

Jonah Nahum Habakkuk Zephaniah Niv Application Commentary Old Testament

Five: The Solas of the Reformation, by S. D. Ellison, is a primer written to introduce readers to the glorious truths of the Reformation. This book will guide people through the historical and biblical basis for each of the Solas: Sola Gratia (Grace Alone), Sola Fide (Faith Alone), Sola Scriptura (Scripture Alone), Solus Christus (Christ Alone), and Soli Deo Gloria (Glory to God Alone). However, just as importantly, Five: The Solas of the Reformation will show how these great reformational truths can be applied to our own lives.

The prophetic books Jonah, Nahum, Habakkuk, and Zephaniah are brief but powerful. They comfort us with the assurance that, when nothing in this life makes sense, God is still in control. They toughen our faith in the face of the world's ugly realities. And they reveal the complexities of humans in relation to God. Jonah ran from his divine commission. Habakkuk questioned God concerning his ways. Repenting under Jonah's message, the city of Ninevah ultimately backslid and reaped the doom prophesied by Nahum. And Zephaniah's "remnant" depicts a faith that remains faithful. We needn't look too hard to find our own world and concerns mirrored in these books. Exploring the links between the Bible and our own times, James Bruckner shares perspectives on four of the Minor Prophets that reveal their enduring relevance for our twenty-first-century lives. Most Bible commentaries take us on a one-way trip from our world to the world of the Bible. But they leave us there, assuming that we can somehow make the return journey on our own. They focus on the original meaning of the passage but don't discuss its contemporary application. The information they offer is valuable—but the job is only half done! The NIV Application Commentary Series helps bring both halves of the interpretive task together. This unique, award-winning series shows readers how to bring an ancient message into our present-day context. It explains not only what the Bibles meant but also how it speaks powerfully today.

Haddon Robinson's widely used and influential text, *Biblical Preaching*, has influenced generations of students and preachers. In *The Big Idea Companion for Preaching and Teaching*, trusted leading evangelical homiletics, teachers of preaching, and experienced pastors demonstrate that Robinson's "big idea" approach to expository preaching still works in today's diverse cultures and fast-paced world. This accessible resource offers an insider's view on figuring out the big idea of each book of the Bible, helping preachers and teachers check their interpretation of particular biblical books and passages. The contributors offer tips on how to divide each book of the Bible into preaching and teaching passages, guidance on difficult passages and verses, cultural perspectives for faithful application, and suggested resources for interpreting, preaching, and teaching. Pastors, teachers, Bible study leaders, small groups, and college and seminary students and professors will find a wealth of valuable information in this resource.

For centuries, the Bible's dramatic accounts have inspired artists to express the beauty, emphasize the power, and elaborate on the meaning of God's Word. Each elective study in the *Through Artists' Eyes* series is designed to help people connect classic art

to the Bible and then apply the truths discovered to their own lives. In God's Word in Stone you'll experience the artistry of six masterpieces of sculpture while discovering and discussing the scriptural inspiration behind each one. You'll explore the lives of Moses, Habakkuk, Haggai, Mary Magdalene, Paul the apostle, and the apostles. Each of the six sessions includes:

- Selecting the Stone—an introductory, group-building activity that gives members an opportunity to share opinions about the main theme of study
- Roughing out the Image—an examination of the work, life, and thoughts of the artist
- Polishing the Art—a Bible study that places the work of the artist within biblical context
- Displaying the Masterpiece—discussion questions that encourage group members to apply the principles of the study to daily life

Additionally, each study features margin notes, tips for projecting the art, definitions of art terms, and suggested supplemental resources for further exploration.

Scripture, like any performance, aims for transformation of its audience. In this new study Jeanette Mathews demonstrates how literature from the diverse field of performance studies can be applied to the prophetic book of Habakkuk in order to draw out themes and features that are common to both. Mathews offers a fresh new translation of Habakkuk that emphasizes and celebrates its intrinsic dramatic features. This translation provides the "script" for the performance of Habakkuk. The attitudes and actions of the "actors" in the performance become models for their "audience," such that the audience members are drawn into the performance and do not remain impartial spectators. The context of crisis that forms the book's "setting" is of crucial importance, ensuring that genres such as complaint and lament are taken seriously as expressions of faith in the midst of traumatic experience. The open-ended script makes explicit the drama of faithfulness in the midst of cultural trauma and public crises--a faithfulness that is ready to be reenacted in our own settings.

Discover how to live out your unique calling from an unlikely biblical pairing At first glance, Esther and Jonah don't have much in common. Esther is an orphan girl, out of place in royal courts, who nonetheless becomes queen and saves her beloved Jewish people. Jonah is a reluctant prophet who ran as hard as he could from God. And when he finally gave in and his efforts eventually saved his enemies, he did nothing but complain. While Esther and Jonah endured wildly different circumstances and had distinctly singular callings, they were both appointed by God. They were placed in a certain time and space in history. God carried them through unique experiences and gave them specific gifts. Despite their opposite attitudes of willingness, their lives are proof of the great things we can accomplish when we follow God's call. In this nine-week inductive Bible study, Jodie Niznik invites you to learn that you too are uniquely equipped and called by God for a particular assignment in a specific time and place. Now you stand at a crossroads, and the choice is yours. Will you choose to boldly respond like Esther or will you fight your calling like Jonah? With thoughtful questions and practical exercises, Niznik will gently help you examine your life through the lens of Scripture and take brave, bold steps forward into the life you long for!

