

## **Lords Of All The World Ideologies Of Empire In Spain Britain And France C1500 C1800**

A path-breaking history of how the United States superseded Great Britain as the preeminent power in the Middle East, with urgent lessons for the present day We usually assume that Arab nationalism brought about the end of the British Empire in the Middle East--that Gamal Abdel Nasser and other Arab leaders led popular uprisings against colonial rule that forced the overstretched British from the region. In *Lords of the Desert*, historian James Barr draws on newly declassified archives to argue instead that the US was the driving force behind the British exit. Though the two nations were allies, they found themselves at odds over just about every question, from who owned Saudi Arabia's oil to who should control the Suez Canal. Encouraging and exploiting widespread opposition to the British, the US intrigued its way to power--ultimately becoming as resented as the British had been. As Barr shows, it is impossible to understand the region today without first grappling with this little-known prehistory.

A cadet encounters hazing and racism at an elite military academy in this novel from the #1 New York Times--bestselling author of *The Prince of Tides*. As

Will McLean begins his studies at the Carolina Military Institute, the American South is in turmoil over desegregation. An outsider to the harsh authoritarianism of the military, Will survives the school's notorious freshman hazing, and avoids attention from its fabled and menacing secret society, the Ten. But when he is asked to mentor the school's first black student, Will is drawn into the intense racial politics—and the threat of violence—simmering beneath the surface. Based on Conroy's own military school experience and featuring his lush prose and richly drawn characters, *The Lords of Discipline* is a powerful story of a young man's stand for justice and the friendship, love, and courage he finds along the way.

*The Wheel of Time*® is a PBS Great American Read Selection! Now in development for TV! Since its debut in 1990, *The Wheel of Time*® by Robert Jordan has captivated millions of readers around the globe with its scope, originality, and compelling characters. *The Wheel of Time* turns and Ages come and go, leaving memories that become legend. Legend fades to myth, and even myth is long forgotten when the Age that gave it birth returns again. In the Third Age, an Age of Prophecy, the World and Time themselves hang in the balance. What was, what will be, and what is, may yet fall under the Shadow. On the slopes of Shayol Ghul, the Myrddraal swords are forged, and the sky is not

Since the Turks first shattered the glory of the French crusaders in 1396, the Ottoman Empire has exerted a long, strong pull on Western minds. For six hundred years, the Empire swelled and declined. Islamic, martial, civilized, and tolerant, in three centuries it advanced from the dusty foothills of Anatolia to rule on the Danube and the Nile; at the Empire's height, Indian rajahs and the kings of France beseeched its aid. For the next three hundred years the Empire seemed ready to collapse, a prodigy of survival and decay. Early in the twentieth century it fell. In this dazzling evocation of its power, Jason Goodwin explores how the Ottomans rose and how, against all odds, they lingered on. In the process he unfolds a sequence of mysteries, triumphs, treasures, and terrors unknown to most American readers. This was a place where pillows spoke and birds were fed in the snow; where time itself unfolded at a different rate and clocks were banned; where sounds were different, and

even the hyacinths too strong to sniff. Dramatic and passionate, comic and gruesome, *Lords of the Horizons* is a history, a travel book, and a vision of a lost world all in one.

Winner of the Pulitzer Prize “Erudite, entertaining macroeconomic history of the lead-up to the Great Depression as seen through the careers of the West’s principal bankers . . . Spellbinding, insightful and, perhaps most important, timely.” —Kirkus Reviews (starred) “There is terrific prescience to be found in [*Lords of Finance*’s] portrait of times past . . . [A] writer of great verve and erudition, [Ahamed] easily connects the dots between the economic crises that rocked the world during the years his book covers and the fiscal emergencies that beset us today.” —The New York Times It is commonly believed that the Great Depression that began in 1929 resulted from a confluence of events beyond any one person’s or government’s control. In fact, as Liaquat Ahamed reveals, it was the decisions made by a small number of central bankers that were the primary cause of that economic meltdown, the effects of which set the stage for World War II and reverberated for decades. As we continue to grapple with economic turmoil, *Lords of Finance* is a potent reminder of the enormous impact that the decisions of central bankers can have, their fallibility, and the terrible human consequences that can result when they are wrong.

