

## The Midnight Line Jack Reacher 22

#1 NEW YORK TIMES BESTSELLER • Jack Reacher is back in a brand-new page-turning thriller from acclaimed #1 bestselling authors Lee Child and Andrew Child. Digging graves had not been part of my plans when I woke up that morning. Reacher goes where he wants, when he wants. That morning he was heading west, walking under the merciless desert sun—until he comes upon a curious scene. A Jeep has crashed into the only tree for miles around. A woman is slumped over the wheel. Dead? No, nothing is what it seems. The woman is Michaela Fenton, an army veteran turned FBI agent trying to find her twin brother, who might be mixed up with some dangerous people. Most of them would rather die than betray their terrifying leader, who has burrowed his influence deep into the nearby border town, a backwater that has seen better days. The mysterious Dendoncker rules from the shadows, out of sight and under the radar, keeping his dealings in the dark. He would know the fate of Fenton's brother. Reacher is good at finding people who don't want to be found, so he offers to help, despite feeling that Fenton is keeping secrets of her own. But a life hangs in the balance. Maybe more than one. But to bring Dendoncker down will be the riskiest job of Reacher's life. Failure is not an option, because in this kind of game, the loser is always better off dead.

Twenty masters of suspense join forces to present one gripping mystery that follows a one-time NYPD homicide cop as he, hired by a wealthy Upper East Side matron to find her daughter, discovers that there is much more to this story during a bitterly cold winter where everyone has something to hide. Reprint.

Two lonely towns in Colorado: Hope and Despair. Between them, twelve miles of empty road. Jack Reacher never turns back. It's not in his nature. All he wants is a cup of coffee. What he gets is big trouble. So in Lee Child's electrifying new novel, Reacher—a man with no fear, no illusions, and nothing to lose—goes to war against a town that not only wants him gone, it wants him dead. It wasn't the welcome Reacher expected. He was just passing through, minding his own business. But within minutes of his arrival a deputy is in the hospital and Reacher is back in Hope, setting up a base of operations against Despair, where a huge, seething walled-off industrial site does something nobody is supposed to see . . . where a small plane takes off every night and returns seven hours later . . . where a garrison of well-trained and well-armed military cops—the kind of soldiers Reacher once commanded—waits and watches . . . where above all two young men have disappeared and two frightened young women wait and hope for their return. Joining forces with a beautiful cop who runs Hope with a cool hand, Reacher goes up against Despair—against the deputies who try to break him and the rich man who tries to scare him—and starts to crack open the secrets, starts to expose the terrifying connection to a distant war that's killing Americans by the thousand. Now, between a town and the man who owns it, between Reacher and his conscience, something has to give. And Reacher never gives an inch.

**NEW YORK TIMES BESTSELLER** • Get ready for the ultimate Jack Reacher experience: a thrilling new novella and eleven previously published stories, together for the first time in one pulse-pounding collection from Lee Child. *No Middle Name* begins with "Too Much Time," a brand-new work of short fiction that finds Reacher in a hollowed-out town in Maine, where he witnesses a random bag-snatching but sees much more than a simple crime. "Small Wars" takes readers back to 1989, when Reacher is an MP assigned to solve the brutal murder of a young officer found along an isolated forest road in Georgia—and whose killer may be hiding in plain sight. In "Not a Drill," Reacher tries to take some downtime, but a pleasant hike in Maine turns into a walk on the wild side—and perhaps something far more sinister. "High Heat" time-hops to 1977, when Reacher is a teenager in sweltering New York City during a sudden blackout that awakens the dark side of the city that never sleeps. Okinawa is the setting of "Second Son," which reveals the pivotal moment when young Reacher's sharp "lizard brain" becomes just as important as his muscle. In "Deep Down," Reacher tracks down a spy by matching wits with four formidable females—three of whom are clean, but the fourth may prove fatal. Rounding out the collection are "Guy Walks into a Bar," "James Penney's New Identity," "Everyone Talks," "The Picture of the Lonely Diner," "Maybe They Have a Tradition," and "No Room at the Motel." No suitcase. No destination. No middle name. No matter how far Reacher travels off the beaten path, trouble always finds him. Feel bad for trouble. Praise for *No Middle Name* "Captivating . . . classic [Lee] Child . . . This volume demonstrates what his fans already know: he's a born storyteller and an astute observer."—Publishers Weekly (starred review) "Lee Child, like his creation, always knows exactly what he's doing—and he does it well. Time in his company is never wasted."—Evening Standard

