This mileage log is ideal for anyone who needs to track their vehicle/gas usage for tax reporting purposes. Both businesses and individuals will benefit from this simple record

book. Get this log book, a perfect tool to help you keep track of your mileage, trip purpose and expenses. A well-maintained vehicle mileage log will save you a lot of headache at tax time.

What will you do if your child gets sad and upset because you won't buy him a new toy? How can you teach him to be thankful for what he already has? In this story, Grandma teaches her grandson how to cope with unfulfilled desire by making a gratitude jar into which to put reminders each night of everything good that has happened during the day. With gentle verses, this book will teach your child to be grateful for what he has, appreciate the warmth of home, and family relationships. This story is intended for bedtime reading to focus the child on positive memories, but also to give the child ideas for DIY projects."My mother hugged me once I was done," "And -I- am grateful to have such a wonderful son." Then we sat down to eat dinner, prepared by my mother. Each happy and grateful to have each other." This book includes a few Minute Gratitude Journal pages that also offer examples of gratitude in case your child is too young to write down his notes. It is a Mindful guide that will give you ideas for making and decorating a Thanksgiving jar. It will show you how to fill it with notes, and help your child understand what the real values are. Each page of this children's happiness notebook provides reasons why your child should be thankful. Playful

mindfulness activities will help your child express his creativity and ingenuity. With this book, parents and children will spend quality time sharing thoughts, feelings, and dreams. This story contains warm and light rhymes that children will remember easily and repeat over and over again. My attitude of gratitude is a warm recommendation for all parents who want their child to buy a quality and educational Thanksgiving, Birthday or New Year gift to your nephew, niece, daughter or son. Buy this book and start making a gratitude jar with your child.

A one-of-a-kind collection of rare writings from one of the world's foremost spiritual leaders and thinkers. For the first time, the three hard-to-get volumes known as The Ernest Holmes Papers will be published in one volume. Transcripts of talks that Ernest Holmes gave over his career, The Ernest Holmes Papers contains Holmes's wisdom on prayer, life, prosperity, and God. Used by thousands of spiritual students around the world in previous editions, this first-ever omnibus edition will contain a new introduction from Dr. Kenn Gordon, spiritual leader of the Centers for Spiritual Living. The three volumes that are being included in this one volume are The Philosophy of Ernest Holmes, Anatomy of Healing Prayer, and Ideas of Power.

Blakeslee presents a practical program of "attitude jogging" exercises to help readers get out of a rut and get to the things they enjoyed as a child. Line

This If You Think My Attitude Stinks You Should
Smell My Hockey Bag College Ruled Composition
Notebook features 110 pages, 8.5 x 11 inches in
size, and has a hockey themed matte cover.

This book teaches you the right attitudes to have to
overcome the devil. It will teach you how to have
bold, aggressive persistent attitudes. Attitudes that
will not give up or give in spite of what you are
facing. It is a book that teaches the attitudes I used
to recover from a heart attack I had in 2006. It also
teaches the attitudes I used to recover the purpose
the Lord has for my life.

What has your attitude got to do with anything?

Everything! Get Off Your Attitude means to think positive
and take action—talk, believe, act, and think in a positive
manner and change your life! Learn how to: Engage in
positive relationships Passionately pursue your dreams
Live in the now and forgive your past Smile at adversity
Be courageous and have faith Be grateful and give back
Reproduction of the original: Blake's Burden by Harold
Bindloss

Sheena Renee Jackson the high profile attorney is on an
unbelievable journey. The move to Washington DC to
open a new law firm is a simple task compared to the
seven men Sheena meets along the way. It's no doubt
one case Sheena is having trouble winning. It is a matter
of the heart and Sheena finds herself against the odds
as she tries to find true love. Sheena is in a state of
confusion and things change for the worst. Will Sheena

Dimensions: 8.5" x 11".