Presents a history of the epic battles, the indomitable ships, and the men--from extraordinary leaders to seductive rogues--who established Athens' supremacy, taking readers on a tour of the far-flung expeditions and detailing the legacy of a forgotten maritime empire.

"The ultimate chronicle of the games behind the game."—The New York Times Book Review Baseball has always inspired rhapsodic elegies on the glory of man and golden memories of wonderful times. But what you see on the field is only half the game. In this fascinating, colorful chronicle—based on hundreds of interviews and years of research and digging—John Helyar brings to vivid life the extraordinary people and dramatic events that shaped America's favorite pastime, from the dead-ball days at the turn of the century through the great strike of 1994. Witness zealous Judge Landis banish eight players, including Shoeless Joe Jackson, after the infamous "Black Sox" scandal; the flamboyant A's owner Charlie Finley wheel and deal his star players, Vida Blue and Rollie Fingers, like a deck of cards; the hysterical bidding war of coveted free agent Catfish Hunter; the chain-smoking romantic, A. Bartlett Giamatti, locking horns with Pete Rose during his gambling days of summer; and much more. Praise for *The Lords of the Realm* "A must-read for baseball fans . . . reads like a suspense novel."—Kirkus Reviews "Refreshingly hard-headed .

. . . the only book you'll need to read on the subject."—Newsday "Lots of stories . . . well told, amusing . . . edifying."—The Washington Post

From the bestselling author of *Saban*, *4th and Goal*, and *Sowbelly* comes the thrilling, untold story of the quest for the world record tarpon on a fly rod—a tale that reveals as much about Man as it does about the fish. In the late 1970s and early 1980s, something unique happened in the quiet little town on the west coast of Florida known as Homosassa. The best fly anglers in the world—Lefty Kreh, Stu Apte, Ted Williams, Tom Evans, Billy Pate and others—all gathered together to chase the same Holy Grail: The world record for the world's most glamorous and sought-after fly rod species, the tarpon. The anglers would meet each morning for breakfast. They would compete out on the water during the day, eat dinner together at night, socialize and party. Some harder than others. The world record fell nearly every year. But records weren't the only things that were broken. Hooks, lines, rods, reels, hearts and marriages didn't survive, either. The egos involved made the atmosphere electric. The difficulty of the quest made it legitimate. The drugs and romantic entanglements that were swept in with the tide would finally make it all veer out of control. It was a confluence of people and place that had never happened before in the world of fishing and will never happen again. It was a collision of the top

Bookmark File PDF Lords Of All The World  
Ideologies Of Empire In Spain Britain And France  
C1500 C1800

anglers and the top species of fish which would lead to smashed lives for nearly all involved, man and fish alike. In *Lords of the Fly*, Burke, an obsessed tarpon fly angler himself, delves into this incredible moment. He examines the growing popularity of the tarpon, an amazing fish has been around for 50 million years, can live to 80 years old and can grow to 300 pounds in weight. It is a massive, leaping, bullet train of a fish. When hooked in shallow water, it produces “immediate unreality,” as the late poet and tarpon obsessive, Richard Brautigan, once described it. Burke also chronicles the heartbreaking destruction that exists as a result—brought on by greed, environmental degradation and the shenanigans of a notorious Miami gangster—and how all of it has shaped our contemporary fishery. Filled with larger-than-life characters and vivid prose, *Lords of the Fly* is not only a must read for anglers of all stripes, but also for those interested in the desperate yearning of the human condition.

*Theories of Empire, 1450-1800* draws upon published and unpublished work by leading scholars in the history of European expansion and the history of political thought. It covers the whole span of imperial theories from ancient Rome to the American founding, and includes a series of essays which address the theoretical underpinnings of the Spanish, Portuguese, French, British and Dutch empires in both the Americas and in Asia. The volume is unprecedented in its attention to the

# Bookmark File PDF Lords Of All The World Ideologies Of Empire In Spain Britain And France C1500 C1800

wider intellectual contexts within which those empires were situated - particularly the discourses of universal monarchy, millenarianism, mercantalism, and federalism - and in its mapping of the shift from Roman conceptions of imperium to the modern idea of imperialism.

