Instead, you were meant to live a life filled with well-being, joy, and love. We are here to assist in the awakening of all people to the awareness of God within all. The time is now to wake up, for what is coming is much greater than has been previously allowed or believed. It is happening. they bring forward 'memory triggers' designed to act as a catalyst into the awakening process at various stages and respond to many of the questions which the starseeds are asking. Why are we here? Who are we? What are we supposed to do? What is it that we are to remember? Why did we lose our memories in the first place? What is the call of humanity? What is the fall of man? What is 'zero point'? An in depth analysis and explanation of the 'twin flame consciousness' and how this relates to the ascension experience is part of this transmission. Embracing the inner archetypes of the 'Alchemist' and the 'Architect' and knowing how to construct your own personal matrix will move you into the memory recall needed. Drawing on ancient wisdom, it tells you how to make connections among the events happening in your life right now and lets you see what is going to happen to you in the years to come. The story it tells is a gripping one of adventure and discovery, but it is also a guidebook that has the power to crystallize your perceptions of why you are where you are in life and to direct your steps with a new energy and optimism as you head into tomorrow. From #1 New York Times bestselling author Brandon Sanderson, the *Mistborn* series is a heist story of political intrigue and magical, martial-arts action. The impossible has been accomplished. The Lord Ruler -- the man who claimed to be god incarnate and brutally ruled the world for a thousand years -- has been vanquished. But Kelsier, the hero who masterminded that triumph, is dead too, and now the awesome task of building a new world has been left to his young protégé, Vin, the former street urchin who is now the most powerful *Mistborn* in the land, and to the idealistic young nobleman she loves. As Kelsier's protégé and slayer of the Lord Ruler she is now venerated by a budding new religion, a distinction that makes her intensely uncomfortable. Even more worrying, the mists have begun behaving strangely since the Lord Ruler died, and seem to harbor a strange vaporous entity that haunts her. Stopping assassins may keep Vin's *Mistborn* skills sharp, but it's the least of her problems. Luthadel, the largest city of the former empire, doesn't run itself, and Vin and the other members of Kelsier's crew, who lead the revolution, must learn a whole new set of practical and political skills to help. It certainly won't get easier with three armies -- one of them composed of ferocious giants -- now vying to conquer the city, and no sign of the Lord Ruler's hidden cache of atium, the rarest and most powerful allomantic metal. As the siege of Luthadel tightens, an ancient legend seems to offer a glimmer of hope. But even if it really exists, no one knows where to find the Well of Ascension or what manner of power it bestows. This fourth book in the Essence Path series, "Timeline Collapse and Universal Ascension: The Future of Third Dimensional Earth and Fifth Dimensional Terra," continues an extraordinary journey into higher levels of spiritual guidance, awakening and the metaphysical world. desk looking like a newscaster. He was blonde and had on a uniform, which I thought looked like the Uniform of a member of the Galactic Federation. His uniform was white and gold with an insignia over his heart. There were also golden adornments on his shoulders, and his collar was straight up, like a military uniform. In fact, it was a dress military uniform, but not from our military. After hearing twice that he had "Transmissions from Home," I turned on my computer, put my hands over the keyboard and prepared my consciousness for his message by saying, "I am ready for your transmission." I was surprised when the first message came from a female named, Mytria.

In *Waking the Goddess*, Book Two of the Body Ascension Series, Angela courageously shares the gifts of her deep exploration of the creative and sexual energy, as she opens the circuitry within her body through Explosive Sexual Healing and G-spot orgasm. The opening of the pathways within her body and the activation of the sacred feminine Shakti energy initiates her into the deepest transformation of her life, as this awakened energy draws her to her Twin Flame. believe in the fairy tale concept of happily-ever-after when Twin Flames meet, but the truth is much different. While the gift of eternity is literally experienced in a single meeting of the eyes, it is also the most intense catalyst of spiritual awakening one can imagine. Anything that stands between where you are and true unconditional love gets served up for incineration. Every illusion and false belief around relationship, love, sex, money and religion rises to be transmuted on behalf of self and the collective. Angela's extensive training in esoteric and yogic practice poises her to handle deep cellular, mental, emotional and spiritual lessons as she literally transmutes millennia of feminine pain and illusion through her very body. Despite barriers that are destined to keep them apart, Angela and her twin Max are drawn together by a tractor beam of divine eternal love, and walk bravely into the flames of transformation, trusting a higher purpose within the blueprint of the true divine union. The gifts are as immense as the pain as they swing in the polarity of human experience, discovering the meaning of divine union in the act of unifying the polarity into oneness. Ultimately twins find each other to embody unconditional love and awaken to their roles of being in service to humanity. This is the most raw and naked sharing of truth as Angela bares it all in every way imaginable, reaching deeper levels of authenticity in her quest to inspire all others to the courage to be their truest, most authentic selves.

But as always, evil stands in the way of good. Jadzia, the alluring queen of the devil, is determined to snatch Erik for Satan's army and she would do anything to get him—even using the girl he loves. Erik's destiny is tied in the ultimate battle between good and evil. The question is— which side will Erik choose? Unravel the intriguing answer in Ascension...

