

## Who Was Abigail Adams

Presents the life and accomplishments of the second First Lady of the United States, and discusses her fight for women's rights.

Presents a biography of Abigail Adams (1744-1818), wife of the second president of the United States, John Adams, and mother of the sixth, John Quincy Adams.

This work tells not only of her extraordinary life but of the major political and social developments of the time.

Adams's life is one of the most documented of the first ladies: she is remembered for the many letters she wrote to her husband while he stayed in Philadelphia,

Pennsylvania, during the Continental Congresses. John frequently sought the advice of Abigail on many matters, and their letters are filled with intellectual discussions on government and politics. The letters serve as eyewitness accounts of the American Revolutionary Warhome front.

Documents the intertwined stories of America's second first lady and her two sisters, tracing their colonial childhoods, eyewitness roles in the American Revolution and adult influence on the country's early history.

Describes the life and accomplishments of the wife of the second president of the United States.

A biography of the First Lady who used her letters to influence the laws of the new nation and improve the lives of American women.

Illustrated biographies featuring a range of fascinating figures from history (and current figures, too!) provide great information and entertainment through short chapters and illustrations that will appeal to reluctant

readers as well as middle readers in general. Original. Explores the unique partnership of American statesman John Adams and his wife Abigail, using excerpts from the couples letters.

Shares the light perspectives of the second president's wife on a wide range of subjects as drawn from her personal writings, categorizing entries under such subjects as human nature, politics, and family life while providing accompanying biographical and source information.

Presents the life and accomplishments of the wife of the second president of the United States, a dedicated wife and mother who played an important role in the birth of the nation. Reproduction of the original: Familiar Letters of John Adams and his Wife Abigail Adams, during the Revolution by Charles Francis Adams

Profiles the life and accomplishments of First Lady Abigail Adams, especially her work on behalf of women's rights and education; includes study and discussion questions.

Introduces the life of Abigail Adams, the wife of President John Adams, who was much more independent than many women of her time, running a farm in her husband's absence and speaking and writing about women's rights.

Reveals how the European travels of John and Abigail Adams helped define what it meant to be an American From 1778 to 1788, the Founding Father and later President John Adams lived in Europe as a diplomat. Joined by his wife, Abigail, in 1784, the two shared rich encounters with famous heads of the European royal courts, including the ill-fated King Louis XVI and Queen Marie-Antoinette, and the staid British Monarchs King George III and Queen Charlotte. In this engaging narrative, *A View from Abroad* takes us on the first full exploration of the Adams's lives abroad. Jeanne E. Abrams reveals how the journeys of John and Abigail Adams

## Read PDF Who Was Abigail Adams

not only changed the course of their intellectual, political, and cultural development—transforming the couple from provincials to sophisticated world travelers—but most importantly served to strengthen their loyalty to America. Abrams shines a new light on how the Adamses and their American contemporaries set about supplanting their British origins with a new American identity. They and their fellow Americans grappled with how to reorder their society as the new nation took its place in the international transatlantic world. After just a short time abroad, Abigail maintained that, “My Heart and Soul is more American than ever. We are a family by ourselves.” The Adamses’ quest to define what it means to be an American, and the answers they discovered in their time abroad, still resonate with us to this day.

Winner of the Bancroft Prize The New York Times Book Review, Editor’s Choice American Heritage, Best of 2009 In this vivid new biography of Abigail Adams, the most illustrious woman of the founding era, Bancroft Award–winning historian Woody Holton offers a sweeping reinterpretation of Adams’s life story and of women’s roles in the creation of the republic. Using previously overlooked documents from numerous archives, Abigail Adams shows that the wife of the second president of the United States was far more charismatic and influential than historians have realized. One of the finest writers of her age, Adams passionately campaigned for women’s education, denounced sex discrimination, and matched wits not only with her brilliant husband, John, but with Thomas Jefferson and George Washington. When male Patriots ignored her famous appeal to “Remember the Ladies,” she accomplished her own personal declaration of independence: Defying centuries of legislation that assigned married women’s property to their husbands, she amassed a fortune in her own name. Adams’s life story encapsulates the history of the founding era, for she defined herself in relation

rights and slavery, and she let him know exactly how she felt. Her strength and wisdom left a lasting mark on the fledgling U.S.

