Each Geronimo Stilton book is fast-paced, with lively full-color art and a unique format kids 7-10 will love. Rancid rat hairs! I'd been spending so much money lately, I had none left in the bank! Even worse, when my grandfather found out, he sent me off to Moldy Manor. There, miserly Uncle Stingysnout would give me a crash course in saving. Yikes! Could I learn to be less wasteful without turning totally stingy? A strengths-based school is one where the focus is primarily on strengths, not weaknesses, where teachers and pupils aim not to be 'OK, ' but excel. This book combines the latest research from positive psychology with 2 ancient teaching methods, oral story telling and community celebration, to bring the concept of the strengths-based school to life

On her way to deliver a basket of food to her sick grandmother, Elisabeth encounters a sly wolf.

After her grandfather's funeral, Sarah wakes her father in the middle of the night so they can go to the lighthouse her grandfather loved and remember other night-time visits there.

A colorful I-Spy counting book.

The Little Mermaid Lindhardt og Ringhof

A little boy has a problem with his dragon: he's no longer able to breathe fire. What to do? How on earth do you rekindle a despondent dragon's flame? The little boy tries shaking him by his tail, and jumping on his belly, and tickling his legs... No joy. How about goading him somehow? - make him angry, fuel his jealousy... Still no luck. Maybe sticking false flames on the side of his face would work - but, no, that makes it all worse. Much, much worse. Now the dragon's downright depressed. Oh no! He decides that he'll just have to tell him that he loves him just the way he is, even though he can't breathe fire, and that he will always be his dragon - and plants a big fat kiss on his cheek. What do you think happens next?

El complemento de régimen prepositivo ha sido un tema controversial debido a sus características sintácticas y semánticas. Comparte rasgos sintácticos con el complemento circunstancial pero en el aspecto semántico es semejante al complemento directo, elemento subcategorizado por los verbos transitivos. El presente escrito fue concebido con el propósito principal de mostrar que el complemento de régimen debe considerarse un argumento verbal semejante al complemento directo y por consiguiente distinto del complemento circunstancial. En este libro se presenta una descripción del comportamiento del complemento de régimen y de los verbos que lo rigen. Asimismo se muestra el

análisis sintáctico de cuatro grupos de verbos que subcategorizan una frase prepositiva como argumento y muestra que cada uno de ellos tiene un comportamiento distinto de los demás a pesar de que comparten determinados rasgos."

Max and his friends are crazy about playing and learning about superheroes and their superpowers. Everyone has a favorite, and Max's is Megapower, even though his friends aren't sure that a girl superhero can be that strong.

Megapower is cool for so many reasons. She's brave, tames animals, has x-ray vision, is super smart, and she can fly.

She also happens to be Max's mom (which might be why she's Max's favorite!). Max is an intrepid, sassy, and funny narrator in a book that uses both traditional picture-book layouts and comic-book-like panels.

Developing Writing Skills in German, is a unique course designed to improve the reading and writing skills of intermediate students of German. Presenting a wide range of authentic written materials, the book aims to develop reading strategies and the ability to write texts of various types - essays, articles and reviews - while imparting an understanding of important aspects of German society. From the environment to consumerism, each chapter focuses on a different theme and concentrates on the advancement of particular skills; all the chapters conclude with a task appropriate to the skills focus of the section. Summary writing, note-taking, the use of mind-maps to collect ideas, and other strategies for successful writing in German are presented here. This course is suitable both for classroom use and independent study, with feedback and answer key supplied at the back of the book.

From monkeys, zebras, and giraffes to tigers and elephants, young readers can lift the flaps and peek through the die-cut holes to find and count all the animals in this jungle adventure!

Originalmente, este relato formaba parte de esa gran y vasta obra de Honoré de Balzac que es la Comedia Humana. En La interdicción el autor se vale del caso de la endeudada Marquesa, que recurre a la justicia para declarar incompetente a su marido y tomar control de su fortuna, para diseccionar en profundidad las peores conductas humanas.

Ferals is the first book in a dark, action-packed trilogy that's part The Graveyard Book, part Batman, and all high-octane adventure. Blackstone was once a thriving metropolis. But that was before the Dark Summer—a wave of violence and crime that swept through the city eight years ago, orchestrated by the fearsome Spinning Man. Now the Spinning Man is on the move again, and a boy named Caw is about to be caught in his web. Caw has never questioned his ability to communicate with crows. But as the threat of a new Dark Summer looms, Caw discovers the underground world of Blackstone's ferals—those with the power to control animals. Caw is one of them. And to save his city, he must quickly master abilities he never knew he had . . . and prepare to defeat a darkness he never could have imagined.

Harold Bloom on "The Merchant of Venice": "Shylock's prose is Shakespeare's best before Falstaff's...His utterances manifest a spirit so potent, malign, and negative as to be unforgettable."

