How You Can Work As A Background Actor(Extra) in Movies, Commercials, and Television. Have you ever wanted to be on TV or in the movies but lacked acting experience? Background acting takes zero experience and you do not even need any Hollywood connections(other than me)! Background acting is also great for actors who have trouble finding regular acting jobs. Background acting is where many actors get started and how they pay the bills until their acting career takes off. It is also how many average people find a little excitement by participating in the entertainment industry. I will reveal the world of the Movie Extra to you. I worked as a background actor(also called an Extra) for over three years. A small sample of the jobs I worked are listed in the appendix along with some famous people I met in the industry. This book documents almost everything I learned and in it I reveal the secrets that will help you succeed in Hollywood. Now, let's get you started in the movie business.

This business book is different. Unlike every other book you'll read with titles like "How To Craft The Perfect Business Plan in 89 Incredibly Simple Steps", this book is different. It's a simple "How To" guide for creating a Business Plan that's right for you and your business and also an easy to follow workbook. The workbook will guide you through the process you need to follow. It tells you the questions that you need to consider, the numbers you need (and how to get them), and supporting documents you need to gather. The main purpose of a business plan is to aid YOU in running YOUR business. So the workbook has been designed for you to write the information in and refer back to as needed. If you need to supply your Business Plan to another party, such as a bank if you're looking for finance, then it's simple to type up the various sections for a professional document. Running your own business is both a challenging and daunting prospect. With a well-thought-out business plan in place (anticipating the challenges you'll face AND the solutions) it will be much less daunting and much more exciting. Good luck! Molly