Annotation Here, at last, is the biography that Abigail Adams has long deserved that puts her, rather than her husband, at its center, and which interprets her life in light of both its eighteenth-century context and recent feminist scholarship. Gelles brings new insights to familiar topics like the Adams marriage and Abigail's wartime role; explains more fully than previous scholars such incidents as the failed courtship of Royall Tyler and Abigail Junior; and examines with sensitivity hitherto little-known episodes like that of Abigail's epistolary flirtation with James Lovell during the Revolution or Abigail Junior's mastectomy in 1811. In short, this is a remarkable achievement, far surpassing all earlier attempts to capture the essence of the woman who was one of early America's greatest letter-writers. Mary Beth Norton Edith Gelles has written a deeply interesting book about Abigail Adams. ... she is careful to reconstruct the eighteenth-century environment of Abigail Adams. De. Gelles is a careful historian of eighteenth-century America and a thoughtful biographer. She has given us a fresh examination of Abigail Adams which will stimulate in helpful ways additional research and discussion. Robert Middlekauf In this important and fascinating biography, Edith Gelles not only restores Abigail Adams to her rightful place at the center of her own story, she challenges the creaky conventions of traditional male-defined biography. Portia breaks ranks with the biographers twice by refusing to treat Abigail Adams as a reflection of her husband and by refusing to force her life's story into an artificially linear narrative. In this masterful work, Edith Gelles reconceptualizes and revolutionizes the very notion of biography by capturing experience as it truly unfolds in so many women's lives as a collage of overlapping and circular

impressions and feelings, rather than a relentless climb up a ladder of public ambition. Susan Faludi The best biography of Abigail Adams in print. By keeping the spotlight on Mrs. Adams and sensitively evaluating her in eighteenth-century terms, Edith Gelles provides the most rounded portrait yet of this important woman. Patricia U. Bonomi Edith B. Gelles uses the revolutionary years as the backdrop of this sensitive study, And The political events as the drama in which the players act out well-defined roles. ... [Gelles] story of relationships, networks, and power in the context of Abigail's eighteenth-century world is truly a superb accomplishment. American Historical Review Adams's strength, courage, and wit ... emerge more fully than they have in any previous work. ... [Gelles] has succeeded in providing a well-rounded portrait of a remarkable figure. Choice Portia ... Is a refreshing change of pace. ... [Edith Gelles] is affectionate yet scholarly, determined to present Adams as a strong character who was very much a woman of her time, not merely a liberated precursor to feminism or the little wife behind the great man. San Francisco Chronicle Portia, The first woman-centered biography of Abigail Adams, details the issues, events, and relationships that informed Adams's life. The portrait that emerges also describes women like her during the Revolutionary era. Much of Abigail Adams's independent reputation derives from the letters that she wrote for over a half-century. Personal and eloquent, they provide unusual access to her private life and capture the social conventions, politics, and people of her age. The letters describe her domestic sphererelationships with her sisters, her daughter and sons, and friends such as Thomas Jefferson. Her marriage to John Adams is considered in the context of the patria.

Abigail Adams lived through the Revolutionary War and became the First Lady of the second president of the United

States. Though women of her time could not vote, govern, or own property, Abigail believed that women should not be ruled by laws they did not make. Although she did not see these rights come to women, she never gave up talking, writing, and perhaps most important, believing that women were equal to men. Her courage and strength enabled her to help her husband create a new country. She never fired a gun, but her pen was a weapon that helped win freedom for her country--and herself.

This volume contains the complete collection of surviving letters of First Lady Abigail Adams from her first letters to John Adams in 1764 to those written just two years before her death.

Abigail Adams was an extraordinary woman who witnessed the gathering storm of the American Revolution and saw the battle of Bunker Hill from a hilltop near her home. Through her letters to friends and family, Abigail Adams lives in history--and now in this award-winning biography by Natalie Bober. Black & white illustrations .

Creates an authoritative portrait of Abigail Adams that captures her diverse roles as a prolific writer, First Lady, fighter for independence and equality, abolitionist, mother, and wife and confidante of John Adams, based on her letters. Reprint. 75,000 first printing.