#1 NEW YORK TIMES BESTSELLER \* Family secrets come back to haunt Jack Reacher in this electrifying thriller from "a superb craftsman of suspense" (Entertainment Weekly). Jack Reacher hits the pavement and sticks out his thumb. He plans to follow the sun on an epic trip across America, from Maine to California. He doesn't get far. On a country road deep in the New England woods, he sees a sign to a place he has never been: the town where his father was born. He thinks, What's one extra day? He takes the detour. At the same moment, in the same isolated area, a car breaks down. Two young Canadians had been on their way to New York City to sell a treasure. Now they're stranded at a lonely motel in the middle of nowhere. The owners seem almost too friendly. It's a strange place, but it's all there is. The next morning, in the city clerk's office, Reacher asks about the old family home. He's told no one named Reacher ever lived in town. He's always known his father left and never returned, but now Reacher wonders, Was he ever there in the first place? As Reacher explores his father's life, and as the Canadians face lethal dangers, strands of different stories begin to merge. Then Reacher makes a shocking discovery: The present can be tough, but the past can be tense . . . and deadly. Don't miss a sneak peek of Lee Child's novel Blue Moon in the back of the book. With Reacher, #1 New York Times bestselling author Lee Child has created "a series that stands in the front rank of modern thrillers" (The Washington Post). Everything starts somewhere. . . . For elite military cop Jack Reacher, that somewhere was Carter Crossing, Mississippi, way back in 1997. A lonely railroad track. A crime scene. A coverup. A young woman is dead, and solid evidence points to a soldier at a nearby military base. But that soldier has powerful friends in Washington. Reacher is ordered undercover--to find out everything he can, to control the local police, and then to vanish. Reacher is a good soldier. But when he gets to Carter Crossing, he finds layers no one saw coming, and the investigation spins out of control. Local sheriff Elizabeth Deveraux has a thirst for justice--and an appetite for secrets. Uncertain they can trust one another, Reacher and Deveraux reluctantly join forces. Reacher works to uncover the truth, while others try to bury it forever. The conspiracy threatens to shatter his faith in his mission, and turn him into a man to be feared. A novel of unrelenting suspense that could only come from the pen of #1 New York Times bestselling author Lee Child, *The Affair* is the start of the Reacher saga, a thriller that takes Reacher--and his readers--right to the edge . . . and beyond.

When Jack Reacher finds a West Point class ring in a pawn shop in Wisconsin, he starts searching for Major Serena Sanderson and fights his way through a biker gang and a South Dakota gangster to Wyoming.

**THE NUMBER ONE BESTSELLER** Jack Reacher is having a bad day. It would be a dumb idea to make it worse. Reacher sees a West Point class ring in a pawn shop window. It's tiny. It's a woman cadet's graduation present to herself. Why would she give it up? Reacher was a West Pointer too, and he knows what she went through to get it. All he wants is to find the woman. He'll have to go through bikers, cops, crooks, and low-life muscle. If she's ok, he'll walk away. If she's not ... he'll stop at nothing. Best advice: stay out of his way.

**#1 NEW YORK TIMES BESTSELLER** • Jack Reacher returns in another fast-moving, action-packed, suspenseful book from Lee Child. You can leave the army, but the army doesn't leave you. Not always. Not completely, notes Jack Reacher—and sure enough, the retired military cop is soon pulled back into service. This time, for the State Department and the CIA. Someone has taken a shot at the president of France in the City of Light. The bullet was American. The distance between the gunman and the target was exceptional. How many snipers can shoot from three-quarters of a mile with total confidence? Very few, but John Kott—an American marksman gone bad—is one of them. And after fifteen years in prison, he's out, unaccounted for, and likely drawing a bead on a G8 summit packed with enough world leaders to tempt any assassin. If anyone can stop Kott, it's the man who beat him before: Reacher. And though he'd rather work alone, Reacher is teamed with Casey Nice, a rookie analyst who keeps her cool with Zoloff. But they're facing a rough road, full of ruthless mobsters, Serbian thugs, close calls, double-crosses—and no backup if they're caught. All the while Reacher can't stop thinking about the woman he once failed to save. But he won't let that that happen again. Not this time. Not Nice. Reacher never gets too close. But now a killer is making it personal. Praise for *Personal* “The best one yet.”—Stephen King “Reacher is the stuff of myth, a great male fantasy. . . . One of this century’s most original, tantalizing pop-fiction heroes . . . Child does a masterly job of bringing his adventure to life with endless surprises and fierce suspense.”—The Washington Post “Yet another satisfying page-turner.”—Entertainment Weekly “Reacher is always up for a good fight, most entertainingly when he goes mano a mano with a seven-foot, 300-pound monster of a mobster named Little Joey. But it's Reacher the Teacher who wows