The awakening begins in an ascending consciousness with an unspecified dissatisfaction regarding the established rules and assumptions. You cannot identify the irritation, but it feels as if there should be something more. Because of this, you begin to look for answers outside of the normal channels and your awakening commences. The messages for awakening are as diverse as their sources because they are designed to reach different levels of consciousness—yet the truth is always the truth, though the form it takes may vary. Expansion for Ascending Consciousness is a cooperative effort to provide a basis for understanding consciousness and the energy construct we exist within. The intent is to remove the mysticism surrounding consciousness and embodied experience. While complex and miraculous in its design, consciousness is scientifically explainable and the foundation upon which the universe has been created. As an ascending collective, you have reached a time in your development where mysticism has outlived its usefulness. Truth comes in many forms, and thus the information you

gravitate to at any given moment is dependent upon what resonates with your current level of awakening. At a point in this process you will look back upon the information you have accumulated and see that each one was a step that incrementally raised your awareness. Expansion for Ascending Consciousness contains the next step along this path of ascension. There is a river of light, pure intelligence and love within each of us. When the river flows in its fullness, unimpeded from head to toe, we feel successful, happy, fulfilled and awake to our true nature as eternal, timeless beings. Unfortunately, often the river is merely a trickle. Returning to Oneness reveals the limitations that restrict the flow of light in the body and mind and shows us how to awaken more permanently to our full potential by using a series of simple keys, which are based in the ancient teachings of non-duality. Presented here in a clear, easy, user-friendly form, the Seven Keys (now Eight) offer a path out of our confusion and angst. Never before have the teachings of love, wisdom and unity consciousness been so greatly needed as they are now, as tools for navigating these extraordinary times of rapid, accelerating change. As revealed in this much-anticipated third edition, Earth and humanity are opening to new levels of spiritual power and awareness. We are experiencing a complex re-working of our old energy system into a dramatically new one that allows the physical body to tap fully into its vast multidimensionality. This radical overhaul of the body's subtle-physical anatomy heralds the emergence of both a completely new, integrated human being and a whole new planetary

energy system. By activating and developing our direct connection to Source, we can not only survive but thrive amidst the challenges of today, including the assaults of our increasingly stressful, chaotic and toxic environment. This book contains many practical exercises, prayers and meditations to help us reach new, ascended states of consciousness-and live healthy, productive and fulfilling lives.

In this third book in the Lightning Path lesson series Michael teaches you the foundational concepts and techniques that will support and drive your spiritual and mystical awakening. Learn about the importance of right thought, right action, and right environment. Learn the three "A's" of spiritual progress. Learn how to "do what it takes" to prepare the vessel and get ready for the now inevitable individual and collective descent of consciousness into the Body --- The Lightning Path (or simply LP for short) is an intellectual, emotional, psychological, and spiritual system of awakening and empowerment (a "mystery school" if you like, but without all the useless mystery) designed to help you get of the sinking ship off the old world and make "the shift" into an awakened, activated, and ascended state of existence. It is sophisticated, straight forward, powerful, logical, grounded, rational, intellectually and metaphorically rigorous, politically sophisticated, empirically verifiable, authentic, and effective. This invaluable text supports Lightworkers and Starseeds in their path of remembrance and the activation of their light body and star-seed. This book holds written and energetically coded messages from star councils and the Archangels. Olszweski, Canada "Activating The Starseed goes straight to the heart of enlightenment. I found that it offered practical steps toward raising one's frequency and understanding our energetic bodies, along with a nearly palpable energy that worked on other levels as I read the book. I truly enjoyed the chance to go along on Amy and Connie's journey toward discovery as their friendship grew and as their insight from the councils strengthened and came together. As a whole, this book is a refreshing yet profound reminder that we are not alone, that we

are here during this time frame for a reason, and that our light is spreading and taking root. I feel that this book will serve as a priceless tool toward the awakening, activation, and ascension of all who are led to it!" -Lindsay Golden Johnson, USA "This is a greeting for you the reader, as we welcome you to this book, to these teachings, and into these understandings. Please know that as you continue in your journeys of raising your vibrations and sharing your light, you are supported by the love divine. It is through your intentions and activations that your desired ascensions will relate your imparted knowledge, understandings, and remembrances. For once the light body is activated and the star seed (for those who are seeded) ignited, memories of your soul's origin and purposes will unfold. Surfacing from your mind, the subconscious, you will begin having recollections and innate, instinctually guided, instructions as the light codes within your being relay their formulated plans and your desires; the desires that you set forth upon yourself prior to this incarnation. And so it is at this time that we greet you, with love and in love. It is at this time that we say hello and extend a greeting to you from us, who are of the stars, of your home and of your space of origin." -The Council of 8 Starseeds, Lightworkers, Earth Angels, Indigo, Crystal and Rainbow children, Energy Healers and those awakening to the extrasensory worlds around them will benefit from