Books four through six in the Pulitzer Prize–winning series of historical novels about an international spy in the first half of the twentieth century. An ambitious and entertaining mix of history, adventure, and romance, Upton Sinclair’s Pulitzer Prize–winning Lanny Budd novels are a testament to the breathtaking scope of the author’s vision and his singular talents as a storyteller. “Few works of fiction are more fun to read; fewer still make history half as clear, or as human” (Time). In these three novels, as the threat of Nazism grows in the 1930s, Lanny progresses from international art dealer to international spy. *Wide Is the Gate*: When his arms dealer father strikes a business agreement with Hermann Göring, Lanny uses the opportunity and his art world reputation to move easily among the Nazi high command and gather valuable information he can transmit back to those who are dedicated to the destruction of Nazism and Fascism. He’s playing a dangerous—albeit necessary—game, which will carry

him from Germany to Spain on a life-and-death mission on the eve of the Spanish Civil War. The Presidential Agent: In 1937, Lanny's boss from the Paris Peace Conference—now one of Roosevelt's top advisors—connects him to the president. Appointed Presidential Agent 103, he embarks on a secret assignment that takes him back into the Third Reich as the Allied powers prepare to cede Czechoslovakia to Adolf Hitler in a futile attempt to avoid war. But Lanny's motivations are not just political: The woman he loves has fallen into the brutal hands of the Gestapo, and Lanny will risk everything to save her. Dragon Harvest: Lanny has earned the trust of Adolf Hitler and his inner circle, who are convinced the American art dealer is a "true believer" committed to their Fascist cause. But when Roosevelt's secret agent learns of the Führer's plans for conquest, his dire warnings to Neville Chamberlain and other reluctant European leaders fall on deaf ears. The bitter seeds sown decades earlier with the Treaty of Versailles are now bearing fruit, and there will be no stopping the Nazi war machine as it rolls relentlessly on toward Paris. Your attitude makes or breaks you in life. We all have attitudes that are toxic and damaging to our lives, and we all have healthy attitudes that help us to experience life in full. Have you ever wondered what the worst, most toxic attitudes are? Have you ever wondered what the best, most life-enhancing

attitudes are? Wonder no more. This book will help you better understand the good and the bad when it comes to the attitude you carry into each day. Far too often, we focus on changing our circumstances as the best way to improve our lives. While that's all well and good, changing your attitude for the better is far more important than changing your circumstance in life. We don't need an attitude adjustment, we need an attitude overhaul. Read this book—it will help you do just that.

Now available in paperback—with a new preface and interview with Jessica Livingston about Y Combinator! *Founders at Work: Stories of Startups' Early Days* is a collection of interviews with founders of famous technology companies about what happened in the very earliest days. These people are celebrities now. What was it like when they were just a couple friends with an idea? Founders like Steve Wozniak (Apple), Caterina Fake (Flickr), Mitch Kapor (Lotus), Max Levchin (PayPal), and Sabeer Bhatia (Hotmail) tell you in their own words about their surprising and often very funny discoveries as they learned how to build a company. Where did they get the ideas that made them rich? How did they convince investors to back them? What went wrong, and how did they recover? Nearly all technical people have thought of one day starting or working for a startup. For them, this book is the closest you can come to being a fly on the wall at a

successful startup, to learn how it's done. But ultimately these interviews are required reading for anyone who wants to understand business, because startups are business reduced to its essence. The reason their founders become rich is that startups do what businesses do—create value—more intensively than almost any other part of the economy. How? What are the secrets that make successful startups so insanely productive? Read this book, and let the founders themselves tell you.

If you are a Hockey Mom or Dad this hockey journal will ease the pain of trying to remember a year from now all the game details like: what team they played, how many goals they scored and whether they won or not. You can satisfy your kids hockey playing addiction by recording all his statistics in this guided hockey journal. Everything about hockey is expensive except this journal so enjoy the memories it creates and sit back with a smile on your face knowing that when your kid makes the pro leagues, you will have his entire hockey journey recorded. Flexible softcover that has room for 100 games of hockey. Oh and it makes the perfect gift .

• I laughed, I cried, I saw what true strength is. • I give so much to others and through this book I gave so much to myself, Mark Stewart. • One word prevails and that is “STRENGTH”. • An EPIC JOURNEY OF STRENGTH. This book was sponsored by: OMS (ONTARIO MEDICAL SUPPLY)

“He is an independent thinker and I would advise you to read some of his books, particularly *Attitude Is All You Need!* It will help you control your anxiety and overcome other emotional problems”—Albert Ellis, Ph.D. The founder of Rational Emotive Behavior Therapy (REBT), Albert Ellis, was voted the second-most influential psychologist of all time by the American Psychological Association (APA). Dr. Ellis devoted a chapter to *Attitude Is All You Need!* in his book *How to Control Your Anxiety Before It Controls You*. To be concise, the book is about Attitude Power (AP). From reading it, you will discover how to increase your Attitude Power, and how to decrease your attitude weaknesses and deficiencies. Don't you think the time and energy spent on improving your mental health is worth the benefits to your relationships and career? The author discovered the power of a positive attitude! Jeff Keller began an intensive study of personal growth principles. You, too, have the ability to transform your own life and soar to new heights of success and fulfillment.

work, high school, college... It will make a great gift for any special occasion: Christmas, Secret Santa, Birthday...