Seminar paper from the year 2006 in the subject English Language and Literature Studies - Literature, grade: 1,0, University of Regensburg, 7 entries in the bibliography, language: English, abstract: Can Abigail Adams truly be regarded as a revolutionary of that time? Did she act in a revolutionary way? Did she even create a new female role during the American Revolution? If so, in what perspectives was this role revolutionary and new? In order to answer these questions and investigate upon her conduct, the letters of Abigail and her husband between 1774 and 1777 will be the

focus of this paper; they will be analyzed and interpreted in terms of the new female role. This corpus of letters is taken out of *The Book of Abigail and John* (1975). Herein the focus lies on Abigail's perspective, on her perception and account of war experiences and on her thoughts and opinions about government and politics. In addition to this, John's letters have to be taken into account as well, as he represents the addressee Abigail is writing to. His letters and the way he addresses her, the topics and his experiences he mentions and the advice he asks from his wife or gives to her, do shed light onto the person of Abigail Adams as well as influenced her.

Recounts the life and accomplishments of Abigail Adams, our nation's second First Lady, who was known for her dedication to women's rights.

In this book, Edith B. Gelles asserts that Abigail Adams' vivid, insightful letters are "the best account that exists from the pre to the post-Revolutionary period in America of a woman's life and world." Adams' spontaneous, witty letters serve dual purposes for the modern reader: it provides an intriguing first hand account of pivotal historical events and it shows how these events from the Boston Tea Party to the War of 1812 entered the private sphere. Included in the book is a chronology, notes and reference section and a selected bibliography. This book will be a must for all scholars of American literature, history and politics seeking to understand this literary figure.

A portrait of the supportive wife of President John Adams details the life of this extraordinary woman who used her love for learning, for her family, and for her country to shape the early history of the United States.

This volume affords a visual documentation of John and Abigail Adams' political career and exemplifies the work

These study guides provide peer-reviewed articles that allow students early success in finding scholarly materials and to gain the confidence and vocabulary needed to pursue deeper research.

In this inspiring tribute, award-winning author Barb Rosenstock and New York Times bestselling artist Elizabeth Baddeley tell the true story of one of America's greatest founding mothers: Abigail Adams. Everyone knew Abigail was different. Instead of keeping quiet, she blurted out questions. Instead of settling down with a wealthy minister, she married a poor country lawyer named John Adams. Instead of running from the Revolutionary War, she managed a farm and fed hungry soldiers. Instead of leaving the governing to men, she insisted they "Remember the Ladies." Instead of fearing Europe's kings and queens, she boldly crossed the sea to represent her new country. And when John became President of the United States, Abigail became First Lady, and a powerful advisor. Leave it to Abigail--an extraordinary woman who surprised the world.

Describes Abigail Adams, wife of the second president of the United States, her role as first lady, and some of the foods she served at various stages in her life. Includes recipes.

will read about Abigail's life, her marriage to John Adams, her role as First Lady of the United States, and her thoughts during such events as the Stamp Act, the Boston Massacre, and other boycotts in the colonies. Engaging images, supportive text, fascinating facts, and a helpful glossary and table of contents are provided to aid in better understanding of the content and vocabulary.

Abigail Adams was an unusually accomplished letter writer. Spirited and insightful, her correspondence offers a unique vantage on historical events in which her family played so prominent a role, while bringing vividly to life the everyday experience of American women in the eighteenth and early nineteenth centuries. Here are 430 letters—more than a hundred published for the first time—to John Adams, John Quincy Adams, Thomas Jefferson, Mercy Otis Warren, James and Dolley Madison, and Martha Washington, among many others. Including her famous call to “Remember the Ladies,” letters from the 1760s and 1770s offer an unrivalled portrait of the American Revolution on the home front. Travel to Europe in the 1780s opens a grand new field for her talents as social commentator and political advisor while her roles as vice presidential and presidential wife place her at the very heart of the nation’s founding. Also included are a chronology of Adams’s life, detailed notes, and extensively researched family trees. This volume is published simultaneously with *John Adams: Writings from the New Nation 1784–1826*, the third and final volume in the *Library of America John Adams* edition. **LIBRARY OF AMERICA** is