At 15, Gloria longs for adventure, something beyond her ordinary suburban life. When a mysterious new boy strolls into school, bent on breaking all the rules, Gloria is ready to fall under his spell. Uman is funny, confident, and smart. He does what he wants without a care for what anyone thinks. The only people for him, he says, are the mad ones, the ones who never yawn or say a commonplace thing but burn, burn, burn. He is everything Gloria wants to be. He can whisk her away and show her a more daring, more exciting life in which the only limits are the boundaries of her own boldness. But Uman is not all he seems. And by the time she learns the truth about him, she's a long way from home . . . and the whole country wants to know: Where's Gloria? For fans of Dreamland by Sarah Dessen, Stolen by Lucy Christopher, and the Mara Dyer books by Michelle Hodkin. Praise for Twenty Questions for Gloria "The witty banter . . . will appeal to teens who love books with quirky dialogue and zingy one-liners, which also provide a refreshing and authentic counterpoint to the darker themes that run through the story. . . . For fans of Rainbow Rowell's Eleanor & Park."—SLJ "Bedford's (Never Ending, 2014) skillful writing and unusual format will draw in teens who identify with the urge to cast off the mundane and find their place in the world."—Booklist "Dropping clues with absolute control over the novel's trajectory, Bedford builds tension from the initial interview to the surprising final scene."—Horn Book "Feels like it should be a Sherlock Holmes style novel and I mean that in the best way possible because it has that allure and mystery, and yet still keeps it humble with its quirky characters, romance-on-the-side . . . it's an amazing novel to read."—The Guardian, UK "A gripping tale . . . should definitely be on your reading list."—Escapades of a Bookworm (UK) "An outstanding novel which poses big questions while immersing the reader in a fast-moving narrative."—The School Librarian (UK)

Over time, Weimaraners have become very popular and are seen in many cities around the world. One of the main reasons people choose this particular breed of dog is because of its beauty. Weimaraners are very demanding dogs and with the help of a dog trainer, I set out to write a book all about this magnificent breed so that those considering sharing their home with a Weimaraner or those who already do, have all the information they need for a happy life together with their beautiful and extremely intelligent dog. In this book you will learn: - The origins of the breed - Breeding - Vital Statistics and characteristics - Coat colours and types of Weimaraners - Grooming - Feeding and Health issues - Obedience - Potty training - Emergency cases - Activity requirements and sports you can do with your Weim. And much more! The book also features some unique, beautiful photography.

Although Augustine is nervous about moving from the South Pole to her new home at the North Pole, her drawings, which imitate famous paintings, help her break the ice at school. Suggested level: junior.

The Little Mermaid is one of Hans Christian Andersen's most beloved fairytales. This new edition lets the reader delight in Peter Madsen's fabulous illustrations, which compliment the beautiful tale of the mermaid and her unrequited love.

From the winner of the first Lannan Prize for Cultural Freedom, a bitingly funny, kaleidoscopic vision of the first world through the eyes of the third Eduardo Galeano, author of the incomparable *Memory of Fire* Trilogy, combines a novelist's intensity, a poet's lyricism, a journalist's fearlessness, and the strong judgments of an engaged historian. Now his talents are richly displayed in *Upside Down*, an eloquent, passionate, sometimes hilarious exposé of our first-world privileges and assumptions. In a series of lesson plans and a "program of study" about our beleaguered planet, Galeano takes the reader on a wild trip through the global looking glass. From a master class in "The Impunity of Power" to a seminar on "The Sacred Car"--with tips along the way on "How to Resist Useless Vices" and a declaration of "The Right to Rave"--he surveys a world unevenly divided between abundance and deprivation, carnival and torture, power and helplessness. We have accepted a reality we should reject, Galeano teaches us, one where machines are more precious than humans, people are hungry, poverty kills, and children toil from dark to dark. A work of fire and charm, *Upside Down* makes us see the world anew and even glimpse how it might be set right. "Galeano's outrage is tempered by intelligence, an ineradicable sense of humor, and hope." -Los Angeles Times, front page

Mrs Collywobbles has nothing to fear from the strange and fearsome visitors that emerge from the big, dark, scary wood - not with her pet frog guarding the garden gate. But when Mrs Collywobbles' frog demands a thank-you kiss, things suddenly take a surprising turn.

A story that tells how sometimes, when we tell off our children without thinking, we don't think that "It could happen to anyone".

'Powerful' Closer 'A darkly quirky story of love, obsession and fear . . . a beautiful story hung around the enchanting and heartbreaking voice of teenager Greg' Anna James Miss Hayes has a new theory. She thinks my condition's caused by some traumatic incident from my past I keep deep-rooted in my mind. As soon as I come clean I'll flood out all these tears and it'll all be ok and I won't be scared of Them anymore. The truth is I can't think of any single traumatic childhood incident to tell her. I mean, there are plenty of bad memories - Herb's death, or the time I bit the hole in my tongue, or Finners Island, out on the boat with Sarah - but none of these are what caused the phobia. I've always had it. It's Them. I'm just scared of Them. It's that simple. For fans of Sarah Winman, Junot Diaz and Maria Semple, Alice and the Fly is an unforgettable book about phobias and obsessions, isolation and dark corners, families, friendships, and carefully preserved secrets. But above everything else it's about love. Finding love - in any of its forms - and nurturing it.

