The University Grants Commission of India is a statutory body set up by the Government of India in accordance to the UGC Act 1956 under Ministry of Human Resource Development, and is charged with coordination, determination and maintenance of standard of higher education. The National Eligibility Test (NET), also known as UGC NET or NTA-UGC-NET, is the test for determining the eligibility for the post of Assistant Professor and / or Junior Research Fellowship (JRF) award in Indian universities and colleges. This national level entrance exam is conducted twice every year in the month of June and December. Geography Post- Graduates usually opt the UGC NET Geography subject to pursue their

career either as junior research fellows or professors or both. National Testing Agency (NTA) will conduct UGC NET exam for Assistant Professor and for junior research fellowship. The UGC NET test will consist of two papers, paper 1 and 2. Paper 1 remains common for all subjects and consists of questions from research, teaching & General Aptitude on the other hand paper 2 will consist of questions from only Geography subjects.

A selection of annotated references to unclassified reports and journal articles that were introduced into the NASA scientific and technical information system and announced in Scientific and technical aerospace reports (STAR) and International Aerospace Abstracts (IAA)

Vols. 1-20, 24, include a separately paged section: Abstracts of geological and geographical papers published in Japan.

Cambridge IGCSE Geography Revision Guide has been designed specifically to meet the requirements of Cambridge IGCSE Geography syllabus (0460). It has been written to help students prepare for the Cambridge IGCSE Geography examination. The book instills confidence by improving the students' understanding of key concepts and adds focus to their revision.

In this book, originally published in 1985, British and North American geographers present original and challenging viewpoints on the media. The essays deal with a diverse content, ranging from the presentation of news to the nature of television programming and from rock music lyrics to film visions of the city.