**NEW YORK TIMES EDITORS' CHOICE** • A deeply reported, searingly honest portrait of the death penalty in Texas—and what it tells us about crime and punishment in America “If you’re one of those people who despair that nothing changes, and dream that something can, this is a story of how it does.”—Anand Giridharadas, *The New York Times* Book Review **WINNER OF THE J. ANTHONY LUKAS AWARD** In 1972, the United States Supreme Court made a surprising ruling: the country’s death penalty system violated the Constitution. The backlash was swift, especially in Texas, where executions were considered part of the cultural fabric, and a dark history of lynching was masked by gauzy visions of a tough-on-crime frontier. When executions resumed, Texas quickly became the nationwide leader in carrying out the punishment. Then, amid a larger wave of criminal justice reform, came the death penalty’s decline, a trend so durable that even in Texas the punishment appears again close to extinction. In *Let the Lord Sort Them*, Maurice Chammah charts the rise and fall of capital punishment through the eyes of those it touched. We meet Elsa Alcala, the orphaned daughter of a Mexican American family who found her calling as a prosecutor in the nation’s death penalty capital, before becoming a judge on the state’s highest court. We meet Danalynn Recer, a lawyer who became obsessively

Bookmark File PDF Lords Of All The World  
Ideologies Of Empire In Spain Britain And France  
C1500 C1800

devoted to unearthing the life stories of men who committed terrible crimes, and fought for mercy in courtrooms across the state. We meet death row prisoners—many of them once-famous figures like Henry Lee Lucas, Gary Graham, and Karla Faye Tucker—along with their families and the families of their victims. And we meet the executioners, who struggle openly with what society has asked them to do. In tracing these interconnected lives against the rise of mass incarceration in Texas and the country as a whole, Chammah explores what the persistence of the death penalty tells us about forgiveness and retribution, fairness and justice, history and myth. Written with intimacy and grace, *Let the Lord Sort Them* is the definitive portrait of a particularly American institution. An absorbing, minute-by-minute account of the demise of the "unsinkable" Titanic, the massive luxury liner that housed a French "sidewalk cafe" and a grand staircase, among other extravagances, but failed to provide enough lifeboats for the 2,207 passengers on board. Reissue. A hidden labyrinth beneath the Canadian wilderness where dwarfish Lords and Ladies ride humans like horses - and plot the final downfall of mankind. Bart Dybig is a "Steed", but one gifted with mental and physical abilities unsuspected by those who have enslaved him. Soon, he vows, he will surprise the Lords and escape to the world above - if there's a world to go back to. For the Earth Lords are building a doomsday device of unimaginable power to completely destroy mankind. Only Bart and his strange heritage can stop them.

Imagine, if you can, the world of business - without corporate strategy. Remarkably, fifty years ago that's the way it was. Businesses made plans, certainly, but without understanding the underlying dynamics of competition, costs, and customers. It was like trying to design a large-scale engineering project without knowing the laws of physics. But in the 1960s, four mavericks and their posses instigated a profound shift in thinking that turbocharged business as never before, with implications far beyond what even they imagined. In *The Lords of Strategy*, renowned business journalist and editor Walter Kiechel tells, for the first time, the story of the four men who invented corporate strategy as we know it and set in motion the modern, multibillion-dollar consulting industry: Bruce Henderson, founder of Boston Consulting Group Bill Bain, creator of Bain & Company Fred Gluck, longtime Managing Director of McKinsey & Company Michael Porter, Harvard Business School professor Providing a window into how to think about strategy today, Kiechel tells their story with novelistic flair. At times inspiring, at times nearly terrifying, this book is a revealing account of how these iconoclasts and the organizations they led revolutionized the way we think about business, changed the very soul of the corporation, and transformed the way we work. From the early sixteenth to the early nineteenth centuries, Spain was regarded as a unique social and political community--the most exalted, the most feared, the most despised, and the most discussed since the Roman Empire. In this important book, Anthony Pagden offers an incisive analysis of the lasting influence of the

Spanish Empire in the history of early modern Europe and of its place in the European and Spanish American political imagination.

