Bored of playing the same old guitar chords? An extensive chord vocabulary combined with an understanding of how they are constructed is going to transform your guitar playing. Say goodbye to boring chord progressions, break out of your beginner mindset and cowboy chord comfort zone to join the world of the guitar pro. Your journey to guitar heaven starts here, with the Guitar Chords Bible! Why do you need to learn more chords? Want to jam with other musicians? Avoid looking like an amateur and stop worrying about your skill set. Expand your chord knowledge and be ready to crush in just about any scenario. Chords will become more than just memorized hand shapes. As guitar players we often get locked into shapes and patterns. While they serve their purpose, they will only take you so far. The Guitar Chord Bible will ultimately teach you more chords, but that's not it. You'll quickly get to a level, where you'll feel confident enough to start creating your own voicings! You'll start to see the fretboard differently. Rapidly, you'll begin to see the relationship between chords and scales. Your solos will improve dramatically as you'll understand the hot notes to play on each passing chord. No more sounding like a beginner! Songwriting will become a breeze. Great songwriting is all about great chords. While you can certainly go a long way with 3 chords, there's a whole new world of textures and emotions to be discovered. Learn new and exciting voicings to add flavour to your progressions. Move away from writing the same old songs. Learn how inversions can add a new dimension to an ordinary song. Unlock the fretboard with the CAGED system. The what system? With the CAGED system you'll learn how to move all those open chords you already know up and down the neck. No need to be stuck on the first fret anymore as you'll be able to map out the entire neck in no time at all. Gain access to a 1053 strong chord dictionary. The Guitar Chords Bible

has one the most complete chord dictionaries around - we named it the chord bible for a reason! With 1053 chords for you to refer to whenever you want, you'll never be stuck for voicings or new chords ever again. Music theory doesn't have to be a drag. The Guitar Chords Bible makes learning theory fun and easy to understand. No more shying away once you know your fretboard like a pro. If you want to progress and become a great guitar player, you'll need to improve your understanding of music, that's what we're playing for after all! Supercharge your Jazz guitar playing Jazz music is chord heaven, just look at any jazz standard. The Guitar Chords Bible will give you all you need to become a real jazz cat. Take control of your guitar playing and empower yourself with the great tools you have at your disposal. "A very comprehensive book containing chords from the beginning stages and beyond. Everything is very well explained with no stone left unturned. I'd highly recommend it to anyone who's starting out with the guitar." -- Nigel Elliott, Guitarist & Tutor (N.Ireland)

Guitar Chords for Beginners contains 65 different chords arranged in easy fingerings. Technique: Fretting hand technique for playing guitar chords is looked at in detail with diagrams. Where necessary, some chords are taught incrementally because taking on only the harder aspects of a chord's fingering first means our hand is freer to adjust. Other chords are shown with different fingerings for you to choose which you prefer. Playing guitar chords may seem like a contortion for the hands of the beginner so there is some basic guidance on stretching to keep the hands flexible. Audio and More: Each guitar chord has a downloadable audio example enabling you to hear if you have played it right, or to hear what you need to work towards. There is an introduction to moveable power chords and barre chords, in which barre chords are shown as easier cut-down versions of full barre chord shapes. At the back of Guitar Chords for Beginners there is a list of suggested songs that contain chords from within the book. Grab a copy today! "I like what's been put together! The information covered in technical issues for beginners especially explaining the difference between chords on piano and guitar is great. I think starting with the small position chords for C and G etc and building up to full position is also really important for beginners. The picture diagrams of hand position is a nifty feature, I know lots of beginners respond more to visuals and will often revert to looking at the hand pictures rather than the chord diagrams. Also think the added audio clips are a great feature so students can compare the sounds of their chords with the audio for reference. There could be a couple of chord progressions at the end of each section (Apart from the song suggestions at the end of the book) and strumming patterns. That would be an added feature that I think could work nicely, although this would make for a larger book and it is only £1.99 for the eBook. Otherwise I think what's been put together is great :)" -- Anthony Bierman, Bmus(Hons) Contemporary/Jazz Guitar (South Africa) "Looks fab. I particularly like the different ways of playing the A chord. The physical warm-up exercises for flexibility are also good. It is good that movable major and minor barre chords are shown as partial versions to make them initially easier, and beginners might find extra interest where near the back of the book easy open versions of other more exotic chords are shown, such as Dm(maj7), the "James Bond" chord." -- Campbell Murray, RGT & MU Registered Tutor (Scotland)

You need only minimal playing skills and three chords-G, C, and D7-to accompany all the great songs in this innovative book. If you are just getting started, or if you are a casual player on a chording instrument, this is the perfect book for you. the book is

absolutely bursting with a great variety of music: Old-time, bluegrass, gospel, Christmas, children's tunes, Stephen Foster, British and Celtic, cowboy, blues, and more. Because melody and lyrics are provided with every song, singers will also enjoy this wonderful collection of the world's favorite songs. Truly a book of outstanding arrangements, made playable for folks who play for their own enjoyment. (Some of these songs, like Dark Hollow and Way Downtown, are hard to find in print.) Guitar, uke, and five-string banjo diagrams are included for the three chords, along with tips on strumming and transposing tips for singers. an invaluable reference book for teachers and pros, too!

The easiest to play and and most accurate chord charts are now in one amazing book! The best songs from one of the most successful Christian worship artist are now easy to play on guitar and include simple chords and rhythm slashes to help you know exactly when to change chords. This songbook is perfect for performing or playing your favorite Chris Tomlin songs with simple chords with easy-to-follow rhythms. Amazing Grace (My Chains Are Gone) Resurrection Power How Great is Our God 10,000 Reasons Everlasting God I will Rise The Wonderful Cross Sing, Sing, Sing Forever We Fall Down I Will Follow God of This City Jesus Loves Me Not to Us At the Cross (Love Ran Red) White Flag God of This City Whom Shall I Fear (God of Angel Armies) Enough Made to Worship Good Good Father Our God Your Grace is Enough Jesus Messiah Here I Am to Worship How Can I Keep from Singing? God's Great Dance Floor Joy to the World (Unspeakable Joy) Home I spent many years searching for the best chord charts while preparing for weekly worship services but I became frustrated with because most charts published seem inaccurate to the real life song (the way that the artist would actually play the song on stage). Also many charts include unnecessary chords that get in the way and make it hard for most musicians to actually sound good playing the song. That is why I have written these simple, accurate, and easy-to-play charts. Using my charts, you can play these great songs with 4-5 simple modern chord shapes on guitar or piano. My simple one-page charts will help you play with ease and

help you put more focus on what really matters... worshiping God! This book has some great features including: -Strum and Play along on guitar or piano with my YouTube videos for every song at www.worshiptheking.com/playandsing -Every song is in the key of G to make it extremely easy to learn and play -Easy slash marks so you know exactly when to switch chords. -NO note reading required. You get the same charts the band uses every week to lead worship! How the book is made: Unlike a traditional songbook, this book contains NO LEAD LINES on the musical staff. This book is made to help you play by chords on guitar and piano with simple slash rhythm marks above the words. The great news is that you don't have to be able to read music to successfully play these songs easily and you never have to turn a page to play the full song! This book can be used for guitar, bass, piano, ukulele or any other rhythm instrument!
