Gives examples of how young readers may channel their anger away from hitting people.

Every parent, caregiver—and toddler—knows the misery that comes with meltdowns and temper tantrums. Through rhythmic text and warm illustrations, this gentle, reassuring book offers toddlers simple tools to release strong feelings, express them, and calm themselves down. Children learn to use their calm-down place—a quiet space where they can cry, ask for a hug, sing to themselves, be rocked in a grown-up's arms, talk about feelings, and breathe: “One, two, three . . . I'm calm as can be. I'm taking care of me.” After a break, toddlers will feel like new—and adults will, too. Books include tips for parents and caregivers.

As parents and teachers know, yelling comes naturally to children. This friendly, encouraging book, geared to preschool and primary children, introduces and reinforces where and when to use an “indoor voice” or an “outdoor voice.” In classic Best Behavior style the author tells young readers, “Your voice is a powerful tool. How you use it is up to you.”

Vivid illustrations show the times and places for an indoor voice, the ways people ask us to quiet our voices, and times when yelling might occur. “What happens if you're mad or frustrated or really, really excited? Your voice gets louder and LOUDER.” But yelling hurts people's ears and feelings.

Children learn that they can quiet their voice and use their words to talk about a problem. “Think before you yell, and use your words well!” Includes a special section for parents and caregivers with activities and discussion starters. The Best Behavior series uses simple words and delightful full-color illustrations to guide children to choose peaceful,

more distant seem its ideals, and when Boxer the workhorse is betrayed, the horrifying extent of the pigs' corruption is revealed. Orwell's 'fairy story', a scathing satire of Soviet communism, is as potent now as it was in 1945. Animal Farm is one of literature's most electrifying examinations of power and corruption. George Orwell, born Eric Arthur Blair (1903 - 1950) was a teacher, novelist and journalist. He also served his country, including in the Home Guard during the Second World War. He later became the literary editor of the Tribune and wrote for the Observer and Manchester Evening News. The author of nine books, Orwell is best known for the allegorical Animal Farm (1945) and dystopian satire Nineteen Eighty-Four (1949). They have gone on to become two of the most influential books of the twentieth century. 'A wise, compassionate, and illuminating fable.' New York Times 'There are no replacements for George Orwell, just as there are no replacements for a Bernard Shaw or a Mark Twain...he pricked, provoked and badgered lazy minds, delighted those who enjoyed watching an original intelligence at work.' Time 'A book for everyone and Everyman, its brightness undimmed after fifty years.' Ruth Rendell 'Timeless, even transcendent.' Christopher Hitchens 'Absolutely first rate.' New Yorker
