Lower Your Taxes - BIG TIME! 2019-2020: Small Business Wealth Building and Tax Reduction Secrets from an IRS Insider McGraw-Hill Education

Investors, shell-shocked by the "Great Recession" of 2008-2009, are looking for answers, for something fresher than the old 'buy-and-hold' mantra. They hunger for stability, yet yearn for growth to rejuvenate their battered portfolios. Ray Lucia's The Buckets of Money Retirement Solution: The Ultimate Guide to Income for Life provides just that—a reassuring and scientifically proven strategy that gives investors both growth and income. Lucia, a Certified Financial Planner who's helped thousands of people invest more than \$2 billion, explains how to spend down 'safe' buckets (containing, for example, Treasuries, CDs, bonds), while leaving a riskier bucket (real estate, stocks and alternative investments) to grow long-term. This strategy shields investors from the short-term ups and downs of the market. And it gives them the courage and discipline to stay invested no matter what the future holds. Written in a breezy, accessible style and loaded with tons of examples and clear, specific calculations, the book explains how to set your financial goals, divvy up your money accordingly, and then invest intelligently. With this book as your guide, readers will learn how to achieve both income and growth while at the same time reducing risk. "All in all," Lucia writes, "this plan is akin to a sports car that seats six, approximating the best of both worlds. In this case by being a conservative strategy that's also growth-oriented." Almost every kind of investment—stocks, bonds, commodities, real estate—plunged in the past year or two, turning off millions of investors who'd been planning for and counting on a reasonably comfortable retirement. These retirees or near-retirees need solutions ... something fresher than the old 'buy-and-hold' mantra. Yet here's what they hear from the financial-services industry: Set up an asset-allocation model, then take a systematic withdrawal to support your retirement ... remembering, of course, to rebalance the accounts to remain in sync with the model. Wrong! That maximizes the advisors' fees but doesn't protect the investors' assets during the tough times. Strategies from an IRS insider for slashing taxes, maximizing legal deductions, avoiding audits, and more Completely updated for all of the new 2005 and 2006 Tax Laws!

Through his years as an IRS tax attorney, Sandy Botkin discovered that most Americans could legally and dramatically cut their tax bills by establishing themselves as independent contractors or businesspersons. And on your right, ladies and gentlemen, please observe The Conservative (Conservitus Americanus). This fascinating species inhabits vast territories across middle America, but rarely reveals itself in coastal urban areas. It is commonly believed to be uptight, humorless, and devoid of compassion, and is often characterized as racist, homophobic, and highly eco-unfriendly. Primary behaviors include unnecessary warmongering, tax cutting, and gun collecting. For decades, conservatives have proven to be hopelessly un-hip, and their mating habits dull. They are highly feared and often despised, for so few know and understand their true nature. Get ready to meet the conservative next door or in the office down the hall, the person you never thought in a million years was one of "them." Lively, witty, and thought-provoking, Why You're Wrong About the Right blows the lid off the stereotypes that have long been associated with the American Right, and reveals the face of today's conservatives: an intellectually and philosophically diverse new breed of young, outgoing, smart, friendly professionals who live and work among liberals everywhere! Themselves closet conservatives in Leftoid Land (aka Manhattan), S. E. Cupp and Brett Joshpe inject their own unique and colorful points of view into an honest dialogue on conservative ideas in American life and popular culture, and draw from interviews with a roster of renowned writers and political personalities, including Tony Stewart, Tucker Carlson, Brian C. Anderson, Laura Ingraham, Pat Toomey, David Horowitz, Ted Hayes, and many more. Undercover conservatives, reveal your true colors with pride! Liberals, hug a conservative today! And whichever side you find yourself on, you'll be engaged,

surprised, and happily re-educated when you discover Why You're Wrong About the Right.