here.”—Marilyn Stasio, *The New York Times*

Jack Reacher races to solve the perfect crime in the fourth novel in Lee Child's New York Times bestselling series. Across the country, women are being murdered, victims of a disciplined and clever killer who leaves no trace evidence, no fatal wounds, no signs of struggle, and no clues to an apparent motive. They are, truly, perfect crimes. In fact, there's only one thing that links the victims. Each one of the women knew Jack Reacher—and it's got him running blind.

THE CASE IS A COMPLEX BATTLEFIELD; BUT, AS ALWAYS, IN BATTLE, REACHER IS AT HIS BEST.

"Child's best for some time...with detective-story and romcom elements (even sly humour) on top of the psychological duels and set-piece violence." (*Sunday Times*) Jack Reacher has no place to go, and all the time in the world to get there. A remote railroad stop on the prairie with the curious name of Mother's Rest seems perfect for an aimless one-day stopover. He expects to find a lonely pioneer tombstone in a sea of nearly-ripe wheat. Instead there is a woman waiting for a missing colleague, a cryptic note about two hundred deaths, and a small town full of silent, watchful people. Reacher's one-day stopover turns into an open-ended quest leading to the most hidden reaches of the internet, and right into the nightmare heart of darkness. \_\_\_\_\_ Although the Jack Reacher novels can be read in any order, *Make Me* is 20th in the series. Three are clean—but the fourth may prove fatal. Includes a thrilling preview of Lee Child's hotly anticipated Jack Reacher novel, *A Wanted Man!* Summoned by Military Intelligence to Washington, D.C., Reacher is sent undercover. Hill paymasters for classified talks on a new, state-of-the-art sniper rifle for U.S. forces. But vital details about the weapon are leaking—straight from the Capitol and probably into the hands of unidentified foreign arms dealers. The prospect of any and every terrorist, mercenary, or dictator’s militia getting their hands on the latest superior firepower is unthinkable. That’s where Reacher comes in. His task: infiltrate the top-secret proceedings and smoke out the mole. His target: a quartet of high-powered Army political liaison officers—all of them fast-track women on their way to the top. According to his bosses, it’s a zero-danger mission. No need to draw a gun . . . just chat over drinks. But Reacher knows that things are rarely what they seem. And he’s learned the hard way never to underestimate an opponent. Or four. Lessons that will come in handy when he starts digging for the truth—and gets his hands a lot dirtier than he expected. “Child is a superb craftsman of suspense.”—Entertainment Weekly “The truth about Reacher gets better and better.”—Janet Maslin, *The New York Times*

Reacher takes a stroll through a small Wisconsin town and sees a class ring in a pawn shop window: West Point 2005. A tough year to graduate: Iraq, then Afghanistan. The ring is tiny, for a woman, and it has her initials engraved on the inside. Reacher wonders what unlucky circumstance made her give up something she earned over four hard years. He decides to find out. And find the woman. And return her ring. Why not? So begins a harrowing journey that takes Reacher through the upper Midwest, from a lowlife bar on the sad side of small town to a dirt-blown crossroads in the middle of nowhere, encountering bikers, cops, crooks, muscle, and a missing persons PI who wears a suit and a tie in the Wyoming wilderness. The deeper Reacher digs, and the more he learns, the more dangerous the terrain becomes. Turns out the ring was just a small link in a far darker chain. Powerful forces are

No scores to settle. Not yet anyway. Of course, this wouldn't be the first time he listened to his gut instead.
