep my guys, and if I can liberate an entire coven in the process,

that would be amazing. - Feline the Burn is book three of the Firehouse Witches Series, a paranormal reverse harem with a side of laughter and plenty of heat (and it's not just coming from the fire!)

We will claim her. She looks at my triad with disgust and hatred. We stare at her with pure hunger. Captured and forced to battle in the blood-soaked arenas of Bugra, my triad will live and die under the scorching sun. The only thing that moves our weary muscles and overcomes the pain of our wounds is the obsession of claiming our fated mate. She is brought to us humiliated and disheveled, and yet still her eyes burn with defiance. We are born to battle. We are born to blood and violence. Aurelians have no master, and when we break our shackles there will be a reckoning. She will be ours, even if I have to level empires and plunge the universe into war. I would kill for her, die for her, even as her hatred burns me to the core. She will be ours. Look inside to preview the book!

Loneliness. That's all Juliet Caris has ever known. Cursed to pass through time, changing centuries without warning, Juliet has lost everything. A piece of her heart has been lost to the men she has left behind at every stop she has made, and finding herself once again alone, she believes she has no parts of herself left to give. Can a handsome stranger bring her back to life and help her get back what she has lost? Or will Juliet disappear again, this time for good? Join Juliet in a journey across the centuries, in a love story that defies time. What if you could live forever? Could you love forever?

One sassy pyromaniac thief, three sexy-as-sin monsters, and a paranormal conspiracy of epic proportions. It was an ordinary job. Another night, another asshole collector of the supernatural. I free some poor little beasties from their cages, pocket a few trinkets to pay my bills, and burn the place down on my way out. Just call me the Robin Hood of monster emancipation. I didn't count on three manly monsters following me home like lost puppies. Stunningly hot lost puppies, but still. Now I've got a seductively cheeky incubus, a sweetly enthusiastic

demon, and a grimly stoic angel camped out in my kitchen. They're determined to repay me for my help, and they won't get out of my apartment until they're satisfied we're even. To be fair, they've got no place else to go. A covert band of hunters captured their boss, and the trail is ice-cold. I'll lend a hand if it means I can send them packing... and when it looks like we're up against the same creeps who murdered the person I loved most, you'd better believe I'm all in. Track down the baddies. Steal back the boss. Don't get killed along the way. Oh, and maybe hook up with a monstrous hottie or two. Piece of cake. I'm so going to regret this. \*Shadow Thief is the first book in a new urban fantasy series from bestselling author Eva Chase. How to be a Firehouse Cat: 1. Wake up naked in a fireman's bed 2. Stare at equally naked firemen 3. Find the local witches 4. Get lots of fuss and attention 5. Don't let them figure out you're the cat And oh, yeah, find the person responsible for your curse and killing your parents. Before they find you. No pressure. I've searched for proof that witches exist all my adult life. When I finally get a lead and position myself to prove the paranormal world is real and right under our noses, enter three gorgeous firemen to derail my investigation. If I didn't know better, I'd think they were purposefully trying to keep me from discovering the world of the witches, vampires, and shifters. As if I could ever believe it didn't exist. I'm a cat, for whisker's sake. - Feline the Heat is book one of the Firehouse Witches Series, a medium-burn paranormal reverse harem with a side of laughter and plenty of heat (and it's not just coming from the fire!)

#1 New York Times bestseller With a new afterword Now a Major Motion Picture Starring Steve Carell \* Timothée Chalamet \* Maura Tierney \* and Amy Ryan “A brilliant, harrowing, heartbreaking, fascinating story, full of beautiful moments and hard-won wisdom. This book will save a lot of lives and heal a lot of hearts.” — Anne Lamott ““When one of us tells the truth, he makes it easier for all of us to open our hearts to our own pain and that of others.’ That’s ultimately what Beautiful Boy is about: truth and healing.” — Mary Pipher, author of Reviving Ophelia What had happened to my beautiful boy? To our family? What did I do wrong? Those are the wrenching questions that haunted David Sheff’s journey through his son Nic’s addiction to drugs and tentative steps toward recovery. Before Nic became addicted to crystal meth, he was a charming boy, joyous and funny, a varsity athlete and honor student adored by his two younger siblings. After meth, he was a trembling wraith who lied, stole, and lived on the streets. David Sheff traces the first warning signs: the denial, the three a.m. phone calls—is it Nic? the police? the hospital? His preoccupation with Nic became an addiction in itself. But as a journalist, he instinctively researched every treatment that might save his son. And he refused to give up on Nic. “Filled with compelling anecdotes and important insights . . . An eye-opening memoir.” — Washington Post

