

Pucked Up A Standalone Romantic Comedy The Pucked Series Book 2

From New York Times bestselling author Helena Hunting comes a new romance about trading secrets, breaking the rules, and playing for keeps. My name is Ryan Kingston, and I'm a rule follower. I've never been in a fistfight. I always obey the speed limit. I don't get drunk, and I definitely don't pick up random women at bars. Except the night I found out that my whole existence has been a lie. I got drunk. And picked up a stranger. Her name was Queenie, and she was everything I'm not: reckless, impulsive, and chaotic. We did shots and traded secrets. And ended up naked at my place. She left me a thank-you note in the morning and her panties as a parting gift. But no way to contact her. Six weeks later I'm sitting in the first official team meeting of the season, and there she is. I neglected to mention that I'm the goalie for Seattle's NHL team. And Queenie? Turns out she's the general manager's daughter.

From the New York Times-bestselling author of the Pucked series comes a romantic comedy about instant attraction, second chances, and not-so-little white lies.

An emotional love story that follows the touch-and-go relationship of Hayden and

Tenley; two young people who desperately want to love and be loved but are afraid to completely let go of their pasts. Their body art is hot. Their chemistry is even hotter. From her dark hair sweeping below her waist to her soft, sexy curves, Tenley Page intrigues tattoo artist Hayden Stryker in a way no one else ever has...especially when she asks him to ink a gorgeous, intricate design on her back. Yet for all her beauty, there is something darkly tragic and damaged about Tenley that Hayden is everything. Covered in ink and steel, Hayden is everything Tenley has never dared to want, awakening a desire to explore more than the art adorning his stunning body. Trapped by a past that leaves her screaming from nightmares, Tenley sees Hayden as the perfect escape. Although he has secrets too, if they both keep themselves guarded perhaps their intense physical connection will remain only that. But nothing, not even passion, can keep them safe from their pasts...

The 2nd standalone novel in The Pucked Series Miller "Buck" Butterson has been banging his way through life ever since a puck to the face fixed his messed up front teeth. After five years in the NHL, deflecting goals on the ice and scoring them with puck bunnies, Miller has decided he's ready for a girlfriend. A real, non-bunny girlfriend to take on dates, and not jump into bed with after five seconds of conversation. Miller thinks he's found that woman in his teammate's sister.

Except, unlike team captain and all-around nice guy Alex Waters--who happens to date his stepsister, Miller's media reputation as a manwhore is well earned. Beyond that minor detail, Miller doesn't know the first thing about relationships or the time and effort they require. Miller learns--eventually--that if he wants to make Sunshine "Sunny" Waters fall for him, he's going to have to do a whole lot more than show her his stick skills in the bedroom.

The 1st standalone novel in The Pucked Series With a famous NHL player for a stepbrother, Violet Hall is well acquainted with the playboy reputation of many a hockey star. So of course she isn't interested in legendary team captain Alex Waters or his pretty, beat-up face and rock-hard six-pack abs. When Alex inadvertently obliterates Violet's misapprehension regarding the inferior intellect of hockey players, he becomes much more than just a hot body with the face to match. Suffering from a complete lapse in judgment, Violet discovers just how good Alex is with the hockey stick in his pants. Violet believes her night of orgasmic magic with Alex is just that: one night. But Alex starts to call. And text. And email and send extravagant--and quirky--gifts. Suddenly, he's too difficult to ignore, and nearly impossible not to like. The problem is, the media portrays Alex as a total player, and Violet doesn't want to be part of the game.

of casual sex, but after seven years in an on-again, off-again relationship, she's definitely willing to give it a shot. And who better to try it with than her best friend's boyfriend's best friend? What could possibly go wrong? NHL player, Randy Ballistic, lives up to his last name on the ice and in the bedroom. His best friend and teammate has recently given up the puck bunnies and traded them in for a real girlfriend. And she just happens to have a seriously feisty, extra-hot best friend on the rebound. Randy's more than happy to be Lily's spring board back into the dating scene. But casual sex is only casual until those pesky things called emotions get involved. Once that happens, someone's bound to get pucked over.

