It is 1979 and a teenage girl is charmed by a man she meets in a disco. Before long, like Alice through the looking glass, she tumbles into a world of strange and frightening characters. Desperate to escape, she takes us into the darkness and out again, delivering her tale with wit, warmth and furious zest. 'Memoirs of a Suburban Girl' is the cautionary tale of an everyday girl who makes a wrong turn.

often cautionary, about the dangers of the world outside the walls of their small apartment. Eva and Ava, now middle-aged, still wait for their mother's stories with a combination of excitement and suspicion, knowing that there is much they haven't been told. They are particularly mistrustful of Bernice's warnings of the dangers of the opposite sex, and want to know more about the story of their own origins. As loving as she is loud and as full of secrets as she is of stories, Bernice is the centre of the universe for Eva and Ava, even as they yearn for freedom and experiences of their own. When Bernice notices two new neighbours in their building, she is inspired to tell a new story. And so begins the saga of Violet and Rose. Bernice believes that these two women were born at the exact same moment, hemispheres apart, and that they share the same soul. Like Eva and Ava, the reader is swept along in the wake of Bernice's stories, not knowing what is real and what is fantasy, but believing none the less.
