Transformational Leadership in Banking: Challenges of Governance, Leadership and HR in a Digital and Disruptive World by Anil K. Khandelwal offers a roadmap on leadership which is all about converting adversity into an opportunity for transformation. Through an excellent set of articles, case studies and interviews, this book offers a way forward for transformational leadership of the Indian banks. Despite their many achievements, public sector banks continue to face several challenges, such as increasing non-performing assets, depleting market share and low market capitalization. In the context of competition and digitalization requiring new business models, this book argues for a fundamental shift in the structure and process of governance, including board-level autonomy, CEOs tenure and compensation, people process, talent development and building a leadership pipeline, to make banks resilient, strong and future-proof. A must-read for anyone interested in the health of Indian banking.