Successful managers and leaders know that despite what many believe, things don't have to be bigger, faster, and more complicated to succeed. In this practical guidebook for bosses, you'll learn how to incorporate good old-fashioned values and common sense to help employees achieve goals. Examining how successful leaders overcome challenges will give you the knowledge you need to:

- inspire confidence in others by being consistent;
- consider policies before implementing them;
- communicate with employees instead of harassing them;
- promote positive attitudes in the workplace.

The guide is small enough to carry with you and includes space throughout so you can write down what type of leader you want to be, what positive attributes will improve your chances of success, what negative traits are holding you back, and more. As you learn management strategies, you'll be able to reflect back and apply what you've learned to build better relationships with employees and get them excited about achieving business goals. Our world today expects everything to be bigger, longer, faster and more complicated to be successful. We often have the misguided idea that it has to be those things in order to be good. Nothing can be farther from the truth! The problem with this is most people don't have time to "jump through all the hoops" that many professionals expect in order to be seen as "successful". It's time that we got back to some good, old-fashioned values when it comes to supervising other people. A Practical Handbook for the Boss is a short, easy to read handbook that is small enough to carry with you and allows you to be a part of the publication by including your own ideas and successes as an administrator. In other words, it helps you see your own successes and builds on them. Hopefully, it will help you be more sensitive to your employees, more focused on your

goals, happier in your personal life, and be a better boss.

This unique and funny journal notebook makes the perfect present for those hard to buy for people. This 108 page 8.5x11 lined book is as practical as it is cute! The ideal size for journaling, a diary or even to do lists. Makes an excellent gift idea for birthdays, Christmas, coworkers or any special occasion.

Get this amazing composition notebook to write down everything during your classes at middle school, highschool or at college. You'll have 200 college ruled pages with plenty of space. You don't need to stick to the boring comp books which are available everywhere. This book makes a great gift for your children and anyone who is at school. There is a cover panel where you can write the subject, your name and any additional information. size: 7.44" x 9.69" cover: softcover, matte pages: 200 pages Search Our Author Name to find more variants and different interiors.

Change your attitude, change your life. We're very good at explaining why we're unhappy: bad job, bad relationships, bad luck. But there's probably a better reason: bad attitudes. In *Lord, Change My Attitude*, James MacDonald shows us just how much our attitudes affect our lives. One of his bestsellers, this book is classic James: It's clear, it's inspiring, and it packs a punch. Drawing from the experience of the Israelites who grumbled through the wilderness, MacDonald shows how bad attitudes rob us of joy. Coveting, complaining, and being critical are not what our hearts were made for. They were made for thankfulness, contentment, and love. Is your heart straining under the weight of a bad attitude? Don't read this book if you're looking for a quick fix. Don't read this book if you're unwilling to change. Read it if you're ready for a serious, inside-out attitude adjustment. How do you convince someone to agree with you? What

persuasive elements are required to elicit compliance? This interactive, accessible approach looks at principles of persuasion as they apply to everyday lives. Framing persuasion from an intrapersonal and interpersonal perspective captures reader interest and makes the subtlety of social influence understandable. The importance of building and maintaining personal credibility is reinforced throughout the text. Ethical issues are raised as persuasive strategies are discussed. Clear, practical suggestions for effective persuasion are presented in an engaging fashion and encourage the application of meaningful insights for stronger interpersonal relationships. Learning the skills that motivate people to change behavior vastly improves the reader's ability to persuade others effectively. The discussion also facilitates critical thinking for recipients of persuasive messages. Practical Principles of Persuasion is ideal for classroom or online learning because of its concise lessons and interactive approach. The workbook provides a solid foundation for the key concepts and practices of persuasive communication.

The Beatitudes occupy an expansive realm in God's Promised Land, a bountiful spiritual frontier suspended between heaven and earth. Plunge into God's plentiful grace and goodness to explore this marvelous kingdom in his sequenced and purposeful order.
