A psychological suspense novel that is "a mind-bending ride. Just when you think you've discovered the truth, a new secret is revealed." (Wendy Walker, author of All Is Not Forgotten). "...currently wanted by the police. If you know anything about the suspect's whereabouts, please call..." I look up at the TV screen, and my twin brother's face is splashed across it, life-size. It's a shock that makes my breath catch. This is my brother as an adult, my brother who I last saw fifteen years ago after the fire that killed our parents, covered in soot, clutching a lighter in his hand, his knuckles stark white against the dirt and ash. Everyone always said he'd grow up to be a heartbreaker. But his face has gone gaunt instead. The stubble on his cheeks and chin is patchy,

and his eyes look dull and dark. My first thought is that it's not him. Not my beautiful brother, the golden boy who everyone loved. Yet, deep down, I've always known this would eventually happen. What did you do this time, Eli? What the hell did you do? When Will and his mother crash their car in a snowstorm, a mysterious dragon saves them from danger.

New York Times bestselling author Jodi Picoult is widely acclaimed for her keen insights into the hearts and minds of real people. Now she tells the emotionally riveting story of a family torn apart by conflicting needs and a passionate love that triumphs over human weakness. Anna is not sick, but she might as well be. By age thirteen, she has undergone countless surgeries, transfusions, and shots so that her older sister, Kate, can somehow fight the leukemia that has plagued her since childhood. The product of preimplantation genetic diagnosis, Anna was conceived as a bone marrow match for Kate -- a life and a role that she has never challenged...until now. Like most teenagers, Anna is beginning to question who she truly is. But unlike most teenagers, she has always been defined in terms of her sister -- and so Anna makes a decision that for most would be unthinkable, a decision that will tear her family apart and have perhaps fatal consequences for the sister she loves. My Sister's Keeper examines what it means to be a good parent, a good sister, a good person. Is it morally correct to do whatever it takes to save a child's life, even if that means infringing upon the rights of another? Is it worth trying to discover who you really are, if that quest makes you like yourself less? Should you follow your own heart, or let others lead you? Once again, in My Sister's Keeper, Jodi Picoult tackles a controversial real-life subject with grace, wisdom, and sensitivity.

A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A hammer A tool for RULE Or, you can call it a gun. That’s what fifteen-year-old Will has shoved in the back waistband of his jeans. See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That’s where Will’s now heading, with that gun shoved in the back waistband of his jeans, the gun that was his brother’s gun. He gets on the elevator, seventh floor, stoked. He knows who he’s after. Or does he? As the elevator stops on the sixth floor, on comes Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that’s when Will sees that one bullet is missing. And the only one who could have fired Shawn’s gun was Shawn. Huh. Will didn’t know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck’s in the elevator? Just as Will’s trying to think this through, the door to the next floor opens. A teenage girl gets on, waves away the smoke from Dead Buck’s cigarette. Will doesn’t know her, but she knew him. Knew. When they were eight. And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END...if Will gets off that

elevator. Told in short, fierce staccato narrative verse, *Long Way Down* is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.