Part of the 9Marks Healthy Church Study Guide series, this study defines sound doctrine and examines the pastoral Epistles' teaching on why it is so important to the church.

An FBI agent, a secretary, a con artist, and his son take us on a journey through the troubled life of a businessman whose financial crimes landed him on the FBI's and Interpol's most wanted list in the 1980s. Costa Rica, the United States, South America, and Europe set the stage for this story that will make you both love and hate Roberto Perez, a charming and irresistible man whose blind ambition leads him to break all business laws. Based on a true story, The Snake Charmer takes us inside the world of financial crime and intrigue, where greed, power, and love make for a toxic combination.

As a child, there are constantly people trying to pick you up, hug you, or tickle you. Sometimes, though, children fall victims to people who try to touch them inappropriately. But how do you tell someone, most likely an adult, that you don't want to be touched? Or, if it has already happened, how do you tell an adult you trust about what happened? You're only a child, and they're the adults. Why would they believe you? My Body Belongs to Me! is an educational tool to help instill confidence in children when it comes to their bodies. The narrative of the story is led by a girl named Clara, who encourages kids to say "no" if they are uncomfortable with physical contact. The narrator gives readers tips about what they can say or do to avoid unwanted physical contact, or how to tell the right people in the event it has already occurred. My Body Belongs to Me! is an invaluable resource that gives children a voice in uncomfortable situations. Suited for children ages 3 to 6, this should be in all doctor's offices, counselor's offices, and all parents should read to their preschool-aged children to teach them how to effectively say no to unwanted touching and how to report unwanted touching if it does occur.

This is the story of Melody Paradise. You'll like her - everybody does. Women aspire to be like her and men fall in love with her. Melody is kind, spiritual and very beautiful. She's also on a mission... and nothing is going to stand in her way.

The traveling community to which she belongs has become horribly fragmented by a series of mysterious and chaotic happenings. Her mission is to reunite them. She organises a festival as the perfect vehicle to bring them together, during which an amazing story unfolds, often funny, sometimes sad, always compelling... and with a twist in the tail. Through the words and eyes of Martin Millar, the reluctant guest novelist at Melody's festival, we become privileged observers of a world that most of us would struggle to even imagine.

When he runs out of toilet paper, Leon must find something else to use. With that, his troubles begin.

Every creature that the teeny weeny tadpole meets seems to be able to jump, except him. Then he meets the big, bad fish, who can't jump - but he can swim very, very fast, and he eats little tadpoles...What is Tadpole going to do? With a matt laminated cover and die-cut bubbles.

A CHRISTMAS CLASSIC FROM THE CREATOR OF THE VERY HUNGRY CATERPILLAR Eric Carle's only Christmas story is now a board book! Eric Carle's DREAM SNOW has become a contemporary Christmas classic since it was published more than a decade ago. Now it's the perfect board book for a new generation of Carle fans. The edition includes board-book versions of the marvellous novelty elements that made the original so special - peekaboo animals hidden under the snow, the shimmering tree decorated for the holiday and glittery snowflakes on the cover. It's full of surprises as the Santa-like farmer dreams of snow on Christmas Eve, and wakes to discover real snow has fallen, just in time for him to give gifts to his cherished animals. Imaginative and multi-sensory, it's a Christmas book that reveals the wonder of the season.

La cultura es la madre de las instituciones y se encuentra presente hasta en nuestras más nimias actividades. Por esta razón adquiere relevancia en el análisis de las relaciones chileno peruanas, porque considera factores a los que ni la economía ni el derecho ni la ciencia política atribuyen importancia. La presente obra se estructura en cuatro partes. En la primera, se delimita el rol de la cultura dentro de la Teoría de las Relaciones Internacionales. En la segunda, se explora la historia cultural de ambos países, destacando las principales identidades culturales en los diferentes períodos, desde el período prehispánico hasta el boom de la ideología neoliberal. En la tercera, se estudia la institucionalidad cultural chilena y peruana y las relaciones interculturales entre ambos Estados. Por último, se analizan las relaciones interculturales de ambas sociedades, poniendo especial atención en las industrias culturales, la historia y su enseñanza, el fútbol y la cultura popular. Termina este libro con una conclusión que, a la vez, es un deseo: que contribuya a mejorar la relación entre Chile y el Perú.

Written by experienced teachers and thoroughly trialled with non-native students of Chinese, this much-needed text helps students to write coherently, clearly and appropriately in a variety of contexts.