Leprechauns are real, and apparently, jerks who like to play with people's luck... Jaxson and his brothers are finally free from the demon realm. And in order to remain on Earth, all they have to do is keep an eye on one half-breed. A Rogue Hunter who tries to save paranormal creatures from the humans who seek to destroy them. The job should be easy for three demon shifters... right? But when a job goes wrong, and a leprechaun messes with their luck, will they be doomed? Or will they get lucky on their first day back on Earth? **CHOSEN BY DEMONS** is a reverse harem erotic romance involving one lucky woman and three hot demons. Three outlaw Cyborgs. One human female... Axel, Steel and Gage. Merciless supersoldiers. Forbidden cybernetic experiments gone awry. They escaped from their Hurlian programmers and now live hidden in a desolate area of space where few enter and none leave. They crave one female to claim, one who will satisfy all their desires. But Cyborgs are illegal, so finding a mate has proven difficult. Until Megan. As a survivor of horrific abuse at the hands of her alien captors, this tiny female from the original planet is both strong and fierce. Her white-hot desire brings all three men to their knees. They want this female. Forever. But will she choose to live on the bleak edge of space, with three exacting, contraband Cyborgs, who have been stripped of human emotions? Or is their time up? Will the original programmers return for their ultimate weapons, destroying their female and all they've constructed?

A night of drinking and a dangerous blood pact lead the Scott brothers on a mission to discover the impossible... the truth about the Loch Ness Monster. Humans have spent so much searching for signs of the beast of legend, to no avail. But warlocks like the Scott brothers? When they search, they end up dead. But no matter the risk, their blood pact binds them to the lake until they can discover the truth. Luckily for them, a local woman with her own secrets is willing to help them in their search. Only, when they come face-to-face with a creature who demands their blood, will they be able to save themselves and the woman who may be their mate? **CHOSEN BY WARLOCKS** is a reverse harem erotic romance involving one lucky woman and three hot warlocks. ### Dragon Gladiators A Reverse Harem Fantasy Romance

Surrounded by a group of devoted four-footed and two-winged family members, Zak and Killian have built what should have been a dream life in their countryside farmhouse. But a cruel twist of fate and the re-emergence of old demons has frayed the edges of the men's seven-year relationship until just one wrong move could end up severing their bond for good. Seemingly content to walk on eggshells around one another, things come to a head when ER nurse Zak brings his work home with him... literally. After being forced to leave their posh Southern California lives, homeless stepbrothers Liam and Noah are slowly losing themselves to the streets they can't seem to escape. When twenty-one-year-old Liam is beaten up while protecting his younger "brother," the pair find themselves being welcomed into a home where being a stray is considered a good thing. But Liam and nineteen-year-old Noah have learned the hard way that nothing is given for free and there's no such thing as the kindness of strangers. Survival means only counting on and trusting in each other. Will Zak and Killian's offer of a no-strings-attached place to heal end up being more than any of the four men bargained for? Especially when feelings between Liam and Noah begin to crawl to the surface and the truth of what Zak and Killian's relationship has turned into becomes harder to deny? And what happens when lines begin to blur and needs start to change? Will Zak, Killian, Liam, and Noah end up going their separate ways? Or will they learn that love doesn't always come in twos? \*This is a novel about a foursome relationship, not just a story of two separate couples in physical

relationships with one another. Thus, there is no "cheating" in this story. It is a standalone novel. Trigger Warning: The trigger warnings in this book may be considered "spoilerish" so they can be found by using the "Look Inside" feature or by downloading the sample and going to the section entitled "Trigger Warning." With one tournament to the death left to go, our team is working harder than ever to train but with my arm broken and Azar's leg broken we are at a big disadvantage. Training can't keep my mind off of my quest for answer about my strange magic, Nevada is determined to help me uncover answers and help me break into the Ancient Roman library the Atrium Libertatis for answers. Do we dare risk our safety for a few ancient scrolls that may answer all the questions I've ever had about myself? That's right we do! Add in a tougher teams than ever and I'm not sure we're making it out of Ancient Rome alive and in one piece.