Intense, erotic, and enigmatic, Jim Morrison's persona is as riveting now as the lead singer/composer "Lizard King" was during The Doors' peak in the late sixties. His fast life and mysterious death remain controversial more than twenty years later. *The Lords and the New Creatures*, Morrison's first published volume of poetry, is an uninhibited exploration of society's dark side -- drugs, sex, fame, and death -- captured in sensual, seething images. Here, Morrison gives a revealing glimpse at an era and at the man whose songs and savage performances have left their indelible impression on our culture.

Lords of All the World Ideologies of Empire in Spain, Britain and France C.1500-c.1800

After discovering the true nature of the One Ring, Bilbo Baggins entrusts it to the care of his young cousin, Frodo, who is charged with bringing about its destruction and thus foiling the plans of the Dark Lord.

Earth is long since dead. On a colony planet, a band of men has gained control of technology, made themselves immortal, and now rules their world as the gods of the Hindu pantheon. Only one dares oppose them: he who was once Siddhartha and is now Mahasamatman. *Binder of Demons*. Lord of Light.

"In this extraordinary volume, Krishan Kumar

provides us with a brilliant tour of some of history's most important empires, demonstrating the critical importance of imperial ideas and ideologies for understanding their modalities of rule and the conflicts that beset them. In doing so, he interrogates the contested terrain between nationalism and empire and the legacies that empires leave behind."--Mark R. Beissinger, Princeton University

"This is an excellent book with original insights into the history of empires and the discourses and rhetoric of their rulers and defenders. Kumar's writing is lively and free of jargon, and his research is prodigious. He manages to bring clarity and perspective to a complex subject."--Ronald Grigor Suny, author of "They Can Live in the Desert but Nowhere Else": A History of the Armenian Genocide

"A masterly piece of work."--Anthony Pagden, author of *The Burdens of Empire: 1539 to the Present*

The only true and unedited telling of the life of Christ—his life and times, in historical context, but not lacking the psychology behind his physical being and spirit. Unlike other books seeking to strip Jesus' story to reveal only the human being, Romano Guardini's *The Lord* gives the complete story of Jesus Christ—as man, Holy Ghost, and Creator. Pope Benedict XVI lauds Guardini's work as providing a full understanding of the Son of God, away from the prejudice that rationality engenders. Put long-held myths aside and discover the entire truth about

God's only begotten Son.

The third novel in the internationally bestselling White City Trilogy sees Kraken on the hunt for a murderer whose macabre crimes are lifted straight from history. Kraken is enjoying life as a family man, content to spend his days with Alba and their young daughter Deba. But there's no rest for the weary, especially when you're the most famous investigator in Vitoria. Kraken and Esti are charged with investigating the mysterious disappearance of two sisters and finding it hard to make any headway when a wealthy businessman's murder appears to shine a light on the case. The man was poisoned with a medieval aphrodisiac--a crime that has eerie similarities to one detailed in the novel everyone in Vitoria is buzzing about. When the two sisters are discovered trapped behind a wall--bricked up alive--the parallels to the novel are undeniable. With the author's identity a closely held secret, will Kraken be able to track down the killer before they can strike again? Or will Vitoria's sordid underworld finally break Kraken, and his family, apart. A VINTAGE CRIME/BLACK LIZARD ORIGINAL

It's been years since anyone has seen Noble Vincent, the player that brought down World-Tree Online's tyrannical moderator. Even with a lifetime of perceived experiences in the game, he still has centuries to go before the update finally ends and the people trapped in the game are freed. After

taking a long vacation and traveling to many worlds, he realizes its time to get his team back together so they can try to reach the top of the World-Tree. However, Vincent's goal will eventually lead him to Styxis, a world consumed by a never-ending war. His path will bring him at odds with Noah, a former member of the Great Vanguard. Noah's team climbed higher than any other before the angels crushed them, but like Vincent, he's a man that obsessively chases his goals no matter the challenge. Noah's choices will lead him and many others down a path that will push the strongest players of the game to their limits. When Vincent gets caught in Styxis's never-ending war, he too will have to decide how far he's willing to go just to win.

