There is no greater intimacy than "Intimacy with God". Establishing an intimate relationship with God is one of the

Download Free My First Handy Bible

best relationships you could ever have. I was taught this by my late Grandmother, and have since established my own personal intimate relationship with God. However, it wasn't until I reached the mature age of 30 that I realized what intimacy with God truly was. It was during many trials and tribulations of my life that caused me to seek God with my whole heart and surrender my life to Him. Before I truly established intimacy with God, I had drifted so far from Him and was living a life that was displeasing to Him. One day when I was at my lowest, I began to reflect on the things that my Grandmother had instilled in me at a very early age. I found myself on my knees crying out to God for His help. I found a church home and started attending Bible study, reading the Bible for myself, and meditating on the Word of God, and obeying His Word. The Bible tells us in Proverbs 22:6, "Train up a child in the way he should go, and when he is old, he will not depart from it". In this her first book, Tonya Raby shares her personal testimony and some of her life's experiences while on her journey of establishing "Intimacy with God". She shares scriptures from what she calls her personal toolbox (the Bible) to better help you understand how you too can establish an "Intimate Relationship with God". Perfect for taking to church or using at home, young children will love this beautifully illustrated first Bible. A Child's First Bible is a new collection of 125 of the most familiar Bible passages, from both the Old and New Testaments. plants, animals, foods, and items from the Bible.

Why should your little one study anatomy? Because it's a prerequisite in life that body parts are identified, along with their uses. The purpose of this coloring book is to encourage understanding of anatomy while improving memory in every stroke. Coloring has the power to make that possible because it is a unique hands-on activity that creates imprints in the brain. Secure a copy now!

Retells eighteen stories from the Old and New Testaments, from creation to Jesus' crucifixion and resurrection.