\*Dragon Beloved is a complete novel, the third out of five in the Dragon Gladiators series.\*\*This book is 18+\*

Reform or die... it's my only choice... They call me a monster. They say that my bloodlust is too dangerous. That my other form is too powerful. But I can't change what I am. A berserker. A species that has so few females we're more legend than reality. But the day I shifted into my monstrous-form and killed, it didn't matter. Not that I'm rare. Not that the creatures I slaughtered deserved it. Sent to a reform school as a last chance before execution, I now have to survive amongst the worst of my kind. And there's a reason people fear berserkers. A good reason. Not only that, but my rare ability has attracted the attention of a dangerous man who will stop at nothing to have me. Unfortunately for him, three supernaturals have sworn to protect me. The three men might be the key to my survival; they could even be the fated mates that can love me, both sides of me. And yet, even if they can keep me safe from my enemies, they can't keep me safe from myself. If I show my other side again, I'm dead. And the thing is, there's no taming a berserker. UNTAMED: HOUSE OF BERSERKERS is a reverse harem academy romance with a twist! It features brand new characters and takes place in the shared world Wicked Reform School. At this reform school, you'll discover wicked paranormals, wicked punishments, and wicked pleasure, like you've never read before! It does end with a cliffhanger, but you'll love to continue reading about these amazing characters in the House of Berserkers' series.

Hellhounds have feelings too... If Hades thinks he's going to drag me back to the Underworld, he might just learn that this fiery hound is more than just his daughter. Or his pet. Without my leash, this bi\*\*\* has a bite that'll make him piss his godly pants. And maybe just maybe make him rethink that whole chaining me to the Underworld for eternity, decision. I can hope, right? The thing is, I know I'll never actually be free of Hades. No matter how much I try to blend into the human world, a creature as wild and dangerous as me just can't. That means my goal will always be just to stay one step ahead of him. To never get distracted. And never get attached. If I do those things, I might get to remain free. So then I

must be a complete moron, because the second the three men move into the crappy apartment across from mine, I can't seem to stay away from them. It isn't love. Not even like. It's more that they seem wild, untamed, and innocent in an unexpected way-just like me. I've been called every name under the sun, but the one that rings the truest is monster. I am a monster. Dangerous to everyone around me. So even though I can't seem to fight my attraction to three strange men, I will. Because no matter what people call me, I won't drag mortals into a fight among gods and monsters. Only, what if the three men are more than what they seem? And what if Hades isn't the only one hunting me? CERBERUS UNCHAINED is a steamy reverse harem romance. It involves one lucky woman and three sexy gargoyles. It's also a #whychoose romance, meaning the heroine doesn't have to choose between her love interests.

"She is mine to protect, mine to shelter, mine to feed and mine to cover. When she is weak, I shall be her strength. She was stolen from her world by our captors. Now her survival is my responsibility. It is her duty to endure my lust, respect my nest mates and honour our union with offspring. I revere this giver of life, as is the way." ~ Venomous One, formerly of Rök, enslaved gladiator Abducted from Earth and transported to a slave planet in an unknown galaxy, Lumen finds herself, shackled, naked and put on display before an alien horde. Told the males will battle for the right to slake their lusts with her body, she would become the slave of slaves. Venomous One, a proud warrior enslaved, has given up hope of returning to his home world and finding a life mate. When a female is tossed into the arena his soul demands he claim her. Winning his mate by Right of Might, he vows to protect Lumen and be a good provider, no matter how ugly her human appearance. Rescued by Venomous' people, the couple face space pirates, the condemnation of an alien government, galactic war, and a deadlier threat from within the warrior's own kindred.

The stories say that the dragons saved humanity, but all they left were ashes, cinder, and a new breed of human. Welcome to the Outlands, where nobody cares if you scream. Rogue, Fighter, survivor. I have many roles, but my only purpose is to protect my loved ones and make a better life for them. It'll take one more job to make my dream a reality. But fate, the uncooperative bitch, stands ready to twist the knife. Taken by Dragon bloods, the better-looking result of human and dragon unions, I'm caged and forced to fight in the arena for their amusement. They want me to bleed, but I'll be damned if I'll kiss the sand for them. But there is more to the Arena's purpose than meets the eye, and I'm beginning to believe that all the stories I've been told may be nothing more than fiction. With the help of a man with eyes like flame, and his arrogant, incorrigible brother, I may just survive to find out the truth. The Bloods are close to executing an awful plan, and the only way to stop them is to escape. My family wait for me. My dream awaits, and freedom will be mine. A kick-ass fantasy with a slow burn whychoose romance. Fans of Rise of the Iliri and War of the Gods will love The Dragon Guard series.

Callie's Checklist: 1. Stop being distracted by my hot firefighters. 2. Learn my powers before it's too late. 3. Avoid the witches that want me dead. 4. Overthrow my uncle and rule. 5. Keep the people I love safe. Oh, and remember that the whole world is counting on me. That's not a lot of pressure, right? - Feline the Pressure is book four of the Firehouse Witches Series, a paranormal reverse harem with a side of laughter and plenty of heat (and it's not just coming from the fire!)

I thought that losing my magic was the worst thing in the world. I was wrong. Becoming demon touched was far worse. Now, I