Tchavdar S. Hadjiev introduces students to the books of Joel, Obadiah, Habakkuk, and Zephaniah (the Minor Prophets) in their original historical contexts and to the issues surrounding their composition and interpretation. Hadjiev pays particular attention to important topics such as eschatology, prophecy and cult, intertextuality, theodicy and the genre of the prophetic book. Readers will come to grips with the key themes of judgment, repentance, and salvation in relation to their historical and canonical contexts. Finally, Hadjiev provides a theological evaluation of the prophetic attitude to foreigners and the vision of their final destruction, which is pervasive in Joel, Obadiah, Habakkuk and Zephaniah, and helps readers to grapple with this theme in a modern context. 'Jonathan Lamb has done an excellent job . . . The message that God is in control and is enough, even in the most difficult circumstances, rings out loud and clear.' Clare Heath-Whyte, author of *First Wives' Club* and *Old Wives' Tales* Who is in control? The sustained threat from rogue states, international terrorism, religious extremists, and moral confusion arising from liberal views of all kinds begs the question: what is happening to our world? Is no-one in control? This is a deep vulnerability that many people express. And not simply in global events. Our own personal world often seems out of control as we reel from suffering, family

tragedies and unanswered prayers. The prophet Habakkuk knew that God was in control but, like us, his personal experience seemed to contradict this and he wrestled with the tension. This book is a dialogue between the prophet and God. Habakkuk confronts God with his confusion and, in doing so, he expresses the voice of the godly in Judah and he speaks for us. We join in the journey from 'why?' to worship.

The sixteen Old Testament prophets preached God's Word, including both promises and judgment warnings to Israel and Judah, between about 760 BC and 460 BC - a period of great change for God's people. The prophets spoke into the situation - explaining persuasively why the people were living such hard lives in foreign exile, but they also prophesied how God would eventually undo it and redeem his wayward people by grace via a new covenant. Acclaimed British actor David Suchet brings his deep, melodic and un-rushed voice to this beautiful and profound section of the Bible. This eBook contains the following books of the Bible: Ezekiel, Daniel, Hosea, Joel, Amos, Obadiah, Jonah, Micah, Nahum, Habakkuk, Zephaniah, Haggai, Zechariah and Malachi using the New International Version 2011 translation. It has an incredibly simple and fast navigation system to help you jump between Bible passages seamlessly and also includes helpful summaries of each Bible book and lists of key people and events. The audio is also available separately as an audio digital download.

The NIV Application Commentary Series
The setting: Jerusalem. Recently returned from Babylonian captivity, the Jews are occupied with personal pursuits while the temple of Yahweh lies in ruins. To the prophets Haggai and Zechariah falls the task of calling God's people to their forgotten priority: rebuilding his house. Heeding prophetic admonition, the people overcome the obstacles that face them and prosper in their work—thanks largely to the vision and encouragement of the prophets. The books of Haggai and Zechariah represent a golden period in Old Testament history, but they are often overlooked. Yet these two minor prophets speak a major message to the church today. It is one that calls us, as a community of faith, to the priority of God's house, and inspires us with glimpses of its future glory. Exploring the links between the Bible and our own times, Mark J. Boda shares perspectives on Haggai and Zechariah that reveal their enduring relevance for our twenty-first-century lives. Most Bible commentaries take us on a one-way trip from our world to the world of the Bible. But they leave us there, assuming that we can somehow make the return journey on our own. The NIV Application Commentary Series helps bring both halves of the interpretive task together. This unique, award-winning series shows readers how to bring an ancient message into our present-day context. It explains not only what the Bible meant but also how it speaks powerfully today. "This series promises to become an indispensable tool for every pastor and teacher who seeks to make the Bible's timeless message speak to this generation. Christians sometimes approach the Old Testament with a mixture of awe and bewilderment, knowing that it contains pearls of wisdom, but unsure how to dive for them ... especially when it comes to the Prophets. In *The Message of the Prophets*, author J. Daniel Hays offers a scholarly, yet readable and student-friendly survey of the Old Testament prophetic literature that presents the message of each prophet in its historical and its biblical context and then tracks that message through the New Testament to challenge readers with what it means for them today. Hays focuses on synthesizing the message of the prophets, which enables students to grasp the major contours of the prophetic books clearly and concisely. Hundreds of colorful pictures help to illustrate the historical and cultural background of the prophets. After identifying what the message meant for ancient Israel, Hays helps the readers to move toward theological application today, helping readers to gain a better understanding of God and the relationship between God and his people. *The Message of the Prophets* is essential for professors, students, and others seeking to understand the role that the OT prophets play in the Christian faith.

