Tolstoy's Anna Karenina is the story of a woman, Anna, wife of Alexei Alexandrovich Karenin. She is an apparently happily married matron of the Russian upper class. The novel begins with her attempt to smooth the troubled waters of her brother's adulterous affair. Due to circumstances surrounding this situation she ends up in an adulterous affair of her own with a wealthy army officer, Count Vronsky. The novel is about the choices people make and the consequences of their actions in a society of strict social rules, hypocrisies and prejudices. Tolstoy weaves a story of great intricacy with a myriad of characters that move the action forward. Anna's actions as a married woman involved in an extramarital affair eventually lead her to be outcast from her own society. She goes into an emotional decline and in time, commits suicide. The novel has a subplot about a young woman named Kitty who is courted by both Count Vronsky and a landowner, Konstantin Dmitrich Levin. She prefers Vronsky, but when she finds out about his affair with Anna, she is devastated and turns to Levin for comfort, and marries him. Their situation is a positive note in the novel - they enjoy a contented marriage. This annotated edition includes a biography and critical essay.

Widely considered a pinnacle in realist fiction, Tolstoy considered Anna Karenina his first real novel and Dostoevsky declared it to be "flawless as a work of art". His opinion was shared by Vladimir Nabokov, who especially admired "the flawless magic of Tolstoy's style", and by William Faulkner, who described the novel as "the best ever written". The novel is currently enjoying enormous popularity, as demonstrated by a recent poll of 125 contemporary authors by J. Peder Zane, published in 2007 in The Top Ten, which declared that Anna Karenina is the "greatest novel ever written". Plot: A bachelor, Vronsky is willing to marry her if she would agree to leave her husband Karenin, a government official, but she is vulnerable to the pressures of Russian social norms, her own insecurities and Karenin's indecision. Although Vronsky eventually takes Anna to Europe where they can be together, they have trouble making friends. Back in Russia, she is shunned, becoming further isolated and anxious, while Vronsky pursues his social life. Despite Vronsky's reassurances she grows increasingly possessive and paranoid about his imagined infidelity. About the Garnett translation: Constance Garnett's translation of Anna Karenina is still among the best. Some scholars feel that her language is closer to the 19th-century sense of the original. Garnett translated seventy volumes of Russian prose for publication, including all of Dostoyevsky's novels. A friend of Garnett's, D. H. Lawrence, was in awe of her matter-of-fact endurance, recalling her "sitting out in the garden turning out reams of her marvelous translations from the Russian. She would finish a page, and throw it off on a pile on the floor without looking up, and start a new page.

Hot and sticky describes the ancient Japanese city of Kyoto in summer. And that is just the situation Peter Meadows finds himself in when he flees to Kyoto for his summer vacation. During the rest of the year the middle-aged Meadows teaches in Tokyo, a circumstance which conveniently enables him to leave his commanding wife (who hates Japan) back in England. In the old capital Meadows also expects to find relief from Noriko, his grim Japanese mistress. But in the small wood-and-paper Japanese house he has rented, he finds something unexpected: another woman to desire. Kazumi is seductive, yet she always manages to slip away. Then Noriko arrives, oddly possessive but sharing giggles with Kazumi--perhaps about Meadows's prowess? Next on the scene is Miss Goto, polite, apologetic, a serious lover of theater who turns an elaborately staged seduction into a comedy of errors. When wife Monica shows up from England, Meadows must choose...and fast. John Haylock's novel vividly evokes the languid torpor of summer in the fabled city of temples and gardens. Yet hidden within this steamy farce about obsessive lust is an underbelly of duplicity, discontent, and fear. When making his choice, Peter Meadows confronts the love-hate relationship that afflicts the typical gaijin--foreigner--in Japan. Remaining in Japan may be impossible, but escaping only creates the desire to return. John Haylock was educated at Cambridge University and spent 14 years in Japan as a teacher and writer.

The author traces her childhood in war-torn Liberia and her reunion with a foster sister who had been left behind when her family fled the region.

