

Fbi Entrance Exam Study Guide

FBI Special Agents are specially trained personnel, chosen from an extensive pool of applicants because they possess specific areas of expertise, including counterterrorism, counterintelligence, and cybercrime. To Be an FBI Special Agent provides all-encompassing coverage of the training process.

Candid photos of the FBI's training school in Quantico, Virginia, give the reader an unprecedented look behind the scenes. For those truly committed to a career with the FBI, this is the book that will show and tell them how to get there. For everybody else, it is the one must-have book on the subject.

The purpose of this preparation guide is to help you prepare to take the Special Agent Entrance Exam (SAEE). This guide will familiarize you with the sections of the SAEE and provide you with sample test questions and explanations for the correct answers to these questions. The preparation guide is organized into three chapters. The first chapter provides an introduction to the test, to include summary information about the five sections of the test. The second chapter provides detailed instructions of each test section and sample test questions with explanations. The final chapter provides information on test preparation including test taking tips.
