For anyone who has ever felt like they don't belong, *Sigh, Gone* shares an irreverent, funny, and moving tale of displacement and assimilation woven together with poignant themes from beloved works of classic literature. In 1975, during the fall of Saigon, Phuc Tran immigrates to America along with his family. By

sheer chance they land in Carlisle, Pennsylvania, a small town where the Trans struggle to assimilate into their new life. In this coming-of-age memoir told through the themes of great books such as *The Metamorphosis*, *The Scarlet Letter*, *The Iliad*, and more, Tran navigates the push and pull of finding and accepting himself despite the challenges of immigration, feelings of isolation, and teenage rebellion, all while attempting to meet the rigid expectations set by his immigrant parents. Appealing to fans of coming-of-age memoirs such as *Fresh Off the Boat*, *Running with Scissors*, or tales of assimilation like Viet Thanh Nguyen's *The Displaced* and *The Refugees*, *Sigh, Gone* explores one man's bewildering experiences of abuse, racism, and tragedy and reveals redemption and connection in books and punk rock. Against the hairspray-and-synthesizer backdrop of the '80s, he finds solace and kinship in the wisdom of classic literature, and in the subculture of punk rock, he finds affirmation and echoes of his disaffection. In his journey for self-discovery Tran ultimately finds refuge and inspiration in the art that shapes—and ultimately saves—him. Take the wild ride with Debby DiMartino from Albany to San Francisco, from lost child to masked avenger." --The Boston Globe

"POWERFULLY WRITTEN . . . Debby has no memory of her birth parents. All she knows is that she was born in a remote Indian village, the daughter of a hippie back-packing mother and a mysterious Eurasian father, both of whom have disappeared almost without a trace. . . . Her quest for her biological parents turns into an obsession. . . . Leave It to Me . . . shows Mukherjee at the peak of her craft. . . . Mixing the Greek myth of Electra with the Indian myth of Devi, she sends Devi/Debby careening down on the Bay Area like an elemental force of vengeance." --San Francisco Chronicle

An astute, ironic, and merciless insight into an aberrant version of the American dream."

Pygmalion is a play by George Bernard Shaw, named after a Greek mythological figure. It was first presented on stage to the public in 1913.

Saint Joan is a play by George Bernard Shaw about 15th-century French military figure Joan of Arc.

Premiering in 1923, three years after her canonization by the Roman Catholic Church, the play reflects Shaw's belief that the people involved in Joan's trial acted according to what they thought was right. He wrote in his preface to the play: There are no villains in the piece. Crime, like disease, is not interesting: it is something to be done away with by general consent, and that is all [there is] about it. It is

what men do at their best, with good intentions, and what normal men and women find that they must and will do in spite of their intentions, that really concern u

The language we use forms an important part of our sense of who we are - of our identity. This book outlines the relationship between our identity as members of groups - ethnic, national, religious and gender - and the language varieties important to each group. What is a language? What is a dialect? Are there such things as language 'rights'? Must every national group have its own unique language? How have languages, large and small, been used to spread religious ideas? Why have particular religious and linguistic 'markers' been so central, singly or in combination, to the ways in which we think about ourselves and others? Using a rich variety of examples, the book highlights the linkages among languages, dialects and identities, with special attention given to religious, ethnic and national allegiances.

Educating Rita, about a working-class Liverpool girl's hunger for education, is 'simply a marvellous play, painfully funny and passionately serious; a hilarious social documentary; a fairy-tale with a quizzical, half-happy ending.' Sunday Times Educating Rita premiered at the RSC Warehouse, London, in June 1980. Voted Best Comedy of 1980, it was subsequently made into a highly successful film with Michael Caine and Julie Walters.

In 1401, Christine de Pizan (1365–1430?), one of the most renowned and prolific woman writers of the Middle Ages, wrote a letter to the provost of Lille criticizing the

highly popular and widely read Romance of the Rose for its blatant and unwarranted misogynistic depictions of women. The debate that ensued, over not only the merits of the treatise but also of the place of women in society, started Europe on the long path to gender parity.

Pizan's criticism sparked a continent-wide discussion of issues that is still alive today in disputes about art and morality, especially the civic responsibility of a writer or artist for the works he or she produces. In *Debate of the "Romance of the Rose,"* David Hult collects, along with the debate documents themselves, letters, sermons, and excerpts from other works of Pizan, including one from *City of Ladies*—her major defense of women and their rights—that give context to this debate. Here, Pizan's supporters and detractors are heard alongside her own formidable, protofeminist voice. The resulting volume affords a rare look at the way people read and thought about literature in the period immediately preceding the era of print.

powerful work, building on the violent emotions invoked by the storms, battles, warring gods, and monster-plagued wanderings of the epic's opening. Destined to be the founder of Roman culture, Aeneas, nudged by the gods, decides to leave his beloved Dido, causing her suicide in pursuit of his historical destiny. A dark plot, in which erotic passion culminates in sex, and sex leads to tragedy and death in the human realm, unfolds within the larger horizon of a supernatural sphere, dominated by power-conscious divinities. Dido is Aeneas' most significant other, and in their encounter Virgil explores timeless themes of love and loyalty, fate and fortune, the justice of the gods, imperial ambition and its victims, and ethnic differences. This course book offers a portion of the original Latin text, study questions, a commentary, and interpretative essays. Designed to stretch and stimulate readers, Ingo Gildenhard's incisive commentary will be of particular interest to students of Latin at both A2 and undergraduate level. It extends beyond detailed linguistic analysis to encourage critical engagement with Virgil's poetry and discussion of the most recent scholarly thought.