All the stories about Princes and Princesses in this book are true stories out of old books of history. There are some children who make life difficult by saying, first that stories about fairies are true, and that they like fairies; and next that they do not like true stories about real people, who lived long ago. I am quite ready to grant that there really are such things as fairies, because, though I never saw a fairy, any more than I have seen the little animals which lecturers call molecules and ions, still I have seen people who have seen fairies - truthful people. Now I never knew a lecturer who ventured to say that he had seen an ion or a molecule. It is well known, and written in a true book, that the godmother of Joan of Arc had seen fairies, and nobody can suppose that such a good woman would tell her godchild what was not true - for example, that the squire of the parish was in love with a fairy and used to meet her in the moonlight beneath a beautiful tree. In fact, if we did not believe in fairy stories, who would care to read them? Yet only too many children dislike to read true stories, because the people in them were real, and the things actually happened. Is not this very strange? This book is fully illustrated and annotated with a rare extensive biographical sketch of the author, Andrew Lang, written by Sir Edmund Gosse, CB, a contemporary poet and writer. Contents: Napoleon His Majesty The King Of Rome The Princess Jeanne Hacon The King Mi Reina! Mi Reina! Henriette The Siege Baby The Red Rose The White Rose Richard The Fearless Frederick And Wilhelmine Une Reine Malheureuse The 'Little Queen' Two Little Girls And Their Mother The Troubles Of Queen Elizabeth

Anna Karenina is the story of a married aristocrat/socialite and her affair with the affluent Count Vronsky. The story opens when she arrives in the midst of a family broken up by her brother's unbridled womanizing—something that prefigures her own later situation, though she would experience less tolerance by others. A bachelor, Vronsky is eager to marry her if she will agree to leave her husband Karenin, a senior government official, but she is vulnerable to the pressures of Russian social norms, the moral laws of the Russian Orthodox Church, her own insecurities, and Karenin's indecision. Although Vronsky and Anna go to Italy, where they can be together, they have trouble making friends. Back in Russia, she is shunned, becoming further isolated and anxious, while Vronsky pursues his social life... His opinion was shared by Vladimir Nabokov, who especially admired "the flawless magic of Tolstoy's style", and by William Faulkner, who described the novel as "the best ever written". About the Maude translation: the translation by Aylmer Maude and Louise Shanks Maude is highly considered by scholars. This unabridged translation from the original Russian was originally published in 1918. The Maudes were classical translators of Leo Tolstoy who worked directly with the author and gained his personal endorsement. About the Garnett translation: Constance Garnett's translation of Anna Karenina is still among the best. Some scholars feel that her language is closer to the 19th-century sense of the original. Garnett translated seventy volumes of Russian prose for publication, including all of Dostoyevsky's novels.

Anna Karenina is a novel by the Russian writer Leo Tolstoy, published in serial installments from 1873 to 1877 in the periodical The Russian Messenger. Tolstoy clashed with editor Mikhail Katkov over political issues that arose in the final installment (Tolstoy's negative views of Russian volunteers going to fight in Serbia); therefore, the novel's first complete appearance was in book form in 1878. Widely regarded as a pinnacle in realist fiction, Tolstoy considered Anna Karenina his first true novel. Fyodor Dostoyevsky declared it "flawless as a work of art." His opinion was shared by Vladimir Nabokov, who especially admired "the flawless magic of Tolstoy's style," and by William Faulkner, who described the novel as "the best ever written.". The novel remains popular, as demonstrated by a 2007 poll of 125 contemporary authors in Time, which declared that Anna Karenina is the "greatest book ever written."

The Historical Romance explores the ways in which romance authors seek to represent our fantasies of life in the past. Examining how the cut-and-thrust swashbucklers of the 1930s gave way to female-orientated romances, Helen Hughes takes a comprehensive look at how romance authors have dealt with the turbulent question of female independence, and how traditional attitudes towards love, marriage and women's sexuality have been approached in more recent texts. Hughes also charts the ways in which the marketing of romance has developed, with the eventual explosion of the mass market and the blockbusting family sagas of the eighties. The Historical Romance unravels the formulaic and mythical nature of historical romance to provide a fascinating study of this highly popular genre.

Shopping Around investigates the issues of contemporary popular narrative, feminine pleasure, and consumer culture, viewing the permutations of the feminine subject as a textual construction evolved through everyday life. A wide spectrum of texts are examined, exposing the fact that women "read" within a complex and conflicted cultural arena characterized by a significant intertextuality that multiply defines "femininity." Shopping Around raises these issues in the context of everyday cultural practices such as applying make-up, reading magazines, watching television, and working-out, providing a unique introduction to postmodern feminist and cultural theory.

A married woman falls blindly in love with a handsome military officer. Happy families are all alike; every unhappy family is unhappy in its own way. States Leo Tolstoy in his great modern novel of an adulterous affair set against the backdrop of Moscow and St. Petersburg high society in the later half of the nineteenth century. A sophisticated woman who is respectably married to a government bureaucrat, Anna begins a passionate, all-consuming involvement with a rich army officer. Refusing to conduct a discreet affair, she scandalizes society by abandoning both her husband and her young son for Count Vronsky—with tragic consequences. Running parallel is the story of the courtship and marriage of Konstantin Levin (the melancholy nobleman who is Tolstoy's stand-in) and Princess Kitty Shcherbatsky.