The rules: no kissing on the mouth, no staying the night, no telling anyone, and above all... No falling in love. Anna Jones just wants to finish college and figure out her life. Falling for star quarterback Drew Baylor is certainly not on her to do list. Confident and charming, he lives in the limelight and is way too gorgeous for his own good. If only she could ignore his heated stares and stop thinking about doing hot and dirty things with him. Easy right? Too bad he's committed to making her break every rule... Football has been good to Drew. It's given him recognition, two National Championships, and the Heisman. But what he really craves is sexy yet prickly Anna Jones. Her cutting humor and blatant disregard

for his fame turns him on like nothing else. But there's one problem: she's shut him down. Completely. That is until a chance encounter leads to the hottest sex of their lives, along with the possibility of something great. Unfortunately, Anna wants it to remain a hook up. Now it's up to Drew to tempt her with more: more sex, more satisfaction, more time with him. Until she's truly hooked. It's a good thing Drew knows all about winning. All's fair in love and football...Game on. As two neighborhood shop owners battle for business, they prove opposites attract in this "deliciously sweet and savory new romantic comedy" (USA Today bestselling author Abby Jimenez). Blaire Calloway has planned every Instagram-worthy moment of her cupcake and cocktails shop launch down to the tiniest detail. What she didn't plan on? Ronan Knight and his old-school sports bar next door opening on the very same day. He may be super swoony, but Blaire hasn't spent years obsessing over buttercream and bourbon to have him ruin her chance at success. From axe throwing (his place) to frosting contests (hers), Blaire and Ronan are constantly trying to one-up each other in a battle to win new customers. But with every clash, there's also an undeniable chemistry. When an even bigger threat to their business comes to town, they're forced to call a temporary time-out on their own war and work together. And the more time Blaire spends getting to know the real Ronan, the more she wonders if it's

possible to have her cupcake and eat it too. "Kiss My Cupcake is a laugh-out-loud romance full of charm, wit and magic. Ronan and Blaire will have you fall in love with their story from their very first encounter. A thoroughly delicious read."

The New York Times bestselling author of Pucked and The Good Luck Charm delivers a Hollywood happily-ever-after where a famous heartthrob falls for his ultimate fangirl. "As charming as its title, but it's also so much more... Fans of Jasmine Guillory's The Wedding Date and Helen Hoang's The Kiss Quotient will love Meet Cute." --The Washington Independent Review of Books Kailyn Flowers was always calm, rational, and controlled--until she ended up sprawled all over Daxton Hughes, the former actor she totally crushed on as a teenager. Then she did the unthinkable: She became a mortifying fangirl in five seconds flat, which may or may not have included professing her undying love. And oddly, he didn't run away. In fact, their meet cute led to a friendship she never saw coming. Of course, she never saw his betrayal coming, either... Now Dax needs her help. As guardian to his thirteen-year-old sister, he's in way over his head. And though Kailyn hasn't forgiven Dax, she isn't heartless enough to make him fend for himself, either. The only thing Tate and Miles have in common is an undeniable mutual attraction. Once their desires are out in the open, they realize they have the perfect set-up. He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her. Never ask about the past. Don't expect a future. They think they can handle it, but realize almost immediately they can't handle it at all. Hearts get infiltrated. Promises get broken.

Rules get shattered. Love gets ugly.

So what if she's beautiful and intense and passionate and has the biggest heart I've ever known? I don't want to fall in love. I really don't. I need a date to a funeral. Clumsy sometimes fits, but then, that's true for all of us, right? But adorable? No. Misunderstood? Nope again. And I don't have a brother, or a best friend with a brother available, which means I'm stuck with Tyler Jaeger. Sure, he's a professional hockey player who also knows advanced calculus, but let's say we're not compatible and leave it at that. I should know. I am a matchmaker. Not a very good one, but that's beside the point. I know a mismatch when I see one. Still, Tyler's what I've got, and I am not going to this funeral solo, so he's what I'll take.