Our culture does not encourage thoughtful reflection on truth. Yet living the gospel in a postmodern culture demands that Christians understand and internalize the truth about God and his plan for the world. Paul's letter to the Romans remains one of the most important expressions of Christian truth ever written. Its message forces us to evaluate who we are, who God is, and what our place in this world ought to be. Going beyond the usual commentary, this volume brings the meaning of Paul's great letter into the twenty-first century. Douglas Moo comments on the text and then explores issues in Paul's culture and in ours that help us understand the ultimate meaning of each paragraph. A final section suggests ways in which the eternal theology of Romans can be understood and lived out in our modern culture.

As more and more Christians are involved in teaching in their churches, there is a need for an accessible, engaging commentary that can enhance their understanding of Scripture and aid their teaching. The Baker Illustrated Bible Commentary is that resource. This nontechnical, section-by-section commentary on the whole Bible provides reliable and readable interpretations of the Scriptures from forty-two leading evangelical scholars. The Baker Illustrated Bible Commentary is a complete revision of the well-known Baker Commentary on the Bible edited by Walter Elwell, now featuring new articles and vibrant full-color images on more than 1,800 pages, complete with photos, maps, and timelines to illustrate the text. This information-packed commentary helps readers gain a deeper understanding of the Bible. Beyond that, it includes practical applications for spiritual and personal guidance, making it invaluable to any believer seeking to get the most out of their Bible study. Pastors and others in teaching ministries looking for a one-volume, evangelical commentary on the Bible will value this resource. These three short prophetic books of the Old Testament each contain a dual message. On one hand are messages of impending judgment---for all peoples on the Day of the Lord, for an enemy of Israel, and for Israel herself. On the other hand are messages of great hope---of the pouring out of God's Spirit, of restoration and renewal, and of a coming Messiah. Placing judgment and hope together in such a manner may seem paradoxical to a contemporary mindset. But the complete message of these prophets gives a fuller picture of God---who despises and rightly judges sin and rebellion, but who also lovingly invites people to return to him so that he might bestow his wonderful grace and blessings. It is a message no less timely today than when these books were first written, and David W. Baker skillfully bridges the centuries in helping believers today understand and apply it. Most Bible commentaries take us on a one-way trip from our world to the world of the Bible. But they leave us there, assuming that we can somehow make the return journey on our own. They focus on the original meaning of the passage but don't discuss its contemporary application. The information they offer is valuable---but the job is only half done! The NIV Application Commentary Series helps bring both halves of the interpretive task together. This unique, award-winning series shows readers how to bring an ancient message into our postmodern context. It explains not only what the Bible meant but also how it speaks powerfully today.

For almost 3000 years the story of Jonah has intrigued, amused, inspired, encouraged, and challenged people of faith. This timeless story about one imperfect, complex man and his difficult relationship with God continues to engage contemporary audiences. Jonah enjoys a unique place in salvation history. His life reprises the actions of key Old Testament figures and also points forward to the New Testament and the coming Messiah. Jonah's story is a beautiful, complex, artfully crafted, work of minimalist literature which speaks a profound and resounding message of grace that still captures the human heart. This book is designed to facilitate a 40 day, shared journey through the book of Jonah. The radical revelation of the book of Jonah is that God's grace is wild. It refuses all human attempts to tame, domesticate, or restrain it. This grace continually bursts forth, in the most unexpected of places, and reaches out to the most unlikely of people.

From Kent M. Keith, the author of the internationally acclaimed *Paradoxical Commandments*, comes a remarkable book about faith. In *Have Faith Anyway*, Keith explores the meaning of his eleventh commandment: The world is full of violence, injustice, starvation, disease, and environmental destruction. Have faith anyway. Like the other paradoxical commandments, this one focuses on the fundamental values we have in common as human beings.

Throughout ages the prophetic literature of the Old Testament has always fascinated its readers. Up to our modern times, the bold prophetic message of doom and salvation continually triggers our imagination. At the same time, the books of the prophets confront us with many questions as to their aim and theological content, challenging us to translate their message in our own actual context. *The Lion Has Roared*--an image used by the prophets themselves--was written to meet the need for a better understanding of the prophets. By taking into account recent trends in current scholarship on the prophetic literature in the Old Testament, this book explores the core theological message of each individual prophetic book, including the book of Daniel. This is done by viewing each book both from a historical and literary perspective. A selected bibliography on each prophetic book is also provided to guide the interested reader to further reading. This unique volume was written by sixteen Old Testament scholars from Africa, America, Asia, and Europe for use by students of theology and religious studies, pastors and preachers, and interested lay readers.

This commentary, written from a distinctively Pentecostal perspective, is primarily for pastors, lay persons and Bible students. They acknowledge and interact with alternative interpretations of individual passages. This commentary also provides periodic opportunities for reflection upon and personal response to the biblical text.

The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context. To bring the ancient messages of the Bible into today's world, each passage is treated in three sections: Original Meaning.