This is the classic tale of "Frankenstein," first published in 1818 by Mary Shelley. It tells the story of Victor Frankenstein, a young scientist who creates a grotesque creature. The book is written in the form of letters and narratives by multiple narrators.

Aylmer is a brilliant and recognized scientist and philosopher who drops his focus from his career and experiments to marry the beautiful Georgiana (who is physically perfect except for a small red birthmark in the shape of a hand on her cheek). As the story progresses, Aylmer becomes unnaturally obsessed with the birthmark on Georgiana's cheek. One night, he dreams of cutting the birthmark out of his wife's cheek

(removing it like scraping the skin from an apple) and then continuing all the way to her heart. He does not remember this dream until Georgiana asks about what his sleep-talking meant. When Aylmer remembers the details of his dream, Georgiana declares that she would rather risk her life having the birthmark removed from her cheek than to continue to endure Aylmer's horror and distress that comes upon him when he sees her. The following day, Aylmer deliberates and then decides to take Georgiana to the apartments where he keeps a laboratory. He glances at Georgiana casually and normally but can't help but shudder violently at seeing her imperfection; Aylmer's reaction causes her to faint. When she awakens, he treats her warmly and comforts her with some of his scientific concoctions but when he attempts to take a portrait of her, the image is blurred save for her birthmark revealing the disgust he has of it. He experiments some more and describes some of the successes to her but as he questions how she is feeling, Georgiana begins to suspect that Aylmer has been experimenting on her the entire time without her knowledge and consent. One day, she follows him into his laboratory, and on seeing her there, Aylmer accuses her of not trusting him and says that having her birthmark in the room will foil his efforts. She professes complete trust in him but demands that he inform her of his experiments. He agrees and reveals that his current experiment is his last attempt to remove the birthmark, and Georgiana vows to take the potion, regardless of any danger it poses to her.

Ovid's magnificent panorama of the Greek and Roman myths-presented by a noted poet, scholar, and critic. Prized through the ages for its splendor and its savage, sophisticated wit, *The Metamorphoses* is a masterpiece of Western culture-the first attempt to link all the Greek myths, before and after Homer, in a cohesive whole, to the Roman myths of Ovid's day. Horace Gregory, in this modern translation, turns his own poetic gifts toward a deft reconstruction of Ovid's ancient themes, using contemporary idiom to bring to today's reader all the ageless drama and psychological truths vividly intact.

The Apple Cart is Shaw's comedic play in which the King defeats an attempt by his popularly elected Prime Minister to deprive him of the right to influence public opinion through the press: in short, to reduce him to a cipher. An office in the royal palace. Two

writing-tables face each other from opposite sides of the room, leaving plenty of room between them. Each table has a chair by it for visitors. The door is in the middle of the farthest wall. The clock shews that it is a little past 11; and the light is that of a fine summer morning. Sempronius, smart and still presentably young, shews his right profile as he sits at one of the tables opening the King's letters. Pamphilius, middle aged, shews his left as he leans back in his chair at the other table with a pile of the morning papers at his elbow, reading one of them. This goes on silently for some time. Then Pamphilius, putting down his paper, looks at Sempronius for a moment before speaking.

PAMPHILIUS. What was your father?

SEMPRONIUS [startled] Eh?

PAMPHILIUS. What was your father?

SEMPRONIUS. My father?

PAMPHILIUS. Yes. What was he?

SEMPRONIUS. A Ritualist.

PAMPHILIUS. I dont mean his religion. I mean his profession. And his politics.

SEMPRONIUS. He was a Ritualist by profession, a Ritualist in politics, a Ritualist in religion: a raging emotional Die Hard Ritualist right down to his boots.

PAMPHILIUS. Do you mean that he was a parson?

SEMPRONIUS. Not at all. He was a sort of spectacular artist. He got up pageants and Lord Mayors' Shows and military tattoos and big public ceremonies and things like that. He arranged the last two coronations. That was how I got my job

here in the palace. All our royal people knew him quite well: he was behind the scenes with them. PAMPHILIUS. Behind the scenes and yet believed they were all real! SEMPRONIUS. Yes. Believed in them with all his soul. PAMPHILIUS. Although he manufactured them himself? SEMPRONIUS. Certainly. Do you suppose a baker cannot believe sincerely in the sacrifice of the Mass or in holy communion because he has baked the consecrated wafer himself? The massive destruction wreaked by the Hurricane of 1938 dwarfed that of the Chicago Fire, the San Francisco Earthquake, and the Mississippi floods of 1927, making the storm the worst natural disaster in U.S. history. Now, R.A. Scotti tells the story. Explores how the characters and lives of King George III of England and George Washington affected the progress and outcome of the American Revolution.