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Allie is about to discover a heritage of power...and blood...werecreatures, magic, and a misguided vampire who wants to kill two men who could be the loves of her life. Allie was adopted. She had always known it, but when a mysterious older woman shows up and invites her to learn about her birth family, things take a turn for the odd. Then Allie meets the Lords. Twin Alpha werewolves who rule over all North American werecreatures, Rafe and Tim may look exactly alike, but Allie can tell them apart from the moment they first meet. She's not sure what to think when they both want to claim her as their mate. They are dominant, sexy, and all too ready to play games of the most delicious kind with her, but when a rogue vampire threatens her safety, they jump to her defense. It will take all of them working together, to stop the evil that has invaded their territory. Can they trust in each other and the power of their new love to prevail? Or will an ancient enemy win the day and usher evil incarnate back into the world? Note: This is the first book in the Tales of the Were series, which stretches out to encompass several related storylines and sub-series that follow different sets of characters in different parts of the world. Sub-series include: Tales of the Were – The Others Tales of the Were – Redstone Clan Tales of the Were – String of Fate Tales of the Were – Grizzly Cove Tales of the Were – Gift of the Ancients Tales of the Were – Jaguar Island Tales of the Were – Big Wolf Tales of the Were – Lick of Fire Tales of the Were – Gemini Project Tales of the Were – Guardians of the Dark ...and the related series... William Golding's unforgettable classic of boyhood adventure and the savagery of humanity comes to Penguin Classics in a stunning Graphic Deluxe Edition with a new foreword by Lois Lowry. As provocative today as when it was first published in 1954, *Lord of the Flies* continues to ignite passionate debate with its startling, brutal portrait of human nature. William Golding's compelling story about a group of very ordinary boys marooned on a coral island has been labeled a parable, an allegory, a myth, a morality tale, a parody, a political treatise, and even a vision of the apocalypse. But above all, it has earned its place as one of the indisputable classics of the twentieth century for readers of any age. This Penguin Classics Graphic Deluxe Edition features an array of special features to supplement the novel, including a foreword by Lois Lowry, an introduction by Stephen King, an essay by E. M. Forster, an essay on teaching and reading the novel and suggestions for further exploration by scholar Jennifer Buehler, and an extended note by E. L. Epstein, the publisher of the first American paperback edition of *Lord of the Flies*. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

To the classical civilizations of Greece and Rome, the Celtic warrior of the late Iron Age was the archetypal barbarian: savage, undisciplined, and bloodthirsty. In a clash of cultures that lasted almost 500 years, the rich and vibrant society in which he lived, fought, and died was virtually destroyed, becoming the stuff of myth and legend. Covering the period

# Bookmark File PDF Lords Of All The World Ideologies Of Empire In Spain Britain And France C1500 C1800

from the first mention of the Celts by ancient Greek writers to the Roman conquest of Britain, this book examines the Celtic warrior, his society and his place within it, and the conflicts that would eventually destroy his world. Beautifully illustrated with many examples of Celtic art and craftsmanship, this book provides a fascinating insight into a culture whose legacy has endured to the present day.

Guardian Book of the Day New Statesman Book of the Year  
History Today Book of the Year Times Literary Supplement  
Book of the Year BBC History Magazine Book of the Year  
'Bustles impressively with detail and anecdote' --Sunday  
Times 'Consistently fascinating' --The Spectator 'Beautifully  
written and deeply researched' --The Observer 'Barr draws on  
a rich and varied trove of sources to knit a sequence of  
dramatic episodes into an elegant whole. Great events march  
through these pages' --Wall Street Journal Upon victory in  
1945, Britain still dominated the Middle East. She directly  
ruled Palestine and Aden, was the kingmaker in Iran, the  
power behind the thrones of Egypt, Iraq and Jordan, and  
protected the sultan of Oman and the Gulf sheikhs. But her  
motives for wanting to dominate this crossroads between  
Europe, Asia and Africa were changing. Where 'imperial  
security' - control of the route to India - had once been  
paramount, now oil was an increasingly important factor. So,  
too, was prestige. Ironically, the very end of empire made  
control of the Middle East precious in itself: on it hung  
Britain's claim to be a great power. Unable to withstand Arab  
and Jewish nationalism, within a generation the British were  
gone. But that is not the full story. What ultimately sped  
Britain on her way was the uncompromising attitude of the  
United States, which was determined to displace the British in  
the Middle East. The British did not give in gracefully to this  
onslaught. Using newly declassified records and long-  
forgotten memoirs, including the diaries of a key British spy,

# Bookmark File PDF Lords Of All The World Ideologies Of Empire In Spain Britain And France C1500 C1800

James Barr tears up the conventional interpretation of this era in the Middle East, vividly portraying the tensions between London and Washington, and shedding an uncompromising light on the murkier activities of a generation of American and British diehards in the region, from the battle of El Alamein in 1942 to Britain's abandonment of Aden in 1967. Reminding us that the Middle East has always served as the arena for great power conflict, this is the tale of an internecine struggle in which Britain would discover that her most formidable rival was the ally she had assumed would be her closest friend. Reviews for *A Line In The Sand*:- 'Masterful' --The Spectator 'With superb research and telling quotations, Barr has skewered the whole shabby story' --The Times 'Lively and entertaining. He has scoured the diplomatic archives of the two powers and has come up with a rich haul that brings his narrative to life' --Financial Times

"Covenant is [Stephen R.] Donaldson's genius!"—The Village Voice He called himself Thomas Covenant the Unbeliever, because he dared not believe in this strange alternate world on which he suddenly found himself. Yet the Land tempted him. He had been sick; now he seemed better than ever before. Through no fault of his own, he had been outcast, unclean, a pariah. Now he was regarded as a reincarnation of the Land's greatest hero—Berek Halfhand—armed with the mystic power of White Gold. That power alone could protect the Lords of the Land from the ancient evil of the Despiser, Lord Foul. Except that Covenant had no idea how to use that power. . . .

This book, the first to compare theories of empire as they emerged in, and helped to define, the great colonial powers—Spain, Britain, and France—describes the different ways and arguments these countries used to legitimate the seizure and subjugation of aboriginal lands and peoples."Learned, wide-ranging and important. . . . Pagden's willingness to examine

The nature of this light bears no description. It lingers in dreams, inciting an unrequited love for a goddess. A corrupt city is shaped like a perfect wheel, and is ruled by a sister and brother, Regent and Regentrix, by perverse desires, and by a secret. . . . A loyal warrior woman swears to serve a mysterious lord. At the same time, an epic invasion is precipitated by a being of utter darkness, who is the one absolute source of black in a monochrome silver world. And amid all this, flickers an ancient memory of a phenomenon called Rainbow and of those who had once filled the world with an impossible thing called color. . . . Lords of Rainbow.

Christians face a conundrum when it comes to naming God, for if God is unnamable, as theologians maintain, he can also be called by every name. His proper name is thus an open-ended, all-encompassing list, a mystery the Church embraces in its rhetoric, but which many Christians have found difficult to accept. To explore this conflict, Valentina Izmirlieva examines two lists of God's names: one from *The Divine Names*, the classic treatise by Pseudo-Dionysius, and the other from *The 72 Names of the Lord*, an amulet whose history binds together Kabbalah and Christianity, Jews and Slavs,

Palestine, Provence, and the Balkans. This unexpected juxtaposition of a theological treatise and a magical amulet allows Izmirlieva to reveal lists' rhetorical potential to create order and to function as both tools of knowledge and of power. Despite the two different visions of order represented by each list, Izmirlieva finds that their uses in Christian practice point to a complementary relationship between the existential need for God's protection and the metaphysical desire to submit to his infinite majesty—a compelling claim sure to provoke discussion among scholars in many fields. The novel's protagonist is a British Roman Catholic priest, Father Percy Franklin, who looks identical to the mysterious U.S. Senator Julian Felsenburgh of Vermont. The senator appears as a lone and dramatic figure promising world peace in return for blind obedience. No one quite knows who he is or where he comes from, but his voice mesmerizes. Under his leadership, war is abolished. Felsenburgh becomes the President of Europe, then of the world, by popular acclaim. Everyone is fascinated with him, yet still no one knows much about him. People are both riveted and frightened by the way he demands attention. Most follow without question. Having been a close observer of President Felsenburgh's rise, Father Franklin is called to Rome, a Hong Kong-style enclave ruled by Pope John XXVI and raised to the College of Cardinals. Meanwhile, defections among

bishops and priests increase. At Cardinal Franklin's instigation, the pope abolishes the Eastern Catholic Churches and forms a new religious order, the Order of Christ Crucified. All its members, including the Pope, vow to die in the name of the faith.

It's Midsummer Night – no time for dreaming.

Because sometimes, when there's more than one reality at play, too much dreaming can make the walls between them come tumbling down.

Unfortunately there's usually a damned good reason for there being walls between them in the first place – to keep things out. Things who want to make mischief and play havoc with the natural order.

Granny Weatherwax and her tiny coven of witches are up against real elves. And they're spectacularly nasty creatures. Even in a world of dwarves,

wizards, trolls, Morris dancers – and the odd orang-utan – this is going to cause trouble... Adapted by

Terry Pratchett's long-time collaborator Stephen Briggs, this play text version of Pratchett's

bestselling Discworld novel *Lords and Ladies* wittily and faithfully reimagines the story for the stage.

Engulfed in the darkness of Irian Jaya's Snow Mountains live the Yali, naked cannibals who call themselves lords of the earth. Yet, in spite of their boldness, they live in terror and bondage to the women-hating, child-despising gods they serve.

Missionary Stan Dale dared to enter their domain and be an instrument to change their future. Peace

Child author, Don Richardson, tells the story of Dale, his wife, his companions and thousands of Yali tribesmen in *Lords of the Earth*. This unforgettable tale of faithful determination and zeal against overwhelming odds brings unlikely characters together in a swirl of agony and bloodshed climaxing in a dramatic, unexpected ending. Readers will find their perceptions of how God moves enlarged and inspired by this classic story. For parents and youth leaders looking for real-life role models for the new generation of young people, you will want to meet the Dales in *Lords of the Earth*.

Dating can be weird. You already know that. And you've probably had your share-or more than your share-of relationships that have gone south, but do you know why? It's time to meet the Lords: Lord Journeyman, Lord Contradiction, Lord FOMO, Lord Layaway, Lord Self-Absorbed, Lord At Your Peril, Lord Good Guy; Not My Guy, and Lord My Guy. These are the men, the archetypes, that litter the landscape of the dating world, and when you see them for who they are, you might start making different choices about who you spend your time with. Join authors Jes Averhart and Terresa Zimmerman in this funny and insightful romp through their own dating lives as they show you who they date, why they date them, and what they've learned. "A world made by the Eight Creators on which to play out their games of passion and power, *Paradise*

is a sprawling, diverse, often brutal place. Men and women live on Paradise as do dogs, cats, ferrets, goats, and horses. But dinosaurs predominate: wildlife, monsters, beasts of burden--and of war"--Amazon.com.

Takes a critical look at the international business of charity and relief efforts, exposing the bureaucratic inefficiency

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BUZZFEED • “An engrossing picaresque quest, a love story, and a moving character study . . . [Karen] Lord is on a par with Ursula K. Le Guin.”—The Guardian A proud and reserved alien society finds its homeland destroyed in an unprovoked act of aggression, and the survivors have no choice but to reach out to the indigenous humanoids of their adopted world, to whom they are distantly related. They wish to preserve their cherished way of life, but doing so may mean changing their culture forever. Working together to save this vanishing race, a man and a woman from two clashing societies will uncover ancient mysteries with far-reaching ramifications. And as their mission hangs in the balance, the unlikely team—one cool and cerebral, the other fiery and impulsive—just may find in each other their own destinies . . . and a force that transcends all. Praise for The Best of All Possible Worlds “[A] fascinating and thoughtful science fiction novel that examines] adaptation,

social change, and human relationships. I've not read anything quite like it, which makes it that rare beast: a true original."—Kate Elliott, author of the Crown of Stars series and The Spiritwalker Trilogy "Reads like smooth jazz comfort food, deceptively familiar and easy going down, but subtly subversive."—Nalo Hopkinson, Los Angeles Review of Books "If you want to see science fiction doing something new and fascinating . . . then you shouldn't sleep on The Best of All Possible Worlds."—io9 "Rewarding science fiction for emotional grown-ups."—Mysterious Galaxy "[A] marvelously formed universe."—The A.V. Club "A rewarding, touching and often funny exploration of the forms and functions of human culture."—SFX "The Best of All Possible Worlds . . . poses an interesting question: What parts of you do you fight to preserve when everything you know suddenly changes?"—Associated Press
